**BURLINGTON COUNTY COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM  
PRE-APPLICATION AND GUIDE PACKAGE**

**SECTION I. Introduction**

The purpose of this Guide is to provide potential applicants for CDBG funding with sufficient detail to develop a complete proposal. The package is intended to offer information on the types of eligible activities and the process for application submission. It is additionally intended to be an introduction to the objectives of the Community Development Program.

Applicants should consider this Guide to be a supplement to the Community Development Block Grant Program Entitlement Grant Regulations, Title 24 of the Code of Federal Regulations, Part 570. It is important for applicants to become familiar with these regulations. The regulations are included as an addendum to this package. The County's Office of Community Development will provide applicants with technical assistance, interpretation of regulations and support, as requested.

**SECTION II. Overall Objectives**

Eligible applicants are participating units of local government, public or private non-profit agencies, authorities or organizations, institutions of higher education, or Community Based Development Organizations (CBDOs) as defined in Section 570.204(c) of the Regulations.

Applications will be evaluated in terms of the extent to which the Broad National Objective of the Housing and Community Development Act of 1974 as amended (42 U.S.C. 4301, et. seq.) {The Act} can be demonstrated. Activities which meet these objectives give maximum feasible priority to: 1) addressing identified needs of low- and moderate-income families; 2) aid in the elimination of slums and blight; or 3) meet community needs having a particular urgency because existing conditions pose an immediate threat to public health or welfare. In order to meet the requirement to use at least 70% of CDBG funds for the first objective, Burlington County gives highest priority to activities that benefit low and moderate-income residents.

*1. Principal Benefit to Low/Moderate Income Persons*

A project principally benefits low and moderate-income persons if it is designed to meet the identified needs of low- and moderate-income persons as described in the applicant's community development plan, and it meets one of the following standards:

- A. The project has income eligibility requirements that limit the benefits of the project to low- and moderate-income persons {see Part 570.208(a)(2), (3) and (4)}, or
- B. The project serves an area where the majority of the beneficiaries are low and moderate-income persons. These areas are defined by the most recent census for which information is available on and include Census Tract Block Groups where the percentage of low/mod residents is at or above the Urban County's upper quartile percentage {see Part 570.208(a)(1)}.
- C. A project which must be carried out prior to, or as an integral part of a project that will principally benefit low- and moderate-income persons.

*2. Prevention or Elimination of Slums and Blight*

Projects that prevent or eliminate slums or blight:

- D. A project in an area, which is a slum, a blighted, deteriorated, or deteriorating area, as defined by State or local law, and in which the applicant undertakes a comprehensive program to remedy the conditions qualifying the area. {See 570.208(b)(1)}.
- E. A project designed to eliminate detrimental conditions on a spot basis or located outside slum or blighted areas. {See 570.208(b)(2)}.

2. *Particular Urgency*

Projects designed to meet needs having particular urgency must conform to the following:

A project designed to alleviate a serious and immediate threat to the health or welfare of the community that is of recent origin where the applicant is unable to finance the project on its own and other sources of funding are not available. A condition will generally be considered to be of recent origin if it developed or became critical within 18 months preceding the application for funds. Recent origin must be documented fully. {See 570.208(c)}.

### **SECTION III. Eligible Activities**

The following is a listing of general categories of eligible activities. More specific information on these and other activities can be found in the attached regulations: Part 570 Subsection C.

- ✓ Acquisition of Real Property
- ✓ Construction, reconstruction, rehabilitation
- ✓ Disposition of Real Property
- ✓ Public Facilities and Improvements (including Removal of Architectural Barriers)
- ✓ Clearance and Demolition Activities
- ✓ Public Services
- ✓ Relocation
- ✓ Code Enforcement
- ✓ Historic Preservation
- ✓ Economic Development Activities
- ✓ Special Activities by Community-Based Development Organizations
- ✓ Housing Rehabilitation

### **SECTION IV. Limitations on Activities**

Not all activities listed as eligible in the Community Development Block Grant regulations (Part 570 Subpart C) will be considered for funding. Limitations are imposed, either by local policy or regulations, are described in this section.

#### Planning, Design, Administration Costs

Planning, design, management, administration, and other activities listed in Parts 570.205 and 570.206 will not be funded. However, project-related architectural and engineering costs might be funded when they are part of an eligible project and comply with Burlington County Community Development Program Policy and Procedures.

### Housing Development Projects

Applications to undertake affordable housing development projects will only be considered for funding as part of this annual CDBG application process if carried out or sponsored by a municipality. Housing development projects include the acquisition, rehabilitation of existing properties for rent or resale to low-income families. As an alternative, applicants wishing to do housing development are encouraged to request an application for HOME funds (<http://www.co.burlington.nj.us/Communitydevelopment>). The opportunity to apply for HOME funding for an affordable housing development project is available on an ongoing basis.

### Other Housing Improvement Activities

Special housing/rehabilitation (improvement) activities that assist low-income existing homeowners may still be proposed as part of this CDBG application process. Examples of special housing rehabilitation activities that may be proposed include Emergency Home Repairs, Lead Based Paint Evaluation and Abatement, Water and/or Sewer Connections between residential properties, and water distribution or sewer collection lines.

To ensure that the County meets its spending deadlines, the period for sub-grantees to expend their allocations will be limited to one year.

## **SECTION V. Application Process**

In 2026, this application round, all municipalities are eligible to apply for funding. Public Service entities may apply annually. **As always, awards are contingent upon Federal funding.**

### Public Hearing

Municipalities wishing to submit an application to the County must first hold a public hearing. The Public Hearing must actively solicit comments and recommendations and be properly advertised. Evidence of this hearing, a copy of the advertisement, and minutes must accompany the proposal submitted to the County's Office of Community Development. Suggestions for the wording of the advertisement for the public hearing can be found in *Appendix 2* of this Guide. Sub-recipients such as non-profit organizations and Community-Based Development Organizations do not have to hold public hearings.

### Timetable

All potential applicants are strongly urged to familiarize themselves with the following timetable for application preparation and submission. This schedule must be adhered to to ensure that the County meets its submission deadlines to the US Department of Housing and Urban Development. Municipalities should be particularly aware of the submission deadline to the County. **Please note, late applications or incomplete applications will not be considered.**

## **SECTION VI. Criteria for Selection of Proposed Activities**

The following criteria will be applied in selecting activities for funding:

1. A proposed activity must address one of the three National Objectives of the Housing and Community Development Act of 1974: see **Section II. Overall Objectives** {Ref. 24 CFR 570.208}. Priority is given to projects that benefit low/moderate-income persons.
2. The staff will review the applicant's past performance in the Community Development Block Grant Program, particularly the timely implementation of previously funded activities. Penalties will be levied against proposed projects from applicants who did not complete their most recent prior year project on time in accordance with the policy for Enforcement of Spending Time Limits (see **Section VII** below)
3. Proposed activities must be completed within a 12-month period: by September 30, 2027 (12 months from the expected date of formal agreements). Applicants must gauge the time needed for project design, obtaining permits or additional funding, and other pre-project requirements and show all phases of the project in the Application Form Implementation Schedule (**Form BC24-4**).
4. No activity will be funded which will result in the demolition or conversion to other use of occupied or vacant-occupiable low moderate-income dwelling units or which will cause displacement of persons from their homes.
5. The application must be complete. Information must be clear and sufficient to demonstrate that the activity is eligible and meets a national objective.
6. The Scoring Rubric will be used. Applications will be scored based on their Benefit L/M; Need/Justification; Conformance to 5 Year Consolidated Plan Priority; Cost Reasonableness; Activity Management and Implementation; Experience and Past Performance; Leveraging of other dollars; Environmental Justice and Application Completeness. A total of 135 points are available and applications scoring less than 80 points will not be considered for funding.

## **SECTION VII. Approvals and Implementations**

Following Public Hearing #2, applicants with activities that have been selected to be included in the County's 2026 program year application to HUD will be so notified.

Final approval from HUD is required before any activity funding.

Activities that are approved for the 2026 program year must be completed within a strict time period anticipated to begin August 2026 and end September 2027.

### Implementation Schedule

If funded, recipients will be held to an implementation schedule that completes the proposed activity within the established time frame. In developing proposed activities, applicants must look at all factors affecting the implementation time of the activity, i.e.: design, permitting, contracting or manpower, other funding sources, etc., to be sure they

can be coordinated to work within the established time frame for the project. Penalties will be imposed in future year funding on applicants that do not complete 2026 activities within the time frame.

### 5-Year Benefit

All approved projects will be required to provide a minimum of five years of benefit to the populations, areas and/or communities they are designed to serve. The five-year period begins on the date that the County considers the project complete, upon release of the final payment to the grant recipient or the relinquishing of excess funding by the recipient, whichever is later.

### Enforcement of Spending Time Limits

Enforcement of the time limit on spending is essential for the County to meet the spending deadlines established by HUD. Therefore, the following penalties for poor performance will be imposed.

An applicant that did not complete its previous project by the end of the sub-grantee agreement term will have the funding they would normally be granted reduced. The extent of the reduction will be 10% for each month of late performance. The Board reserves the option of granting extensions to project completion dates of no more than three months when additional time is warranted. The 10% reduction will not be applied against an extension if the Board considered the extension to be warranted. Applicants who received an extension and did not complete the project by the end of the extension will have a 15% reduction for each month of late performance. The Board may also approve extensions to the term of a sub-grantee agreement for convenience when a project will not be completed by the original end date. The 10% reduction will also be applied to extension periods approved for convenience (not as warranted).

### Enforcement of a five-year low/mod benefit – Privately owned Public Facilities

Projects involving the acquisition or improvement of privately owned real property, such as senior centers, community centers, historic properties, and most other types of public facilities, will be encumbered by a lien, which will be released upon fulfillment of the five-year benefit requirement.

## **SECTION VIII. The Proposal Package**

2026 marks the first year of a five-year comprehensive community development plan. The County, on an annual basis, solicits proposals. Applicants must use the forms provided in this Guide in developing applications for funding. The forms are designed to enable the County to determine if a proposed project is eligible for funding and is consistent with the overall community development program goals and objectives.

The Community Development Office reserves the right to request additional information, not stated in the application packages when deemed necessary to determine eligibility of a proposed activity or management capacity of the applicant.

COMPREHENSIVE COMMUNITY DEVELOPMENT PLAN  
2026 ANNUAL PLAN**

The information presented by the applicant in Housing and Community Development Objectives and Outcomes will be used to assist the County in the development of the 2026 Annual Plan. The County must prepare an Annual Plan to qualify to receive CDBG funds from HUD.

COMMUNITY: \_\_\_\_\_

**Housing and Community Development Objectives  
Overall Objectives and Outcomes Assessment:**

Provide an overall picture of the community development needs of the community and the level of priority for addressing the different objectives and outcomes.

1. Identify which **objective** will be addressed by the activity proposed in this application. Choose only ONE objective:

**Suitable Living Environment** – This objective relates to activities that are designed to benefit communities, families or individuals by addressing issues in their living environment.

**Decent Affordable Housing** – This objective focuses on housing programs where the purpose of the program is to meet individual family or community needs and not programs where housing is an element of a larger effort.

**Creating Economic Opportunities** – This objective applies to the types of activities related to economic development, commercial revitalization, or job creation.

2. Identify which **outcome** category best reflects what you are seeking to achieve (the results) in funding a particular activity.

**Availability/Accessibility** – This outcome category applies to activities that make services, infrastructure, housing, or shelter available or accessible to low- and moderate-income people, including persons with disabilities. In this category, accessibility does not refer only to physical barriers, but also to making the affordable basics of daily living available and accessible to low- and moderate-income people

**Affordability** – This outcome applies to activities that provide affordability in a variety of ways in the lives of low- and moderate-income people. It can include the creation or maintenance of affordable housing, basic infrastructure hook-ups, or services such as transportation or daycare.

**Sustainability: Promoting Livable or Viable Communities** – This outcome applies to projects where the activity or activities are aimed at improving communities or neighborhoods, helping to make them livable or viable by providing benefits to persons of low and moderate-income or by removing or

eliminating slums or blighted areas, through multiple activities or services that sustain communities or neighborhoods.

## **PART 570—COMMUNITY DEVELOPMENT BLOCK GRANTS**

**Authority:**12 U.S.C. 1701x, 1701 x-1; 42 U.S.C. 3535(d) and 5301-5320.

**Source:**40 FR 24693, June 9, 1975, unless otherwise noted.

### **Subpart A—General Provisions**

**Source:**53 FR 34437, Sept. 6, 1988, unless otherwise noted.

#### **§ 570.1 Purpose and primary objective.**

(a) This part describes policies and procedures applicable to the following programs authorized under title I of the Housing and Community Development Act of 1974, as amended:

- (1) Entitlement grants program (subpart D);
- (2) Nonentitlement Funds: HUD-administered Small Cities and Insular Area programs (subpart F);
- (3) State program: State-administered CDBG nonentitlement funds (subpart I);
- (4) Special Purpose Grants (subpart E);
- (5) Urban Development Action Grant program (subpart G); and
- (6) Loan Guarantees (subpart M).

