PORTION OF JFK WAY TO CLOSE TUESDAY, FEBRUARY 19 Bridge Replacement Between Levitt Parkway and Charleston Road Planned

John F. Kennedy Way (County Road 633) over Mill Creek, in Willingboro, is scheduled to be closed beginning Tuesday, February 19. The road is expected to reopen in July of this year.

The road will be closed at Bridge C3.64 and open to local traffic only on each side of the bridge. A detour will be posted and drivers may take an alternate route using Levitt Parkway (CR 630) to Charleston Road.

The closing is necessary to allow for replacement of the bridge over Mill Creek.
