REPAVING SET FOR MAIN STREET/WRIGHTSTOWN-COOKSTOWN ROAD

Construction on 1.9-Mile Section Through Wrightstown and New Hanover

Milling and repaving of a 1.9-mile section of Main Street/Wrightstown-Cookstown Road (County Route 616) between Railroad Avenue in Wrightstown and Arnold Avenue in New Hanover is scheduled to begin Monday, June 20.

Traffic will be maintained with one lane alternating during construction, which is expected to take two weeks to complete. Motorists should anticipate delays during construction and are advised to seek alternative routes.

Construction is being performed by Neshaminy Constructors, Inc. / American Asphalt Co., Inc. – A Joint Venture, West Collingswood, as part of the County's 2010 State Funded Overlay Program.

A total 29.7 miles of County roads in 17 municipalities are being resurfaced through the \$6.8M program.