(b) Subparts A, C, J, K, and O apply to all programs in paragraph (a) except as modified or limited under the provisions of these subparts or the applicable program regulations. In the application of the subparts to Special Purpose Grants or the Urban Development Action Grant program, the reference to funds in the form of grants in the term “*CDBG funds*”, as defined in § 570.3, shall mean the grant funds under those programs. The subparts do not apply to the State program (subpart I) except to the extent expressly referred to.

(c) The primary objective of the programs authorized under title I of the Housing and Community Development Act of 1974, as amended, is described in section 101(c) of the Act (42 U.S.C. 5301(c)).

[53 FR 34437, Sept. 6, 1988, as amended at 56 FR 56126, Oct. 31, 1991; 61 FR 11475, Mar. 20, 1996; 69 FR 32778, June 10, 2004]

#### **§ 570.3 Definitions.**

The terms Affirmatively Furthering Fair Housing, HUD, and Secretary are defined in 24 CFR part 5. All of the following definitions in this section that rely on data from the United States Bureau of the Census shall rely upon the data available from the latest decennial census or the American Community Survey.

*Act* means title I of the Housing and Community Development Act of 1974 as amended (42 U.S.C. 5301 et seq.).

*Age of housing* means the number of year-round housing units, as further defined in section 102(a)(11) of the Act.

*Applicant* means a State or unit of general local government that makes application pursuant to the provisions of subpart E, F, G or M.

*Buildings for the general conduct of government* shall have the meaning provided in section 102(a)(21) of the Act.

*CDBG funds* means Community Development Block Grant funds, including funds received in the form of grants under subpart D, F, or § 570.405 of this part, funds awarded under section 108(q) of the Housing and Community Development Act of 1974, loans guaranteed under subpart M of this part, urban renewal surplus grant funds, and program income as defined in § 570.500(a).

*Chief executive officer* of a State or unit of general local government means the elected official or the legally designated official, who has the primary responsibility for the conduct of that entity's governmental affairs. Examples of the “chief executive officer” of a unit of general local government are: the elected mayor of a municipality; the elected county executive of a county; the chairperson of a county commission or board in a county that has no elected county executive; and the official designated pursuant to law by the governing body of a unit of general local government.

*City* means the following:

(1) For purposes of Entitlement Community Development Block Grant and Urban Development Action Grant eligibility:

(i) Any unit of general local government that is classified as a municipality by the United States Bureau of the Census, or

(ii) Any other unit of general local government that is a town or township and that, in the determination of the Secretary:

(A) Possesses powers and performs functions comparable to those associated with municipalities;

(B) Is closely settled (except that the Secretary may reduce or waive this requirement on a case by case basis for the purposes of the Action Grant program); and

(C) Contains within its boundaries no incorporated places as defined by the United States Bureau of the Census that have not entered into cooperation agreements with the town or township for a period covering at least 3 years to undertake or assist in the undertaking of essential community

development and housing assistance activities. The determination of eligibility of a town or township to qualify as a city will be based on information available from the United States Bureau of the Census and information provided by the town or township and its included units of general local government.

(2) For purposes of Urban Development Action Grant eligibility only, Guam, the Virgin Islands, American Samoa, the Commonwealth of the Northern Mariana Islands, the counties of Kauai, Maui, and Hawaii in the State of Hawaii, and Indian tribes that are eligible recipients under the State and Local Government Fiscal Assistance Act of 1972 and located on reservations in Oklahoma as determined by the Secretary of the Interior or in Alaskan Native Villages.

*Community Development Financial Institution* has the same meaning as used in the Community Development Banking and Financial Institutions Act of 1994 (12 U.S.C. 4701 note).

*Consolidated plan.* The plan prepared in accordance with 24 CFR part 91, which describes needs, resources, priorities and proposed activities to be undertaken with respect to HUD programs, including the CDBG program. An approved consolidated plan means a consolidated plan that has been approved by HUD in accordance with 24 CFR part 91.

*Discretionary grant* means a grant made from the various Special Purpose Grants in accordance with subpart E of this part.

*Entitlement amount* means the amount of funds which a metropolitan city or urban county is entitled to receive under the Entitlement grant program, as determined by formula set forth in section 106 of the Act

*Extent of growth lag* shall have the meaning provided in section 102(a)(12) of the Act.

*Extent of housing overcrowding* shall have the meaning provided in section 102(a)(10) of the Act.

*Extent of poverty* means the number of persons whose incomes are below the poverty level based on data compiled and published by the United States Bureau of the Census available from the latest census referable to the same point or period in time and the latest reports from the Office of Management and Budget. For purposes of this part, the Secretary has determined that it is neither feasible nor appropriate to make adjustments at this time in the computations of “extent of poverty” for regional or area variations in income and cost of living.

*Family* refers to the definition of “family” in 24 CFR 5.403.

*Household* means all persons occupying a housing unit. The occupants may be a family, as defined in 24 CFR 5.403; two or more families living together; or any other group of related or unrelated persons who share living arrangements, regardless of actual or perceived, sexual orientation, gender identity, or marital status.

*Income.* For the purpose of determining whether a family or household is low- and moderate-income under subpart C of this part, grantees may select any of the three definitions listed below for each activity, except that integrally related activities of the same type and qualifying under the same paragraph of § 570.208(a) shall use the same definition of income. The option to choose a definition does not apply to activities that qualify under § 570.208(a)(1) (Area benefit activities), except when the recipient carries out a survey under § 570.208(a)(1)(vi). Activities qualifying under § 570.208(a)(1) generally must use the area income data supplied to recipients by HUD. The three definitions are as follows:

(1)

(i) “Annual income” as defined under the Section 8 Housing Assistance Payments program at 24 CFR 5.609 (except that if the CDBG assistance being provided is homeowner rehabilitation under § 570.202, the value of the homeowner's primary residence may be excluded from any calculation of Net Family Assets); or

(ii) Annual income as reported under the Census long-form for the most recent available decennial Census. This definition includes:

(A) Wages, salaries, tips, commissions, etc.;

(B) Self-employment income from own nonfarm business, including proprietorships and partnerships;

(C) Farm self-employment income;

(D) Interest, dividends, net rental income, or income from estates or trusts;

(E) Social Security or railroad retirement;

(F) Supplemental Security Income, Aid to Families with Dependent Children, or other public assistance or public welfare programs;

(G) Retirement, survivor, or disability pensions; and

(H) Any other sources of income received regularly, including Veterans' (VA) payments, unemployment compensation, and alimony; or

(iii) Adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 for individual Federal annual income tax purposes.

(2) Estimate the annual income of a family or household by projecting the prevailing rate of income of each person at the time assistance is provided for the individual, family, or household (as applicable). Estimated annual income shall include income from all family or household members, as applicable. Income or asset enhancement derived from the CDBG-assisted activity shall not be considered in calculating estimated annual income.

*Insular area* shall have the meaning provided in section 102(a)(24) of the Act.

*Low- and moderate-income household* means a household having an income equal to or less than the Section 8 low-income limit established by HUD.

*Low- and moderate-income person* means a member of a family having an income equal to or less than the Section 8 low-income limit established by HUD. Unrelated individuals will be considered as one-person families for this purpose.

*Low-income household* means a household having an income equal to or less than the Section 8 very low-income limit established by HUD.

*Low-income person* means a member of a family that has an income equal to or less than the Section 8 very low-income limit established by HUD. Unrelated individuals shall be considered as one-person families for this purpose.

*Metropolitan area* shall have the meaning provided in section 102(a)(3) of the Act.

*Metropolitan city* shall have the meaning provided in section 102(a)(4) of the Act except that the term “central city” is replaced by “principal city.”

*Microenterprise* shall have the meaning provided in section 102(a)(22) of the Act.

*Moderate-income household* means a household having an income equal to or less than the Section 8 low-income limit and greater than the Section 8 very low-income limit, established by HUD.

*Moderate-income person* means a member of a family that has an income equal to or less than the Section 8 low-income limit and greater than the Section 8 very low-income limit, established by HUD. Unrelated individuals shall be considered as one-person families for this purpose.

*Nonentitlement amount* means the amount of funds which is allocated for use in a State's nonentitlement areas as determined by formula set forth in section 106 of the Act.

*Nonentitlement area* shall have the meaning provided in section 102(a)(7) of the Act.

*Origin year* means the specific Federal fiscal year during which the annual grant funds were appropriated.

*Population* means the total resident population based on data compiled and published by the United States Bureau of the Census available from the latest census or which has been upgraded by the Bureau to reflect the changes resulting from the Boundary and Annexation Survey, new incorporations and consolidations of governments pursuant to § 570.4, and which reflects, where applicable, changes resulting from the Bureau's latest population determination through its estimating technique using natural changes (birth and death) and net migration, and is referable to the same point or period in time.

*Small business* means a business that meets the criteria set forth in section 3(a) of the Small Business Act (15 U.S.C. 631, 636, 637).

*State* shall have the meaning provided in section 102(a)(2) of the Act.

*Unit of general local government* shall have the meaning provided in section 102(a)(1) of the Act.

*Urban county* shall have the meaning provided in section 102(a)(6) of the Act. For the purposes of this definition, HUD will determine whether the county's combined population contains the required percentage of low- and moderate-income persons by identifying the number of persons that resided in applicable areas and units of general local government based on data from the most recent decennial census, and using income limits that would have applied for the year in which that census was taken.

*Urban Development Action Grant (UDAG)* means a grant made by the Secretary pursuant to section 119 of the Act and subpart G of this part.

#### **§ 570.4 Allocation of funds.**

(a) The determination of eligibility of units of general local government to receive entitlement grants, the entitlement amounts, the allocation of appropriated funds to States for use in nonentitlement areas, the reallocation of funds, the allocation of appropriated funds to insular areas, and the allocation of appropriated funds for discretionary grants under the Secretary's Fund shall be governed by the policies and procedures described in sections 106 and 107 of the Act, as appropriate.

(b) The definitions in § 570.3 shall govern in applying the policies and procedures described in sections 106 and 107 of the Act.

(c) In determining eligibility for entitlement and in allocating funds under section 106 of the Act for any federal fiscal year, HUD will recognize corporate status and geographical boundaries and the status of metropolitan areas and principal cities effective as of July 1 preceding such federal fiscal year, subject to the following limitations:

(1) With respect to corporate status as certified by the applicable State and available for processing by the Census Bureau as of such date;

(2) With respect to boundary changes or annexations, as are used by the Census Bureau in preparing population estimates for all general purpose governmental units and are available for

processing by the Census Bureau as of such date, except that any such boundary changes or annexations which result in the population of a unit of general local government reaching or exceeding 50,000 shall be recognized for this purpose whether or not such changes are used by the Census Bureau in preparing such population estimates; and

(3) With respect to the status of Metropolitan Statistical Areas and principal cities, as officially designated by the Office of Management and Budget as of such date.

(d) In determining whether a county qualifies as an urban county, and in computing entitlement amounts for urban counties, the demographic values of population, poverty, housing overcrowding, and age of housing of any Indian tribes located within the county shall be excluded. In allocating amounts to States for use in nonentitlement areas, the demographic values of population, poverty, housing overcrowding and age of housing of all Indian tribes located in all nonentitled areas shall be excluded. It is recognized that all such data on Indian tribes are not generally available from the United States Bureau of the Census and that missing portions of data will have to be estimated. In accomplishing any such estimates the Secretary may use such other related information available from reputable sources as may seem appropriate, regardless of the data's point or period of time and shall use the best judgement possible in adjusting such data to reflect the same point or period of time as the overall data from which the Indian tribes are being deducted, so that such deduction shall not create an imbalance with those overall data.

(e) Amounts remaining after closeout of a grant which are required to be returned to HUD under the provisions of § 570.509, Grant closeout procedures, shall be considered as funds available for reallocation unless the appropriation under which the funds were provided to the Department has lapsed.

[53 FR 34437, Sept. 6, 1988, as amended at 68 FR 69582, Dec. 12, 2003; 69 FR 32778, June 10, 2004]

### **§ 570.5 Waivers.**

HUD's authority for the waiver of regulations and for the suspension of requirements to address damage in a Presidentially declared disaster area is described in 24 CFR part 5 and in section 122 of the Act, respectively.

