1.07 SPECIFICATIONS FOR CONSULTANT SERVICES FOR THE DEVELOPMENT AND IMPLEMENTATION OF THE COUNTY OPTION HOSPITAL FEE PROGRAM

The Board of County Commissioners of the County of Burlington, New Jersey seeks a Successful Proposer for CONSULTANT SERVICES FOR THE DEVELOPMENT AND IMPLEMENTATION OF THE COUNTY OPTION HOSPITAL FEE PROGRAM.

I. BACKGROUND INFORMATION

New Jersey’s County Option Hospital Fee Program (“Hospital Fee Program”) was initially established pursuant to ‘The County Option Hospital Fee Pilot Program Act’, P.L. 2018, c.136. The Hospital Fee Program was then amended pursuant to P.L. 2021 c.41, and then expanded to include the additional counties, including Burlington County, pursuant to P.L. 2022, c.61. The purpose of the Hospital Fee Program is to: 1) increase financial resources through Medicaid program to support local hospitals and ensure that they continue to provide necessary services to low-income citizens; and 2) provide participating Counties with new fiscal resources. The County of Burlington is one of 12 Counties eligible to participate in the Hospital Fee Program. The Hospital Fee Program authorizes each participating County to impose a local health care-related fee on hospitals within its borders. The fee proceeds will be used to secure additional Federal Medicaid funding to benefit residents with low income by providing additional funding to the hospitals that serve these residents as well as to compensate the participating County and the State of New Jersey for administrative costs. Funds generated under the Hospital Fee Program will be combined with Federal Medicaid dollars to make additional Medicaid payment to participating hospitals.

The County desires to engage a well-qualified Consultant, which may represent a single firm or team of firms, who possesses a specialized knowledge and understanding of the type of Hospital Fee Program authorized by the State’s Legislation. The Consultant shall assist the County with the initial development of the County’s Hospital Fee Program and provide annual implementation services if the County’s Option Hospital Fee Program is approved by the State and Federal governments.

Interested Consultants shall familiarize themselves with the Statutory and regulator requirements applicable to the County’s participation in the Hospital Fee Program as set forth in P.L. 2018, c.136, P.L. 2021, c.41, P.L. 2022, c.61, N.J.A.C. 10:52B and the New Jersey County Option Hospital Fee Pilot Program Operations Manual, which may be found at http://www.nj.gov/humanservices/dmahs/news/nj_co_opt.html. Consultants shall also have in depth and current working knowledge of the underlying Federal requirements as outlined in Section 1903(w) of the Social Security Act; 42 CFR 433.68; and 42 CFR 433.51.

The Consultant shall have a reporting responsibility to a designated individual within the Burlington County Office of the County Administrator. Other offices and departments of Burlington County Government shall provide support services, advisory and consent in regard to the Hospital Fee program. Further, the County may assist the Consultants in the development of proposals by facilitating access to necessary County records and data. All further analysis will be the responsibility of the Consultant.

II. SCOPE OF SERVICES

As discussed above, the Hospital Fee Program is a new program for the County of Burlington. The County may consider:

- 1) Additions to the County's Scope of Services based on the Consultant's understanding of the statutory and regulatory requirements of the Hospital Fee Program.

If the local contracting unit desires to extend a contract under the provisions of [N.J.S.A. 40A:11-15 et seq.](#) or 18A:18A-42, the index rate is used to determine the appropriate increase in the contract price. All contracts shall cease to have effect at the end of the contracted period and shall not be extended by any mechanism or provision, unless in conformance with the "Local Public Contracts Law," P.L.1971,c.198([N.J.S.A. 40A:11-1 et seq.](#)), except that a contract may be extended by mutual agreement of the parties to the contract when a contracting unit has commenced re-bidding prior to the time the contract expires or when the awarding of a contract is pending at the time the contract expires.
