## Mail-In Ballot List Removal Request

**Instructions:** To remove your name from the mail-in ballot list, please complete the form and send the original document to the Burlington County Clerk's Office. Do not send emailed or digital copies. You must submit your opt-out form at least 60 days before an election to be removed from the vote-by-mail list for that election. If your ballot has already been mailed to you for an upcoming election, you will be removed from the list after the election.

If you are on the vote-by-mail list for an upcoming election, you can still vote in person during Early Voting or on Election Day. However, you must use a provisional ballot to ensure you do not vote more than once in the same election.

If you would like confirmation that your opt-out form was processed, please email the Burlington County Clerk's Election Division at [votebymail@co.burlington.nj.us](mailto:votebymail@co.burlington.nj.us) or call (609) 265-5229 at least five (5) business days from the date that you mailed your form.

To the Burlington County Clerk:

I no longer request to receive vote-by-mail ballots for future elections and wish to return to voting at the polls.