[61 FR 11476, Mar. 20, 1996]

### **Subpart B [Reserved]**

### **Subpart C—Eligible Activities**

**Source:** 53 FR 34439, Sept. 6, 1988, unless otherwise noted.

### **§ 570.200 General policies.**

(a) **Determination of eligibility.** An activity may be assisted in whole or in part with CDBG funds only if all of the following requirements are met:

(1) **Compliance with section 105 of the Act.** Each activity must meet the eligibility requirements of section 105 of the Act as further defined in this subpart.

(2) **Compliance with national objectives.** Grant recipients under the Entitlement and HUD-administered Small Cities programs and recipients of insular area funds under section 106 of the Act must certify that their projected use of funds has been developed so as to give maximum feasible priority to activities which will carry out one of the national objectives of benefit to low- and moderate-income families or aid in the prevention or elimination of slums or blight. The projected use of funds may also include activities that the recipient certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs. Consistent with the foregoing, each recipient under the Entitlement or HUD-administered Small Cities programs, and each recipient of insular area funds under section 106 of the Act must ensure and maintain evidence that each of its activities assisted with CDBG funds meets one of the three national objectives as contained in its certification. Criteria for determining whether an activity addresses one or more of these objectives are found in § 570.208.

(3) **Compliance with the primary objective.** The primary objective of the Act is described in section 101(c) of the Act. Consistent with this objective, entitlement recipients, non-entitlement CDBG grantees in Hawaii, and recipients of insular area funds under section 106 of the Act must ensure that, over a period of time specified in their certification not to exceed three years, not less than 70 percent of the aggregate of CDBG fund expenditures shall be for activities meeting the criteria under § 570.208(a) or under § 570.208(d)(5) or (6) for benefiting low- and moderate-income persons. For grants under section 107 of the Act, insular area recipients must meet this requirement for each separate grant. See § 570.420(d)(3) for additional discussion of the primary objective requirement for insular areas funded under section 106 of the Act. The requirements for the HUD-administered Small Cities program in New York are at § 570.420(d)(2). In determining the percentage of funds expended for such activities:

(i) Cost of administration and planning eligible under § 570.205 and § 570.206 will be assumed to benefit low and moderate income persons in the same proportion as the remainder of the CDBG funds and, accordingly shall be excluded from the calculation;

(ii) Funds deducted by HUD for repayment of urban renewal temporary loans pursuant to § 570.802(b) shall be excluded;

(iii) Funds expended for the repayment of loans guaranteed under the provisions of subpart M of this part (including repayment of the portion of a loan used to pay any issuance, servicing, underwriting, or other costs as may be incurred under § 570.705(g)) shall also be excluded;

(iv) Funds expended for the acquisition, new construction or rehabilitation of property for housing that qualifies under § 570.208(a)(3) shall be counted for this purpose but shall be limited to an amount determined by multiplying the total cost (including CDBG and non-CDBG costs) of the acquisition, construction or rehabilitation by the percent of units in such housing to be occupied by low and moderate income persons.

(v) Funds expended for any other activities qualifying under § 570.208(a) shall be counted for this purpose in their entirety.

(4) ***Compliance with environmental review procedures.*** The environmental review procedures set forth at 24 CFR part 58 must be completed for each activity (or project as defined in 24 CFR part 58), as applicable.

(5) ***Cost principles.*** Costs incurred, whether charged on a direct or an indirect basis, must be in conformance with 2 CFR part 200, subpart E. All items of cost listed in 2 CFR part 200, subpart E, that require prior Federal agency approval are allowable without prior approval of HUD to the extent they comply with the general policies and principles stated in 2 CFR part 200, subpart E and are otherwise eligible under this subpart C, except for the following:

(i) Depreciation methods for fixed assets shall not be changed without the approval of the Federal cognizant agency.

(ii) Fines penalties, damages, and other settlements are unallowable costs to the CDBG program.

(iii) Costs of housing (*e.g.*, depreciation, maintenance, utilities, furnishings, rent), housing allowances and personal living expenses (goods or services for personal use) regardless of whether reported as taxable income to the employees (2 CFR 200.445);

(iv) Organization costs (2 CFR 200.455); and

(v) Pre-award costs are limited to those authorized under paragraph (h) of this section.

(b) ***Special policies governing facilities.*** The following special policies apply to:

(1) ***Facilities containing both eligible and ineligible uses.*** A public facility otherwise eligible for assistance under the CDBG program may be provided with CDBG funds even if it is part of a multiple use building containing ineligible uses, if:

(i) The facility which is otherwise eligible and proposed for assistance will occupy a designated and discrete area within the larger facility; and

(ii) The recipient can determine the costs attributable to the facility proposed for assistance as separate and distinct from the overall costs of the multiple-use building and/or facility.

Allowable costs are limited to those attributable to the eligible portion of the building or facility.

(2) ***Fees for use of facilities.*** Reasonable fees may be charged for the use of the facilities assisted with CDBG funds, but charges such as excessive membership fees, which will have the effect of precluding low and moderate income persons from using the facilities, are not permitted.

(c) ***Special assessments under the CDBG program.*** The following policies relate to special assessments under the CDBG program:

(1) ***Definition of special assessment.*** The term “special assessment” means the recovery of the capital costs of a public improvement, such as streets, water or sewer lines, curbs, and gutters, through a fee or charge levied or filed as a lien against a parcel of real estate as a direct result of benefit derived from the installation of a public improvement, or a one-time charge made as a condition of access to a public improvement. This term does not relate to taxes, or the establishment of the value of real estate for the purpose of levying real estate, property, or ad valorem taxes, and does not include periodic charges based on the use of a public improvement, such as water or sewer user charges, even if such charges include the recovery of all or some portion of the capital costs of the public improvement.

(2) ***Special assessments to recover capital costs.*** Where CDBG funds are used to pay all or part of the cost of a public improvement, special assessments may be imposed as follows:

(i) Special assessments to recover the CDBG funds may be made only against properties owned and occupied by persons not of low and moderate income. Such assessments constitute program income.

(ii) Special assessments to recover the non-CDBG portion may be made provided that CDBG funds are used to pay the special assessment in behalf of all properties owned and occupied by low and moderate income persons; except that CDBG funds need not be used to pay the special assessments in behalf of properties owned and occupied by moderate income persons if the grant recipient certifies that it does not have sufficient CDBG funds to pay the assessments in behalf of all of the low and moderate income owner-occupant persons. Funds collected through such special assessments are not program income.

(3) ***Public improvements not initially assisted with CDBG funds.*** The payment of special assessments with CDBG funds constitutes CDBG assistance to the public improvement. Therefore, CDBG funds may be used to pay special assessments provided:

(i) The installation of the public improvements was carried out in compliance with requirements applicable to activities assisted under this part including environmental, citizen participation and Davis-Bacon requirements;

(ii) The installation of the public improvement meets a criterion for national objectives in § 570.208(a)(1), (b), or (c); and

(iii) The requirements of § 570.200(c)(2)(ii) are met.

(d) **Consultant activities.** Consulting services are eligible for assistance under this part for professional assistance in program planning, development of community development objectives, and other general professional guidance relating to program execution. The use of consultants is governed by the following:

(1) **Employer-employee type of relationship.** No person providing consultant services in an employer-employee type of relationship shall receive more than a reasonable rate of compensation for personal services paid with CDBG funds. In no event, however, shall such compensation exceed the equivalent of the daily rate paid for Level IV of the Executive Schedule. Such services shall be evidenced by written agreements between the parties which detail the responsibilities, standards, and compensation.

(2) **Independent contractor relationship.** Consultant services provided under an independent contractor relationship are governed by the procurement requirements in 2 CFR part 200, subpart D, and are not subject to the compensation limitation of Level IV of the Executive Schedule.

(e) **Recipient determinations required as a condition of eligibility.** In several instances under this subpart, the eligibility of an activity depends on a special local determination. Recipients shall maintain documentation of all such determinations. A written determination is required for any activity carried out under the authority of §§ 570.201(f), 570.201(i)(2), 570.201(p), 570.201(q), 570.202(b)(3), 570.206(f), 570.209, 570.210, and 570.309.

(f) **Means of carrying out eligible activities.**

(1) Activities eligible under this subpart, other than those authorized under § 570.204(a), may be undertaken, subject to local law:

(i) By the recipient through:

(A) Its employees, or

(B) Procurement contracts governed by the requirements of 2 CFR part 200, subpart D; or

(ii) Through loans or grants under agreements with subrecipients, as defined at § 570.500(c); or

(iii) By one or more public agencies, including existing local public agencies, that are designated by the chief executive officer of the recipient.

(2) Activities made eligible under § 570.204(a) may only be undertaken by entities specified in that section.

(g) **Limitation on planning and administrative costs** —

(1) **Origin year grant expenditure test.** For origin year 2015 grants and subsequent grants, no more than 20 percent of any origin year grant shall be expended for planning and program administrative costs, as defined in §§ 570.205 and 570.206, respectively. Expenditures of

program income for planning and program administrative costs are excluded from this calculation.

(2) **Program year obligation test.** For all grants and recipients subject to subpart D, the amount of CDBG funds obligated during each program year for planning plus administrative costs, as defined in §§ 570.205 and 570.206, respectively, shall be limited to an amount no greater than 20 percent of the sum of the grant made for that program year (if any) plus the program income received by the recipient and its subrecipients (if any) during that program year. For origin year 2015 grants and subsequent grants, recipients must apply this test consistent with paragraph (g)(1) of this section.

(3) Funds from a grant of any origin year may be used to pay planning and program administrative costs associated with any grant of any origin year.

(h) **Reimbursement for pre-award costs.** The effective date of the grant agreement is the program year start date or the date that the consolidated plan is received by HUD, whichever is later. For a Section 108 loan guarantee, the effective date of the grant agreement is the date of HUD execution of the grant agreement amendment for the particular loan guarantee commitment.

(1) Prior to the effective date of the grant agreement, a recipient may incur costs or may authorize a subrecipient to incur costs, and then after the effective date of the grant agreement pay for those costs using its CDBG funds, provided that:

(i) The activity for which the costs are being incurred is included, prior to the costs being incurred, in a consolidated plan action plan, an amended consolidated plan action plan, or an application under subpart M of this part, except that a new entitlement grantee preparing to receive its first allocation of CDBG funds may incur costs necessary to develop its consolidated plan and undertake other administrative actions necessary to receive its first grant, prior to the costs being included in its consolidated plan;

(ii) Citizens are advised of the extent to which these pre-award costs will affect future grants;

(iii) The costs and activities funded are in compliance with the requirements of this part and with the Environmental Review Procedures stated in 24 CFR part 58;

(iv) The activity for which payment is being made complies with the statutory and regulatory provisions in effect at the time the costs are paid for with CDBG funds;

(v) CDBG payment will be made during a time no longer than the next two program years following the effective date of the grant agreement or amendment in which the activity is first included; and

(vi) The total amount of pre-award costs to be paid during any program year pursuant to this provision is no more than the greater of 25 percent of the amount of the grant made for that year or \$300,000.

(2) Upon the written request of the recipient, HUD may authorize payment of pre-award costs for activities that do not meet the criteria at paragraph (h)(1)(v) or (h)(1)(vi) of this section, if HUD determines, in writing, that there is good cause for granting an exception upon consideration of the following factors, as applicable:

(i) Whether granting the authority would result in a significant contribution to the goals and purposes of the CDBG program;

(ii) Whether failure to grant the authority would result in undue hardship to the recipient or beneficiaries of the activity;

(iii) Whether granting the authority would not result in a violation of a statutory provision or any other regulatory provision;

(iv) Whether circumstances are clearly beyond the recipient's control; or

(v) Any other relevant considerations.

(i) ***Urban Development Action Grant.*** Grant assistance may be provided with Urban Development Action Grant funds, subject to the provisions of subpart G, for:

(1) Activities eligible for assistance under this subpart; and

(2) Notwithstanding the provisions of § 570.207, such other activities as the Secretary may determine to be consistent with the purposes of the Urban Development Action Grant program.

(j) ***Equal participation of faith-based organizations.*** The HUD program requirements in § 5.109 of this title apply to the CDBG program, including the requirements regarding disposition and change in use of real property by a faith-based organization.

(k) Any unexpended CDBG origin year grant funds in the United States Treasury account on September 30 of the fifth Federal fiscal year after the end of the origin year grant's period of availability for obligation by HUD will be canceled. HUD may require an earlier expenditure and draw down deadline under a grant agreement.

**§ 570.201 Basic eligible activities.**

CDBG funds may be used for the following activities:

(a) **Acquisition.** Acquisition in whole or in part by the recipient, or other public or private nonprofit entity, by purchase, long-term lease, donation, or otherwise, of real property (including air rights, water rights, rights-of-way, easements, and other interests therein) for any public purpose, subject to the limitations of § 570.207.

