**CENTERTON ROAD TO CLOSE FOR BRIDGE, ROAD REPAIRS**

**Construction Scheduled in Two Phases, Beginning Monday, Aug. 9**

Traffic interruptions can be expected on Centerton Road, from Creek Road (County Route 636) in Mount Laurel to Hartford Road (CR686) in Moorestown, beginning Monday, August 9 to allow the Burlington County Highway Department to perform road and bridge repairs.

Phase I is scheduled to begin Monday while maintaining traffic and includes repairs and restoration to various parts of Bridge C4.13 over Parker's Creek, which serves as the border between Mount Laurel and Moorestown at this point.

Construction is expected to take one week during which one lane alternating traffic will be maintained along the road.

Centerton Road will be closed to through traffic during Phase II of construction, scheduled to begin Monday, Aug. 16, and includes milling and repaving the deck of the bridge. Phase II is expected to take one week and a detour will be posted to northbound Hartford Road (CR686) to Borton Landing Road to southbound Creek Road (CR636).
