## **REPAVING OF OLD YORK ROAD IN CHESTERFIELD**

### **SCHEDULED TO BEGIN THURSDAY, AUG. 12TH**

Resurfacing of a 2.3-mile portion of Old York Road (County Route 660) in Chesterfield is scheduled to begin Thursday, Freeholder Deputy Director Joseph B. Donnelly announced today.

Construction will include milling and repaving between Bordentown-Georgetown Road (CR545) at the Bordentown-Chesterfield border and Crosswicks-Chesterfield Road (CR677) in Chesterfield.

Traffic will be maintained with one lane alternating traffic during the two-week construction period. Motorists may experience delays during work and are advised to seek alternative routes.

The construction is part of the County's \$2.29M program funded through the federal American Reinvestment and Recovery Act (a.k.a. Stimulus Program). A total 12.1 miles of County roads in six municipalities are scheduled to be resurfaced with stimulus funds awarded in January of 2010.

Arawak Paving Company Inc. of Hammonton was awarded the contract as lowest responsible bidder.