(b) **Disposition.** Disposition, through sale, lease, donation, or otherwise, of any real property acquired with CDBG funds or its retention for public purposes, including reasonable costs of temporarily managing such property or property acquired under urban renewal, provided that the proceeds from any such disposition shall be program income subject to the requirements set forth in § 570.504.

(c) **Public facilities and improvements.** Acquisition, construction, reconstruction, rehabilitation or installation of public facilities and improvements, except as provided in § 570.207(a), carried out by the recipient or other public or private nonprofit entities. (However, activities under this paragraph may be directed to the removal of material and architectural barriers that restrict the mobility and accessibility of elderly or severely disabled persons to public facilities and improvements, including those provided for in § 570.207(a)(1).) In undertaking such activities, design features and improvements which promote energy efficiency may be included. Such activities may also include the execution of architectural design features, and similar treatments intended to enhance the aesthetic quality of facilities and improvements receiving CDBG assistance, such as decorative pavements, railings, sculptures, pools of water and fountains, and other works of art. Facilities designed for use in providing shelter for persons having special needs are considered public facilities and not subject to the prohibition of new housing construction described in § 570.207(b)(3). Such facilities include shelters for the homeless; convalescent homes; hospitals, nursing homes; battered spouse shelters; halfway houses for run-away children, drug offenders or parolees; group homes for mentally retarded persons and temporary housing for disaster victims. In certain cases, nonprofit entities and subrecipients including those specified in § 570.204 may acquire title to public facilities. When such facilities are owned by nonprofit entities or subrecipients, they shall be operated so as to be open for use by the general public during all normal hours of operation. Public facilities and improvements eligible for assistance under this paragraph are subject to the policies in § 570.200(b).

(d) **Clearance and remediation activities.** Clearance, demolition, and removal of buildings and improvements, including movement of structures to other sites and remediation of known or suspected environmental contamination. Demolition of HUD-assisted or HUD-owned housing units may be undertaken only with the prior approval of HUD. Remediation may include project-specific environmental assessment costs not otherwise eligible under § 570.205.

(e) **Public services.** Provision of public services (including labor, supplies, and materials) including but not limited to those concerned with employment, crime prevention, child care, health, drug abuse, education, fair housing counseling, energy conservation, welfare (but

excluding the provision of income payments identified under § 570.207(b)(4)), homebuyer downpayment assistance, or recreational needs. If housing counseling, as defined in 24 CFR 5.100, is provided, it must be carried out in accordance with 24 CFR 5.111. To be eligible for CDBG assistance, a public service must be either a new service or a quantifiable increase in the level of an existing service above that which has been provided by or on behalf of the unit of general local government (through funds raised by the unit or received by the unit from the State in which it is located) in the 12 calendar months before the submission of the action plan. (An exception to this requirement may be made if HUD determines that any decrease in the level of a service was the result of events not within the control of the unit of general local government.) The amount of CDBG funds used for public services shall not exceed paragraphs (e) (1) or (2) of this section, as applicable:

(1) The amount of CDBG funds used for public services shall not exceed 15 percent of each grant, except that for entitlement grants made under subpart D of this part, nonentitlement CDBG grants in Hawaii, and for recipients of insular area funds under section 106 of the Act, the amount shall not exceed 15 percent of the grant plus 15 percent of program income, as defined in § 570.500(a). For entitlement grants under subpart D of this part, nonentitlement CDBG grants in Hawaii, and for recipients of insular area funds under section 106 of the Act, compliance is based on limiting the amount of CDBG funds obligated for public service activities in each program year to an amount no greater than 15 percent of the entitlement grant made for that program year plus 15 percent of the program income received during the grantee's immediately preceding program year.

(2) A recipient which obligated more CDBG funds for public services than 15 percent of its grant funded from origin year 1982 or 1983 appropriations (excluding program income and any assistance received under Public Law 98-8), may obligate more CDBG funds than allowable under paragraph (e)(1) of this section, so long as the total amount obligated in any program year does not exceed:

(i) For an entitlement grantee, 15% of the program income it received during the preceding program year; plus

(ii) A portion of the grant received for the program year which is the highest of the following amounts:

(A) The amount determined by applying the percentage of the grant it obligated for public services in the 1982 program year against the grant for its current program year;

(B) The amount determined by applying the percentage of the grant it obligated for public services in the 1983 program year against the grant for its current program year;

(C) The amount of funds it obligated for public services in the 1982 program year; or,

(D) The amount of funds it obligated for public services in the 1983 program year.

(f) ***Interim assistance.***

(1) The following activities may be undertaken on an interim basis in areas exhibiting objectively determinable signs of physical deterioration where the recipient has determined that immediate action is necessary to arrest the deterioration and that permanent improvements will be carried out as soon as practicable:

(i) The repairing of streets, sidewalks, parks, playgrounds, publicly owned utilities, and public buildings; and

(ii) The execution of special garbage, trash, and debris removal, including neighborhood cleanup campaigns, but not the regular curbside collection of garbage or trash in an area.

(2) In order to alleviate emergency conditions threatening the public health and safety in areas where the chief executive officer of the recipient determines that such an emergency condition exists and requires immediate resolution, CDBG funds may be used for:

(i) The activities specified in paragraph (f)(1) of this section, except for the repair of parks and playgrounds;

(ii) The clearance of streets, including snow removal and similar activities, and

(iii) The improvement of private properties.

(3) All activities authorized under paragraph (f)(2) of this section are limited to the extent necessary to alleviate emergency conditions.

(g) ***Payment of non-Federal share.*** Payment of the non-Federal share required in connection with a Federal grant-in-aid program undertaken as part of CDBG activities, provided, that such payment shall be limited to activities otherwise eligible and in compliance with applicable requirements under this subpart.

(h) ***Urban renewal completion.*** Payment of the cost of completing an urban renewal project funded under title I of the Housing Act of 1949 as amended. Further information regarding the eligibility of such costs is set forth in § 570.801.

(i) ***Relocation.*** Relocation payments and other assistance for permanently and temporarily relocated individuals families, businesses, nonprofit organizations, and farm operations where the assistance is

(1) required under the provisions of § 570.606 (b) or (c); or

(2) determined by the grantee to be appropriate under the provisions of § 570.606(d).

(j) ***Loss of rental income.*** Payments to housing owners for losses of rental income incurred in holding, for temporary periods, housing units to be used for the relocation of individuals and families displaced by program activities assisted under this part.

(k) **Housing services.** Housing services, as provided in section 105(a)(21) of the Act (42 U.S.C. 5305(a)(21)). If housing counseling, as defined in 24 CFR 5.100, is provided, it must be carried out in accordance with 24 CFR 5.111.

(l) **Privately owned utilities.** CDBG funds may be used to acquire, construct, reconstruct, rehabilitate, or install the distribution lines and facilities of privately owned utilities, including the placing underground of new or existing distribution facilities and lines.

(m) **Construction of housing.** CDBG funds may be used for the construction of housing assisted under section 17 of the United States Housing Act of 1937.

(n) **Homeownership assistance.** CDBG funds may be used to provide direct homeownership assistance to low- or moderate-income households in accordance with section 105(a) of the Act.

(o)

(1) The provision of assistance either through the recipient directly or through public and private organizations, agencies, and other subrecipients (including nonprofit and for-profit subrecipients) to facilitate economic development by:

(i) Providing credit, including, but not limited to, grants, loans, loan guarantees, and other forms of financial support, for the establishment, stabilization, and expansion of microenterprises;

(ii) Providing technical assistance, advice, and business support services to owners of microenterprises and persons developing microenterprises; and

(iii) Providing general support, including, but not limited to, peer support programs, counseling, child care, transportation, and other similar services, to owners of microenterprises and persons developing microenterprises.

(2) Services provided this paragraph (o) shall not be subject to the restrictions on public services contained in paragraph (e) of this section.

(3) For purposes of this paragraph (o), “persons developing microenterprises” means such persons who have expressed interest and who are, or after an initial screening process are expected to be, actively working toward developing businesses, each of which is expected to be a microenterprise at the time it is formed.

(4) Assistance under this paragraph (o) may also include training, technical assistance, or other support services to increase the capacity of the recipient or subrecipient to carry out the activities under this paragraph (o).

(p) **Technical assistance.** Provision of technical assistance to public or nonprofit entities to increase the capacity of such entities to carry out eligible neighborhood revitalization or economic development activities. (The recipient must determine, prior to the provision of the assistance, that the activity for which it is attempting to build capacity would be eligible for

assistance under this subpart C, and that the national objective claimed by the grantee for this assistance can reasonably be expected to be met once the entity has received the technical assistance and undertakes the activity.) Capacity building for private or public entities (including grantees) for other purposes may be eligible under § 570.205.

(q) ***Assistance to institutions of higher education.*** Provision of assistance by the recipient to institutions of higher education when the grantee determines that such an institution has demonstrated a capacity to carry out eligible activities under this subpart C.

### **§ 570.202 Eligible rehabilitation and preservation activities.**

(a) ***Types of buildings and improvements eligible for rehabilitation assistance.*** CDBG funds may be used to finance the rehabilitation of:

(1) Privately owned buildings and improvements for residential purposes; improvements to a single-family residential property which is also used as a place of business, which are required in order to operate the business, need not be considered to be rehabilitation of a commercial or industrial building, if the improvements also provide general benefit to the residential occupants of the building;

(2) Low-income public housing and other publicly owned residential buildings and improvements;

(3) Publicly or privately owned commercial or industrial buildings, except that the rehabilitation of such buildings owned by a private for-profit business is limited to improvement to the exterior of the building, abatement of asbestos hazards, lead-based paint hazard evaluation and reduction, and the correction of code violations;

(4) Nonprofit-owned nonresidential buildings and improvements not eligible under § 570.201(c); and

(5) Manufactured housing when such housing constitutes part of the community's permanent housing stock.

(b) ***Types of assistance.*** CDBG funds may be used to finance the following types of rehabilitation activities, and related costs, either singly, or in combination, through the use of grants, loans, loan guarantees, interest supplements, or other means for buildings and improvements described in paragraph (a) of this section, except that rehabilitation of commercial or industrial buildings is limited as described in paragraph (a)(3) of this section.

- (1) Assistance to private individuals and entities, including profit making and nonprofit organizations, to acquire for the purpose of rehabilitation, and to rehabilitate properties, for use or resale for residential purposes;
- (2) Labor, materials, and other costs of rehabilitation of properties, including repair directed toward an accumulation of deferred maintenance, replacement of principal fixtures and components of existing structures, installation of security devices, including smoke detectors and dead bolt locks, and renovation through alterations, additions to, or enhancement of existing structures and improvements, abatement of asbestos hazards (and other contaminants) in buildings and improvements that may be undertaken singly, or in combination;
- (3) Loans for refinancing existing indebtedness secured by a property being rehabilitated with CDBG funds if such financing is determined by the recipient to be necessary or appropriate to achieve the locality's community development objectives;
- (4) Improvements to increase the efficient use of energy in structures through such means as installation of storm windows and doors, siding, wall and attic insulation, and conversion, modification, or replacement of heating and cooling equipment, including the use of solar energy equipment;
- (5) Improvements to increase the efficient use of water through such means as water savings faucets and shower heads and repair of water leaks;
- (6) Connection of residential structures to water distribution lines or local sewer collection lines;
- (7) For rehabilitation carried out with CDBG funds, costs of:
  - (i) Initial homeowner warranty premiums;
  - (ii) Hazard insurance premiums, except where assistance is provided in the form of a grant; and
  - (iii) Flood insurance premiums for properties covered by the Flood Disaster Protection Act of 1973, pursuant to § 570.605.
- (8) Costs of acquiring tools to be lent to owners, tenants, and others who will use such tools to carry out rehabilitation;
- (9) Rehabilitation services, such as rehabilitation counseling, energy auditing, preparation of work specifications, loan processing, inspections, and other services related to assisting owners, tenants, contractors, and other entities, participating or seeking to participate in rehabilitation activities authorized under this section, under section 312 of the Housing Act of 1964, as amended, under section 810 of the Act, or under section 17 of the United States Housing Act of 1937;
- (10) Assistance for the rehabilitation of housing under section 17 of the United States Housing Act of 1937; and

(11) Improvements designed to remove material and architectural barriers that restrict the mobility and accessibility of elderly or severely disabled persons to buildings and improvements eligible for assistance under paragraph (a) of this section.

(c) **Code enforcement.** Costs incurred for inspection for code violations and enforcement of codes (e.g., salaries and related expenses of code enforcement inspectors and legal proceedings, but not including the cost of correcting the violations) in deteriorating or deteriorated areas when such enforcement together with public or private improvements, rehabilitation, or services to be provided may be expected to arrest the decline of the area.

