

ANGELSENSE REVIEWS & TESTIMONIALS:

"It gives me great peace of mind to be able to see where she is."

-Traci A.

"He slowly is becoming more independent and I have AngelSense to thank for not having to helicopter over him."

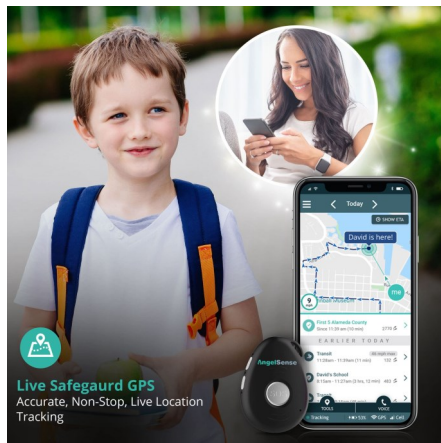

-LaToya C.

"After checking out all the options we chose AngelSense because of the customer service. They are also special needs parents so they truly understand our fear as parents."

-Domenica M.

"With his AngelSense tracker attached to his pocket, I can send Bennett to school knowing he will always come back home to me."

- Hannah B.
