

What is the Home Improvement Loan Program?

Burlington County receives an allocation of Community Development Block Grant (CDBG) funds each year from the Federal government to provide assistance to residents of Burlington County through a variety of local housing-related and public service projects.

The Board of County Commissioners has designated a portion of these funds to be made available through the Home Improvement Loan Program, which is administered by the Division of Community Development and Housing.

The Home Improvement Loan Program provides financial assistance to qualified homeowners and provides zero percent interest loans to remediate sub-standard housing conditions and to eliminate health and safety hazards.