(d) **Historic preservation.** CDBG funds may be used for the rehabilitation, preservation or restoration of historic properties, whether publicly or privately owned. Historic properties are those sites or structures that are either listed in or eligible to be listed in the National Register of Historic Places, listed in a State or local inventory of historic places, or designated as a State or local landmark or historic district by appropriate law or ordinance. Historic preservation, however, is not authorized for buildings for the general conduct of government.

(e) **Renovation of closed buildings.** CDBG funds may be used to renovate closed buildings, such as closed school buildings, for use as an eligible public facility or to rehabilitate such buildings for housing.

(f) **Lead-based paint activities.** Lead-based paint activities pursuant to § 570.608.

(g) **Broadband infrastructure.** Any substantial rehabilitation, as substantial rehabilitation is defined by 24 CFR 5.100, of a building with more than 4 rental units, for which CDBG funds are first obligated by the recipient on or after April 19, 2017, must include installation of broadband infrastructure, as this term is also defined in 24 CFR 5.100, except where the recipient determines and, in accordance with § 570.506, documents the determination that:

(1) The location of the substantial rehabilitation makes installation of broadband infrastructure infeasible;

(2) The cost of installing broadband infrastructure would result in a fundamental alteration in the nature of its program or activity or in an undue financial burden; or

(3) The structure of the housing to be substantially rehabilitated makes installation of broadband infrastructure infeasible.

### **§ 570.203 Special economic development activities.**

A recipient may use CDBG funds for special economic development activities in addition to other activities authorized in this subpart that may be carried out as part of an economic

development project. Guidelines for selecting activities to assist under this paragraph are provided at § 570.209. The recipient must ensure that the appropriate level of public benefit will be derived pursuant to those guidelines before obligating funds under this authority. Special activities authorized under this section do not include assistance for the construction of new housing. Activities eligible under this section may include costs associated with project-specific assessment or remediation of known or suspected environmental contamination. Special economic development activities include:

(a) The acquisition, construction, reconstruction, rehabilitation or installation of commercial or industrial buildings, structures, and other real property equipment and improvements, including railroad spurs or similar extensions. Such activities may be carried out by the recipient or public or private nonprofit subrecipients.

(b) The provision of assistance to a private for-profit business, including, but not limited to, grants, loans, loan guarantees, interest supplements, technical assistance, and other forms of support, for any activity where the assistance is appropriate to carry out an economic development project, excluding those described as ineligible in § 570.207(a). In selecting businesses to assist under this authority, the recipient shall minimize, to the extent practicable, displacement of existing businesses and jobs in neighborhoods.

(c) Economic development services in connection with activities eligible under this section, including, but not limited to, outreach efforts to market available forms of assistance; screening of applicants; reviewing and underwriting applications for assistance; preparation of all necessary agreements; management of assisted activities; and the screening, referral, and placement of applicants for employment opportunities generated by CDBG-eligible economic development activities, including the costs of providing necessary training for persons filling those positions.

[53 FR 34439, Sept. 6, 1988, as amended at 60 FR 1944, Jan. 5, 1995; 71 FR 30035, May 24, 2006]

#### **§ 570.204 Special activities by Community-Based Development Organizations (CBDOs).**

(a) ***Eligible activities.*** The recipient may provide CDBG funds as grants or loans to any CBDO qualified under this section to carry out a neighborhood revitalization, community economic development, or energy conservation project. The funded project activities may include those listed as eligible under this subpart, and, except as described in paragraph (b) of this section, activities not otherwise listed as eligible under this subpart. For purposes of qualifying as a project under paragraphs (a)(1), (a)(2), and (a)(3) of this section, the funded activity or activities may be considered either alone or in concert with other project activities either being carried out or for which funding has been committed. For purposes of this section:

(1) Neighborhood revitalization project includes activities of sufficient size and scope to have an impact on the decline of a geographic location within the jurisdiction of a unit of general local

government (but not the entire jurisdiction) designated in comprehensive plans, ordinances, or other local documents as a neighborhood, village, or similar geographical designation; or the entire jurisdiction of a unit of general local government which is under 25,000 population;

(2) Community economic development project includes activities that increase economic opportunity, principally for persons of low- and moderate-income, or that stimulate or retain businesses or permanent jobs, including projects that include one or more such activities that are clearly needed to address a lack of affordable housing accessible to existing or planned jobs and those activities specified at 24 CFR 91.1(a)(1)(iii); activities under this paragraph may include costs associated with project-specific assessment or remediation of known or suspected environmental contamination;

(3) Energy conservation project includes activities that address energy conservation, principally for the benefit of the residents of the recipient's jurisdiction; and

(4) To carry out a project means that the CBDO undertakes the funded activities directly or through contract with an entity other than the grantee, or through the provision of financial assistance for activities in which it retains a direct and controlling involvement and responsibilities.

(5) Any new construction or substantial rehabilitation, as substantial rehabilitation is defined by 24 CFR 5.100, of a building with more than 4 rental units, for which CDBG funds are first obligated by the recipient on or after April 19, 2017, must include installation of broadband infrastructure, as this term is also defined in 24 CFR 5.100, except where the recipient determines and, in accordance with § 570.506, documents the determination that:

- (i) The location of the new construction or substantial rehabilitation makes installation of broadband infrastructure infeasible;
- (ii) The cost of installing broadband infrastructure would result in a fundamental alteration in the nature of its program or activity or in an undue financial burden; or
- (iii) The structure of the housing to be substantially rehabilitated makes installation of broadband infrastructure infeasible.

(b) ***Ineligible activities.*** Notwithstanding that CBDOs may carry out activities that are not otherwise eligible under this subpart, this section does not authorize:

- (1) Carrying out an activity described as ineligible in § 570.207(a);
- (2) Carrying out public services that do not meet the requirements of § 570.201(e), except that:
  - (i) Services carried out under this section that are specifically designed to increase economic opportunities through job training and placement and other employment support services, including, but not limited to, peer support programs, counseling, child care, transportation, and other similar services; and

(ii) Services of any type carried out under this section pursuant to a strategy approved by HUD under the provisions of 24 CFR 91.215(e) shall not be subject to the limitations in § 570.201(e)(1) or (2), as applicable;

(3) Providing assistance to activities that would otherwise be eligible under § 570.203 that do not meet the requirements of § 570.209; or

(4) Carrying out an activity that would otherwise be eligible under § 570.205 or § 570.206, but that would result in the recipient's exceeding the spending limitation in § 570.200(g).

**(c) *Eligible CBDOs.***

(1) A CBDO qualifying under this section is an organization which has the following characteristics:

(i) Is an association or corporation organized under State or local law to engage in community development activities (which may include housing and economic development activities) primarily within an identified geographic area of operation within the jurisdiction of the recipient, or in the case of an urban county, the jurisdiction of the county; and

(ii) Has as its primary purpose the improvement of the physical, economic or social environment of its geographic area of operation by addressing one or more critical problems of the area, with particular attention to the needs of persons of low and moderate income; and

(iii) May be either non-profit or for-profit, provided any monetary profits to its shareholders or members must be only incidental to its operations; and

(iv) Maintains at least 51 percent of its governing body's membership for low- and moderate-income residents of its geographic area of operation, owners or senior officers of private establishments and other institutions located in and serving its geographic area of operation, or representatives of low- and moderate-income neighborhood organizations located in its geographic area of operation; and

(v) Is not an agency or instrumentality of the recipient and does not permit more than one-third of the membership of its governing body to be appointed by, or to consist of, elected or other public officials or employees or officials of an ineligible entity (even though such persons may be otherwise qualified under paragraph (c)(1)(iv) of this section); and

(vi) Except as otherwise authorized in paragraph (c)(1)(v) of this section, requires the members of its governing body to be nominated and approved by the general membership of the organization, or by its permanent governing body; and

(vii) Is not subject to requirements under which its assets revert to the recipient upon dissolution; and

(viii) Is free to contract for goods and services from vendors of its own choosing.

(2) A CBDO that does not meet the criteria in paragraph (c)(1) of this section may also qualify as an eligible entity under this section if it meets one of the following requirements:

(i) Is an entity organized pursuant to section 301(d) of the Small Business Investment Act of 1958 (15 U.S.C. 681(d)), including those which are profit making; or

(ii) Is an SBA approved Section 501 State Development Company or Section 502 Local Development Company, or an SBA Certified Section 503 Company under the Small Business Investment Act of 1958, as amended; or

(iii) Is a Community Housing Development Organization (CHDO) under 24 CFR 92.2, designated as a CHDO by the HOME Investment Partnerships program participating jurisdiction, with a geographic area of operation of no more than one neighborhood, and has received HOME funds under 24 CFR 92.300 or is expected to receive HOME funds as described in and documented in accordance with 24 CFR 92.300(e).

(3) A CBDO that does not qualify under paragraph (c)(1) or (2) of this section may also be determined to qualify as an eligible entity under this section if the recipient demonstrates to the satisfaction of HUD, through the provision of information regarding the organization's charter and by-laws, that the organization is sufficiently similar in purpose, function, and scope to those entities qualifying under paragraph (c)(1) or (2) of this section.

**§ 570.205 Eligible planning, urban environmental design and policy-planning-management-capacity building activities.**

(a) Planning activities which consist of all costs of data gathering, studies, analysis, and preparation of plans and the identification of actions that will implement such plans, including, but not limited to:

(1) Comprehensive plans;

(2) Community development plans;

(3) Functional plans, in areas such as:

(i) Housing, including the development of a consolidated plan;

(ii) Land use and urban environmental design;

(iii) Economic development;

(iv) Open space and recreation;

(v) Energy use and conservation;

(vi) Floodplain and wetlands management in accordance with the requirements of Executive Orders 11988 and 11990;

(vii) Transportation;

(viii) Utilities; and

(ix) Historic preservation.

(4) Other plans and studies such as:

(i) Small area and neighborhood plans;

(ii) Capital improvements programs;

(iii) Individual project plans (but excluding engineering and design costs related to a specific activity which are eligible as part of the cost of such activity under §§ 570.201-570.204);

(iv) The reasonable costs of general environmental, urban environmental design and historic preservation studies; and general environmental assessment- and remediation-oriented planning related to properties with known or suspected environmental contamination. However, costs necessary to comply with 24 CFR part 58, including project specific environmental assessments and clearances for activities eligible for assistance under this part, are eligible as part of the cost of such activities under §§ 570.201-570.204. Costs for such specific assessments and clearances may also be incurred under this paragraph but would then be considered planning costs for the purposes of § 570.200(g);

(v) Strategies and action programs to implement plans, including the development of codes, ordinances and regulations;

(vi) Support of clearinghouse functions, such as those specified in Executive Order 12372; and

(vii) Developing an inventory of properties with known or suspected environmental contamination.

(5) [Reserved]

(6) Policy—planning—management—capacity building activities which will enable the recipient to:

(1) Determine its needs;

(2) Set long-term goals and short-term objectives, including those related to urban environmental design;

(3) Devise programs and activities to meet these goals and objectives;

(4) Evaluate the progress of such programs and activities in accomplishing these goals and objectives; and

(5) Carry out management, coordination and monitoring of activities necessary for effective planning implementation, but excluding the costs necessary to implement such plans.

#### **§ 570.206 Program administrative costs.**

Payment of reasonable program administrative costs and carrying charges related to the planning and execution of community development activities assisted in whole or in part with funds provided under this part and, where applicable, housing activities (described in paragraph (g) of this section) covered in the recipient's housing assistance plan. This does not include staff and overhead costs directly related to carrying out activities eligible under § 570.201 through § 570.204, since those costs are eligible as part of such activities.

(a) ***General management, oversight and coordination.*** Reasonable costs of overall program management, coordination, monitoring, and evaluation. Such costs include, but are not necessarily limited to, necessary expenditures for the following:

(1) Salaries, wages, and related costs of the recipient's staff, the staff of local public agencies, or other staff engaged in program administration. In charging costs to this category the recipient may either include the entire salary, wages, and related costs allocable to the program of each person whose *primary* responsibilities with regard to the program involve program administration assignments, or the pro rata share of the salary, wages, and related costs of each person whose job includes *any* program administration assignments. The recipient may use only one of these methods during the program year. Program administration includes the following types of assignments:

(i) Providing local officials and citizens with information about the program;

(ii) Preparing program budgets and schedules, and amendments thereto;

(iii) Developing systems for assuring compliance with program requirements;

(iv) Developing interagency agreements and agreements with subrecipients and contractors to carry out program activities;

(v) Monitoring program activities for progress and compliance with program requirements;

(vi) Preparing reports and other documents related to the program for submission to HUD;

(vii) Coordinating the resolution of audit and monitoring findings;

(viii) Evaluating program results against stated objectives; and

(ix) Managing or supervising persons whose primary responsibilities with regard to the program include such assignments as those described in paragraph (a)(1)(i) through (viii) of this section.

- (2) Travel costs incurred for official business in carrying out the program;
  - (3) Administrative services performed under third party contracts or agreements, including such services as general legal services, accounting services, and audit services; and
  - (4) Other costs for goods and services required for administration of the program, including such goods and services as rental or purchase of equipment, insurance, utilities, office supplies, and rental and maintenance (but not purchase) of office space.
- (b) **Public information.** The provisions of information and other resources to residents and citizen organizations participating in the planning, implementation, or assessment of activities being assisted with CDBG funds.
- (c) **Fair housing activities.** Provision of fair housing services designed to further the fair housing objectives of the Fair Housing Act (42 U.S.C. 3601-20) by making all persons, without regard to race, color, religion, sex, national origin, familial status or handicap, aware of the range of housing opportunities available to them; other fair housing enforcement, education, and outreach activities; and other activities designed to further the housing objective of avoiding undue concentrations of assisted persons in areas containing a high proportion of low and moderate income persons.
- (d) [Reserved]
- (e) **Indirect costs.** Indirect costs may be charged to the CDBG program under a cost allocation plan prepared in accordance with 2 CFR part 200, subpart E.
- (f) **Submission of applications for federal programs.** Preparation of documents required for submission to HUD to receive funds under the CDBG and UDAG programs. In addition, CDBG funds may be used to prepare applications for other Federal programs where the recipient determines that such activities are necessary or appropriate to achieve its community development objectives.
- (g) **Administrative expenses to facilitate housing.** CDBG funds may be used for necessary administrative expenses in planning or obtaining financing for housing as follows: for entitlement recipients, assistance authorized by this paragraph is limited to units which are identified in the recipient's HUD approved housing assistance plan; for HUD-administered small cities recipients, assistance authorized by the paragraph is limited to facilitating the purchase or occupancy of existing units which are to be occupied by low and moderate income households, or the construction of rental or owner units where at least 20 percent of the units in each project will be occupied at affordable rents/costs by low and moderate income persons. Examples of eligible actions are as follows:
- (1) The cost of conducting preliminary surveys and analysis of market needs;

- (2) Site and utility plans, narrative descriptions of the proposed construction, preliminary cost estimates, urban design documentation, and “sketch drawings,” but excluding architectural, engineering, and other details ordinarily required for construction purposes, such as structural, electrical, plumbing, and mechanical details;
- (3) Reasonable costs associated with development of applications for mortgage and insured loan commitments, including commitment fees, and of applications and proposals under the Section 8 Housing Assistance Payments Program pursuant to 24 CFR parts 880-883;
- (4) Fees associated with processing of applications for mortgage or insured loan commitments under programs including those administered by HUD, Farmers Home Administration (FmHA), Federal National Mortgage Association (FNMA), and the Government National Mortgage Association (GNMA);
- (5) The cost of issuance and administration of mortgage revenue bonds used to finance the acquisition, rehabilitation or construction of housing, but excluding costs associated with the payment or guarantee of the principal or interest on such bonds; and
- (6) Special outreach activities which result in greater landlord participation in Section 8 Housing Assistance Payments Program-Existing Housing or similar programs for low and moderate income persons.
- (h) ***Section 17 of the United States Housing Act of 1937.*** Reasonable costs equivalent to those described in paragraphs (a), (b), (e) and (f) of this section for overall program management of the Rental Rehabilitation and Housing Development programs authorized under section 17 of the United States Housing Act of 1937, whether or not such activities are otherwise assisted with funds provided under this part.
- (i) Whether or not such activities are otherwise assisted by funds provided under this part, reasonable costs equivalent to those described in paragraphs (a), (b), (e), and (f) of this section for overall program management of:
- (1) A Federally designated Empowerment Zone or Enterprise Community; and
- (2) The HOME program under title II of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12701 note).

**§ 570.207 Ineligible activities.**

The general rule is that any activity that is not authorized under the provisions of §§ 570.201-570.206 is ineligible to be assisted with CDBG funds. This section identifies specific activities

that are ineligible and provides guidance in determining the eligibility of other activities frequently associated with housing and community development.

(a) The following activities may not be assisted with CDBG funds:

(1) ***Buildings or portions thereof, used for the general conduct of government*** as defined at § 570.3(d) cannot be assisted with CDBG funds. This does not include, however, the removal of architectural barriers under § 570.201(c) involving any such building. Also, where acquisition of real property includes an existing improvement which is to be used in the provision of a building for the general conduct of government, the portion of the acquisition cost attributable to the land is eligible, provided such acquisition meets a national objective described in § 570.208.

(2) ***General government expenses***. Except as otherwise specifically authorized in this subpart or under 2 CFR part 200, subpart E, expenses required to carry out the regular responsibilities of the unit of general local government are not eligible for assistance under this part.

(3) ***Political activities***. CDBG funds shall not be used to finance the use of facilities or equipment for political purposes or to engage in other partisan political activities, such as candidate forums, voter transportation, or voter registration. However, a facility originally assisted with CDBG funds may be used on an incidental basis to hold political meetings, candidate forums, or voter registration campaigns, provided that all parties and organizations have access to the facility on an equal basis, and are assessed equal rent or use charges, if any.

(b) The following activities may not be assisted with CDBG funds unless authorized under provisions of § 570.203 or as otherwise specifically noted herein or when carried out by an entity under the provisions of § 570.204.

(1) ***Purchase of equipment***. The purchase of equipment with CDBG funds is generally ineligible.

(i) ***Construction equipment***. The purchase of construction equipment is ineligible, but compensation for the use of such equipment through leasing or depreciation pursuant to 2 CFR part 200, subpart E, as applicable for an otherwise eligible activity is an eligible use of CDBG funds. However, the purchase of construction equipment for use as part of a solid waste disposal facility is eligible under § 570.201(c).

(ii) ***Fire protection equipment***. Fire protection equipment is considered for this purpose to be an integral part of a public facility and thus, purchase of such equipment would be eligible under § 570.201(c).

(iii) ***Furnishings and personal property***. The purchase of equipment, fixtures, motor vehicles, furnishings, or other personal property not an integral structural fixture is generally ineligible. CDBG funds may be used, however, to purchase or to pay depreciation in accordance with 2 CFR part 200, subpart E, for such items when necessary for use by a recipient or its subrecipients

in the administration of activities assisted with CDBG funds, or when eligible as fire fighting equipment, or when such items constitute all or part of a public service pursuant to § 570.201(e).

(2) ***Operating and maintenance expenses.*** The general rule is that any expense associated with repairing, operating or maintaining public facilities, improvements and services is ineligible. Specific exceptions to this general rule are operating and maintenance expenses associated with public service activities, interim assistance, and office space for program staff employed in carrying out the CDBG program. For example, the use of CDBG funds to pay the allocable costs of operating and maintaining a facility used in providing a public service would be eligible under § 570.201(e), even if no other costs of providing such a service are assisted with such funds.

Examples of ineligible operating and maintenance expenses are:

(i) Maintenance and repair of publicly owned streets, parks, playgrounds, water and sewer facilities, neighborhood facilities, senior centers, centers for persons with a disabilities, parking and other public facilities and improvements. Examples of maintenance and repair activities for which CDBG funds may not be used include the filling of pot holes in streets, repairing of cracks in sidewalks, the mowing of recreational areas, and the replacement of expended street light bulbs; and

(ii) Payment of salaries for staff, utility costs and similar expenses necessary for the operation of public works and facilities.

(3) ***New housing construction.*** For the purpose of this paragraph, activities in support of the development of low or moderate income housing including clearance, site assemblage, provision of site improvements and provision of public improvements and certain housing pre-construction costs set forth in § 570.206(g), are not considered as activities to subsidize or assist new residential construction. CDBG funds may not be used for the construction of new permanent residential structures or for any program to subsidize or assist such new construction, except:

(i) As provided under the last resort housing provisions set forth in 24 CFR part 42;

(ii) As authorized under § 570.201(m) or (n);

(iii) When carried out by an entity pursuant to § 570.204(a);

(4) ***Income payments.*** The general rule is that CDBG funds may not be used for income payments. For purposes of the CDBG program, “income payments” means a series of subsistence-type grant payments made to an individual or family for items such as food, clothing, housing (rent or mortgage), or utilities, but excludes emergency grant payments made over a period of up to three consecutive months to the provider of such items or services on behalf of an individual or family.

## § 570.208 Criteria for national objectives.

The following criteria shall be used to determine whether a CDBG-assisted activity complies with one or more of the national objectives as required under § 570.200(a)(2):

(a) ***Activities benefiting low- and moderate-income persons.*** Activities meeting the criteria in paragraph (a) (1), (2), (3), or (4) of this section as applicable, will be considered to benefit low and moderate income persons unless there is substantial evidence to the contrary. In assessing any such evidence, the full range of direct effects of the assisted activity will be considered. (The recipient shall appropriately ensure that activities that meet these criteria do not benefit moderate income persons to the exclusion of low income persons.)

### (1) ***Area benefit activities.***

(i) An activity, the benefits of which are available to all the residents in a particular area, where at least 51 percent of the residents are low and moderate income persons. Such an area need not be coterminous with census tracts or other officially recognized boundaries but must be the entire area served by the activity. An activity that serves an area that is not primarily residential in character shall not qualify under this criterion.

(ii) For metropolitan cities and urban counties, an activity that would otherwise qualify under § 570.208(a)(1)(i), except that the area served contains less than 51 percent low- and moderate-income residents, will also be considered to meet the objective of benefiting low- and moderate-income persons where the proportion of such persons in the area is within the highest quartile of all areas in the recipient's jurisdiction in terms of the degree of concentration of such persons. This exception is inapplicable to non-entitlement CDBG grants in Hawaii. In applying this exception, HUD will determine the lowest proportion a recipient may use to qualify an area for this purpose, as follows:

(A) All census block groups in the recipient's jurisdiction shall be rank ordered from the block group of highest proportion of low and moderate income persons to the block group with the lowest. For urban counties, the rank ordering shall cover the entire area constituting the urban county and shall not be done separately for each participating unit of general local government.

(B) In any case where the total number of a recipient's block groups does not divide evenly by four, the block group which would be fractionally divided between the highest and second quartiles shall be considered to be part of the highest quartile.

(C) The proportion of low and moderate income persons in the last census block group in the highest quartile shall be identified. Any service area located within the recipient's jurisdiction and having a proportion of low and moderate income persons at or above this level shall be considered to be within the highest quartile.

(D) If block group data are not available for the entire jurisdiction, other data acceptable to the Secretary may be used in the above calculations.

(iii) An activity to develop, establish, and operate for up to two years after the establishment of, a uniform emergency telephone number system serving an area having less than the percentage of low- and moderate-income residents required under paragraph (a)(1)(i) of this section or (as applicable) paragraph (a)(1)(ii) of this section, provided the recipient obtains prior HUD approval. To obtain such approval, the recipient must:

(A) Demonstrate that the system will contribute significantly to the safety of the residents of the area. The request for approval must include a list of the emergency services that will participate in the emergency telephone number system;

(B) Submit information that serves as a basis for HUD to determine whether at least 51 percent of the use of the system will be by low- and moderate-income persons. As available, the recipient must provide information that identifies the total number of calls actually received over the preceding 12-month period for each of the emergency services to be covered by the emergency telephone number system and relates those calls to the geographic segment (expressed as nearly as possible in terms of census tracts, block numbering areas, block groups, or combinations thereof that are contained within the segment) of the service area from which the calls were generated. In analyzing this data to meet the requirements of this section, HUD will assume that the distribution of income among the callers generally reflects the income characteristics of the general population residing in the same geographic area where the callers reside. If HUD can conclude that the users have primarily consisted of low- and moderate-income persons, no further submission is needed by the recipient. If a recipient plans to make other submissions for this purpose, it may request that HUD review its planned methodology before expending the effort to acquire the information it expects to use to make its case;

(C) Demonstrate that other Federal funds received by the recipient are insufficient or unavailable for a uniform emergency telephone number system. For this purpose, the recipient must submit a statement explaining whether the lack of funds is due to the insufficiency of the amount of the available funds, restrictions on the use of such funds, or the prior commitment of funds by the recipient for other purposes; and

(D) Demonstrate that the percentage of the total costs of the system paid for by CDBG funds does not exceed the percentage of low- and moderate-income persons in the service area of the system. For this purpose, the recipient must include a description of the boundaries of the service area of the emergency telephone number system, the census divisions that fall within the boundaries of the service area (census tracts or block numbering areas), the total number of persons and the total number of low- and moderate-income persons within each census division, the percentage of low- and moderate-income persons within the service area, and the total cost of the system.

(iv) An activity for which the assistance to a public improvement that provides benefits to all the residents of an area is limited to paying special assessments (as defined in § 570.200(c)) levied against residential properties owned and occupied by persons of low and moderate income.

(v) For purposes of determining qualification under this criterion, activities of the same type that serve different areas will be considered separately on the basis of their individual service area.

(vi) In determining whether there is a sufficiently large percentage of low- and moderate-income persons residing in the area served by an activity to qualify under paragraph (a)(1)(i), (ii), or (vii) of this section, the most recently available decennial census information must be used to the fullest extent feasible, together with the section 8 income limits that would have applied at the time the income information was collected by the Census Bureau. Recipients that believe that the census data does not reflect current relative income levels in an area, or where census boundaries do not coincide sufficiently well with the service area of an activity, may conduct (or have conducted) a current survey of the residents of the area to determine the percent of such persons that are low and moderate income. HUD will accept information obtained through such surveys, to be used in lieu of the decennial census data, where it determines that the survey was conducted in such a manner that the results meet standards of statistical reliability that are comparable to that of the decennial census data for areas of similar size. Where there is substantial evidence that provides a clear basis to believe that the use of the decennial census data would substantially overstate the proportion of persons residing there that are low and moderate income, HUD may require that the recipient rebut such evidence in order to demonstrate compliance with section 105(c)(2) of the Act.

(vii) Activities meeting the requirements of paragraph (d)(5)(i) of this section may be considered to qualify under this paragraph, provided that the area covered by the strategy is either a Federally-designated Empowerment Zone or Enterprise Community or primarily residential and contains a percentage of low- and moderate-income residents that is no less than the percentage computed by HUD pursuant to paragraph (a)(1)(ii) of this section or 70 percent, whichever is less, but in no event less than 51 percent. Activities meeting the requirements of paragraph (d)(6)(i) of this section may also be considered to qualify under paragraph (a)(1) of this section.

**(2) *Limited clientele activities.***

(i) An activity which benefits a limited clientele, at least 51 percent of whom are low- or moderate-income persons. (The following kinds of activities may not qualify under paragraph (a)(2) of this section: activities, the benefits of which are available to all the residents of an area; activities involving the acquisition, construction or rehabilitation of property for housing; or activities where the benefit to low- and moderate-income persons to be considered is the creation or retention of jobs, except as provided in paragraph (a)(2)(iv) of this section.) To qualify under paragraph (a)(2) of this section, the activity must meet one of the following tests:

(A) Benefit a clientele who are generally presumed to be principally low and moderate income persons. Activities that exclusively serve a group of persons in any one or a combination of the following categories may be presumed to benefit persons, 51 percent of whom are low- and moderate-income: abused children, battered spouses, elderly persons, adults meeting the Bureau

of the Census' Current Population Reports definition of “severely disabled,” homeless persons, illiterate adults, persons living with AIDS, and migrant farm workers; or

(B) Require information on family size and income so that it is evident that at least 51 percent of the clientele are persons whose family income does not exceed the low and moderate income limit; or

(C) Have income eligibility requirements which limit the activity exclusively to low and moderate income persons; or

(D) Be of such nature and be in such location that it may be concluded that the activity's clientele will primarily be low and moderate income persons.

(ii) An activity that serves to remove material or architectural barriers to the mobility or accessibility of elderly persons or of adults meeting the Bureau of the Census' Current Population Reports definition of “severely disabled” will be presumed to qualify under this criterion if it is restricted, to the extent practicable, to the removal of such barriers by assisting:

(A) The reconstruction of a public facility or improvement, or portion thereof, that does not qualify under paragraph (a)(1) of this section;

(B) The rehabilitation of a privately owned nonresidential building or improvement that does not qualify under paragraph (a)(1) or (4) of this section; or

(C) The rehabilitation of the common areas of a residential structure that contains more than one dwelling unit and that does not qualify under paragraph (a)(3) of this section.

(iii) A microenterprise assistance activity carried out in accordance with the provisions of § 570.201(o) with respect to those owners of microenterprises and persons developing microenterprises assisted under the activity during each program year who are low- and moderate-income persons. For purposes of this paragraph, persons determined to be low and moderate income may be presumed to continue to qualify as such for up to a three-year period.

(iv) An activity designed to provide job training and placement and/or other employment support services, including, but not limited to, peer support programs, counseling, child care, transportation, and other similar services, in which the percentage of low- and moderate-income persons assisted is less than 51 percent may qualify under this paragraph in the following limited circumstance:

(A) In such cases where such training or provision of supportive services assists business(es), the only use of CDBG assistance for the project is to provide the job training and/or supportive services; and

(B) The proportion of the total cost of the project borne by CDBG funds is no greater than the proportion of the total number of persons assisted who are low or moderate income.

(3) **Housing activities.** An eligible activity carried out for the purpose of providing or improving permanent residential structures which, upon completion, will be occupied by low- and moderate-income households. This would include, but not necessarily be limited to, the acquisition or rehabilitation of property by the recipient, a subrecipient, a developer, an individual homebuyer, or an individual homeowner; conversion of nonresidential structures; and new housing construction. If the structure contains two dwelling units, at least one must be so occupied, and if the structure contains more than two dwelling units, at least 51 percent of the units must be so occupied. Where two or more rental buildings being assisted are or will be located on the same or contiguous properties, and the buildings will be under common ownership and management, the grouped buildings may be considered for this purpose as a single structure. Where housing activities being assisted meet the requirements of paragraph § 570.208 (d)(5)(ii) or (d)(6)(ii) of this section, all such housing may also be considered for this purpose as a single structure. For rental housing, occupancy by low and moderate income households must be at affordable rents to qualify under this criterion. The recipient shall adopt and make public its standards for determining “affordable rents” for this purpose. The following shall also qualify under this criterion:

(i) When less than 51 percent of the units in a structure will be occupied by low and moderate income households, CDBG assistance may be provided in the following limited circumstances:

(A) The assistance is for an eligible activity to reduce the development cost of the new construction of a multifamily, non-elderly rental housing project;

(B) Not less than 20 percent of the units will be occupied by low and moderate income households at affordable rents; and

(C) The proportion of the total cost of developing the project to be borne by CDBG funds is no greater than the proportion of units in the project that will be occupied by low and moderate income households.

(ii) When CDBG funds are used to assist rehabilitation eligible under § 570.202(b)(9) or (10) in direct support of the recipient's Rental Rehabilitation program authorized under 24 CFR part 511, such funds shall be considered to benefit low and moderate income persons where not less than 51 percent of the units assisted, or to be assisted, by the recipient's Rental Rehabilitation program overall are for low and moderate income persons.

(iii) When CDBG funds are used for housing services eligible under § 570.201(k), such funds shall be considered to benefit low- and moderate-income persons if the housing units for which the services are provided are HOME-assisted and the requirements at 24 CFR 92.252 or 92.254 are met.

(4) **Job creation or retention activities.** An activity designed to create or retain permanent jobs where at least 51 percent of the jobs, computed on a full time equivalent basis, involve the

employment of low- and moderate-income persons. To qualify under this paragraph, the activity must meet the following criteria:

(i) For an activity that creates jobs, the recipient must document that at least 51 percent of the jobs will be held by, or will be available to, low- and moderate-income persons.

(ii) For an activity that retains jobs, the recipient must document that the jobs would actually be lost without the CDBG assistance and that either or both of the following conditions apply with respect to at least 51 percent of the jobs at the time the CDBG assistance is provided:

(A) The job is known to be held by a low- or moderate-income person; or

(B) The job can reasonably be expected to turn over within the following two years and that steps will be taken to ensure that it will be filled by, or made available to, a low- or moderate-income person upon turnover.

(iii) Jobs that are not held or filled by a low- or moderate-income person may be considered to be available to low- and moderate-income persons for these purposes only if:

(A) Special skills that can only be acquired with substantial training or work experience or education beyond high school are not a prerequisite to fill such jobs, or the business agrees to hire unqualified persons and provide training; and

(B) The recipient and the assisted business take actions to ensure that low- and moderate-income persons receive first consideration for filling such jobs.

(iv) For purposes of determining whether a job is held by or made available to a low- or moderate-income person, the person may be presumed to be a low- or moderate-income person if:

(A) He/she resides within a census tract (or block numbering area) that either:

(1) Meets the requirements of paragraph (a)(4)(v) of this section; or

(2) Has at least 70 percent of its residents who are low- and moderate-income persons; or

(B) The assisted business is located within a census tract (or block numbering area) that meets the requirements of paragraph (a)(4)(v) of this section and the job under consideration is to be located within that census tract.

(v) A census tract (or block numbering area) qualifies for the presumptions permitted under paragraphs (a)(4)(iv)(A)(1) and (B) of this section if it is either part of a Federally-designated Empowerment Zone or Enterprise Community or meets the following criteria:

(A) It has a poverty rate of at least 20 percent as determined by the most recently available decennial census information;

(B) It does not include any portion of a central business district, as this term is used in the most recent Census of Retail Trade, unless the tract has a poverty rate of at least 30 percent as determined by the most recently available decennial census information; and

(C) It evidences pervasive poverty and general distress by meeting at least one of the following standards:

(1) All block groups in the census tract have poverty rates of at least 20 percent;

(2) The specific activity being undertaken is located in a block group that has a poverty rate of at least 20 percent; or

(3) Upon the written request of the recipient, HUD determines that the census tract exhibits other objectively determinable signs of general distress such as high incidence of crime, narcotics use, homelessness, abandoned housing, and deteriorated infrastructure or substantial population decline.

(vi) As a general rule, each assisted business shall be considered to be a separate activity for purposes of determining whether the activity qualifies under this paragraph, except:

(A) In certain cases such as where CDBG funds are used to acquire, develop or improve a real property (e.g., a business incubator or an industrial park) the requirement may be met by measuring jobs in the aggregate for all the businesses which locate on the property, provided such businesses are not otherwise assisted by CDBG funds.

(B) Where CDBG funds are used to pay for the staff and overhead costs of an entity making loans to businesses exclusively from non-CDBG funds, this requirement may be met by aggregating the jobs created by all of the businesses receiving loans during each program year.

(C) Where CDBG funds are used by a recipient or subrecipient to provide technical assistance to businesses, this requirement may be met by aggregating the jobs created or retained by all of the businesses receiving technical assistance during each program year.

(D) Where CDBG funds are used for activities meeting the criteria listed at § 570.209(b)(2)(v), this requirement may be met by aggregating the jobs created or retained by all businesses for which CDBG assistance is obligated for such activities during the program year, except as provided at paragraph (d)(7) of this section.

(E) Where CDBG funds are used by a Community Development Financial Institution to carry out activities for the purpose of creating or retaining jobs, this requirement may be met by aggregating the jobs created or retained by all businesses for which CDBG assistance is obligated for such activities during the program year, except as provided at paragraph (d)(7) of this section.

(F) Where CDBG funds are used for public facilities or improvements which will result in the creation or retention of jobs by more than one business, this requirement may be met by

aggregating the jobs created or retained by all such businesses as a result of the public facility or improvement.

(1) Where the public facility or improvement is undertaken principally for the benefit of one or more particular businesses, but where other businesses might also benefit from the assisted activity, the requirement may be met by aggregating only the jobs created or retained by those businesses for which the facility/improvement is principally undertaken, provided that the cost (in CDBG funds) for the facility/improvement is less than \$10,000 per permanent full-time equivalent job to be created or retained by those businesses.

(2) In any case where the cost per job to be created or retained (as determined under paragraph (a)(4)(vi)(F)(1) of this section) is \$10,000 or more, the requirement must be met by aggregating the jobs created or retained as a result of the public facility or improvement by all businesses in the service area of the facility/improvement. This aggregation must include businesses which, as a result of the public facility/improvement, locate or expand in the service area of the facility/improvement between the date the recipient identifies the activity in its action plan under part 91 of this title and the date one year after the physical completion of the facility/improvement. In addition, the assisted activity must comply with the public benefit standards at § 570.209(b).

**(b) *Activities which aid in the prevention or elimination of slums or blight.*** Activities meeting one or more of the following criteria, in the absence of substantial evidence to the contrary, will be considered to aid in the prevention or elimination of slums or blight:

**(1) *Activities to address slums or blight on an area basis.*** An activity will be considered to address prevention or elimination of slums or blight in an area if:

(i) The area, delineated by the recipient, meets a definition of a slum, blighted, deteriorated or deteriorating area under State or local law;

(ii) The area also meets the conditions in either paragraph (A) or (B):

(A) At least 25 percent of properties throughout the area experience one or more of the following conditions:

(1) Physical deterioration of buildings or improvements;

(2) Abandonment of properties;

(3) Chronic high occupancy turnover rates or chronic high vacancy rates in commercial or industrial buildings;

(4) Significant declines in property values or abnormally low property values relative to other areas in the community; or

(5) Known or suspected environmental contamination.

(B) The public improvements throughout the area are in a general state of deterioration.

(iii) Documentation is to be maintained by the recipient on the boundaries of the area and the conditions and standards used that qualified the area at the time of its designation. The recipient shall establish definitions of the conditions listed at § 570.208(b)(1)(ii)(A), and maintain records to substantiate how the area met the slums or blighted criteria. The designation of an area as slum or blighted under this section is required to be redetermined every 10 years for continued qualification. Documentation must be retained pursuant to the recordkeeping requirements contained at § 570.506 (b)(8)(ii).

(iv) The assisted activity addresses one or more of the conditions which contributed to the deterioration of the area. Rehabilitation of residential buildings carried out in an area meeting the above requirements will be considered to address the area's deterioration only where each building rehabilitated is considered substandard under local definition before rehabilitation, and all deficiencies making a building substandard have been eliminated. At a minimum, the local definition for this purpose must be such that buildings that it would render substandard would also fail to meet the standards for the condition of HUD housing at 24 CFR 5.703.

(2) ***Activities to address slums or blight on a spot basis.*** The following activities may be undertaken on a spot basis to eliminate specific conditions of blight, physical decay, or environmental contamination that are not located in a slum or blighted area: acquisition; clearance; relocation; historic preservation; remediation of environmentally contaminated properties; or rehabilitation of buildings or improvements. However, rehabilitation must be limited to eliminating those conditions that are detrimental to public health and safety. If acquisition or relocation is undertaken, it must be a precursor to another eligible activity (funded with CDBG or other resources) that directly eliminates the specific conditions of blight or physical decay, or environmental contamination.

(3) ***Activities to address slums or blight in an urban renewal area.*** An activity will be considered to address prevention or elimination of slums or blight in an urban renewal area if the activity is:

(i) Located within an urban renewal project area or Neighborhood Development Program (NDP) action area; i.e., an area in which funded activities were authorized under an urban renewal Loan and Grant Agreement or an annual NDP Funding Agreement, pursuant to title I of the Housing Act of 1949; and

(ii) Necessary to complete the urban renewal plan, as then in effect, including *initial* land redevelopment permitted by the plan.

Note:

Despite the restrictions in (b) (1) and (2) of this section, any rehabilitation activity which benefits low and moderate income persons pursuant to paragraph (a)(3) of this section can be undertaken without regard to the area in which it is located or the extent or nature of rehabilitation assisted.

**(c) *Activities designed to meet community development needs having a particular urgency.*** In the absence of substantial evidence to the contrary, an activity will be considered to address this objective if the recipient certifies that the activity is designed to alleviate existing conditions which pose a serious and immediate threat to the health or welfare of the community which are of recent origin or which recently became urgent, that the recipient is unable to finance the activity on its own, and that other sources of funding are not available. A condition will generally be considered to be of recent origin if it developed or became critical within 18 months preceding the certification by the recipient.

**(d) *Additional criteria.***

(1) Where the assisted activity is acquisition of real property, a preliminary determination of whether the activity addresses a national objective may be based on the planned use of the property after acquisition. A final determination shall be based on the actual use of the property, excluding any short-term, temporary use. Where the acquisition is for the purpose of clearance which will eliminate specific conditions of blight or physical decay, the clearance activity shall be considered the actual use of the property. However, any subsequent use or disposition of the cleared property shall be treated as a “change of use” under § 570.505.

(2) Where the assisted activity is relocation assistance that the recipient is required to provide, such relocation assistance shall be considered to address the same national objective as is addressed by the displacing activity. Where the relocation assistance is voluntary on the part of the grantee the recipient may qualify the assistance either on the basis of the national objective addressed by the displacing activity or on the basis that the recipients of the relocation assistance are low and moderate income persons.

(3) In any case where the activity undertaken for the purpose of creating or retaining jobs is a public improvement and the area served is primarily residential, the activity must meet the requirements of paragraph (a)(1) of this section as well as those of paragraph (a)(4) of this section in order to qualify as benefiting low and moderate income persons.

(4) CDBG funds expended for planning and administrative costs under § 570.205 and § 570.206 will be considered to address the national objectives.

(5) Where the grantee has elected to prepare an area revitalization strategy pursuant to the authority of § 91.215(e) of this title and HUD has approved the strategy, the grantee may also elect the following options:

(i) Activities undertaken pursuant to the strategy for the purpose of creating or retaining jobs may, at the option of the grantee, be considered to meet the requirements of this paragraph under

the criteria at paragraph (a)(1)(vii) of this section in lieu of the criteria at paragraph (a)(4) of this section; and

(ii) All housing activities in the area for which, pursuant to the strategy, CDBG assistance is obligated during the program year may be considered to be a single structure for purposes of applying the criteria at paragraph (a)(3) of this section.

(6) Where CDBG-assisted activities are carried out by a Community Development Financial Institution whose charter limits its investment area to a primarily residential area consisting of at least 51 percent low- and moderate-income persons, the grantee may also elect the following options:

(i) Activities carried out by the Community Development Financial Institution for the purpose of creating or retaining jobs may, at the option of the grantee, be considered to meet the requirements of this paragraph under the criteria at paragraph (a)(1)(vii) of this section in lieu of the criteria at paragraph (a)(4) of this section; and

(ii) All housing activities for which the Community Development Financial Institution obligates CDBG assistance during the program year may be considered to be a single structure for purposes of applying the criteria at paragraph (a)(3) of this section.

(7) Where an activity meeting the criteria at § 570.209(b)(2)(v) may also meet the requirements of either paragraph (d)(5)(i) or (d)(6)(i) of this section, the grantee may elect to qualify the activity under either the area benefit criteria at paragraph (a)(1)(vii) of this section or the job aggregation criteria at paragraph (a)(4)(vi)(D) of this section, but not both. Where an activity may meet the job aggregation criteria at both paragraphs (a)(4)(vi)(D) and (E) of this section, the grantee may elect to qualify the activity under either criterion, but not both.

### **§ 570.209 Guidelines for evaluating and selecting economic development projects.**

The following guidelines are provided to assist the recipient to evaluate and select activities to be carried out for economic development purposes. Specifically, these guidelines are applicable to activities that are eligible for CDBG assistance under § 570.203. These guidelines also apply to activities carried out under the authority of § 570.204 that would otherwise be eligible under § 570.203, were it not for the involvement of a Community-Based Development Organization (CBDO). (This would include activities where a CBDO makes loans to for-profit businesses.) These guidelines are composed of two components: guidelines for evaluating project costs and financial requirements; and standards for evaluating public benefit. The standards for evaluating public benefit are *mandatory*, but the guidelines for evaluating projects costs and financial requirements are not.

(a) ***Guidelines and objectives for evaluating project costs and financial requirements.*** HUD has developed guidelines that are designed to provide the recipient with a framework for financially underwriting and selecting CDBG-assisted economic development projects which are financially viable and will make the most effective use of the CDBG funds. These guidelines, also referred to as the underwriting guidelines, are published as appendix A to this part. The use of the underwriting guidelines published by HUD is not mandatory. However, grantees electing not to use these guidelines would be expected to conduct basic financial underwriting prior to the provision of CDBG financial assistance to a for-profit business. Where appropriate, HUD's underwriting guidelines recognize that different levels of review are appropriate to take into account differences in the size and scope of a proposed project, and in the case of a microenterprise or other small business to take into account the differences in the capacity and level of sophistication among businesses of differing sizes. Recipients are encouraged, when they develop their own programs and underwriting criteria, to also take these factors into account. The objectives of the underwriting guidelines are to ensure:

- (1) That project costs are reasonable;
- (2) That all sources of project financing are committed;
- (3) That to the extent practicable, CDBG funds are not substituted for non-Federal financial support;
- (4) That the project is financially feasible;
- (5) That to the extent practicable, the return on the owner's equity investment will not be unreasonably high; and
- (6) That to the extent practicable, CDBG funds are disbursed on a pro rata basis with other finances provided to the project.

(b) ***Standards for evaluating public benefit.*** The grantee is responsible for making sure that at least a minimum level of public benefit is obtained from the expenditure of CDBG funds under the categories of eligibility governed by these guidelines. The standards set forth below identify the types of public benefit that will be recognized for this purpose and the minimum level of each that must be obtained for the amount of CDBG funds used. Unlike the guidelines for project costs and financial requirements covered under paragraph (a) of this section, the use of the standards for public benefit is mandatory. Certain public facilities and improvements eligible under § 570.201(c) of the regulations, which are undertaken for economic development purposes, are also subject to these standards, as specified in § 570.208(a)(4)(vi)(F)(2).

(1) ***Standards for activities in the aggregate.*** Activities covered by these guidelines must, in the aggregate, either:

- (i) Create or retain at least one full-time equivalent, permanent job per \$35,000 of CDBG funds used; or

(ii) Provide goods or services to residents of an area, such that the number of low- and moderate-income persons residing in the areas served by the assisted businesses amounts to at least one low- and moderate-income person per \$350 of CDBG funds used.

**(2) *Applying the aggregate standards.***

(i) A metropolitan city, an urban county, a non-entitlement CDBG grantee in Hawaii, or an Insular Area shall apply the aggregate standards under paragraph (b)(1) of this section to all applicable activities for which CDBG funds are first obligated within each single CDBG program year, without regard to the source year of the funds used for the activities. For Insular Areas, the preceding sentence applies to grants received in program years after Fiscal Year 2004. A grantee under the HUD-administered Small Cities Program, or Insular Areas CDBG grants prior to Fiscal Year 2005, shall apply the aggregate standards under paragraph (b)(1) of this section to all funds obligated for applicable activities from a given grant; program income obligated for applicable activities will, for these purposes, be aggregated with the most recent open grant. For any time period in which a community has no open HUD-administered or Insular Areas grants, the aggregate standards shall be applied to all applicable activities for which program income is obligated during that period.

(ii) The grantee shall apply the aggregate standards to the number of jobs to be created/retained, or to the number of persons residing in the area served (as applicable), as determined at the time funds are obligated to activities.

(iii) Where an activity is expected both to create or retain jobs and to provide goods or services to residents of an area, the grantee may elect to count the activity under either the jobs standard or the area residents standard, but not both.

(iv) Where CDBG assistance for an activity is limited to job training and placement and/or other employment support services, the jobs assisted with CDBG funds shall be considered to be created or retained jobs for the purposes of applying the aggregate standards.

(v) Any activity subject to these guidelines which meets one or more of the following criteria may, at the grantee's option, be excluded from the aggregate standards described in paragraph (b)(1) of this section:

(A) Provides jobs exclusively for unemployed persons or participants in one or more of the following programs:

(1) Jobs Training Partnership Act (JTPA);

(2) Jobs Opportunities for Basic Skills (JOBS); or

(3) Aid to Families with Dependent Children (AFDC);

(B) Provides jobs predominantly for residents of Public and Indian Housing units;

- (C) Provides jobs predominantly for homeless persons;
- (D) Provides jobs predominantly for low-skilled, low- and moderate-income persons, where the business agrees to provide clear opportunities for promotion and economic advancement, such as through the provision of training;
- (E) Provides jobs predominantly for persons residing within a census tract (or block numbering area) that has at least 20 percent of its residents who are in poverty;
- (F) Provides assistance to business(es) that operate(s) within a census tract (or block numbering area) that has at least 20 percent of its residents who are in poverty;
- (G) Stabilizes or revitalizes a neighborhood that has at least 70 percent of its residents who are low- and moderate-income;
- (H) Provides assistance to a Community Development Financial Institution that serve an area that is predominantly low- and moderate-income persons;
- (I) Provides assistance to a Community-Based Development Organization serving a neighborhood that has at least 70 percent of its residents who are low- and moderate-income;
- (J) Provides employment opportunities that are an integral component of a project designed to promote spatial deconcentration of low- and moderate-income and minority persons;
- (K) With prior HUD approval, provides substantial benefit to low-income persons through other innovative approaches;
- (L) Provides services to the residents of an area pursuant to a strategy approved by HUD under the provisions of § 91.215(e) of this title;
- (M) Creates or retains jobs through businesses assisted in an area pursuant to a strategy approved by HUD under the provisions of § 91.215(e) of this title.
- (N) Directly involves the economic development or redevelopment of environmentally contaminated properties.

(3) ***Standards for individual activities.*** Any activity subject to these guidelines which falls into one or more of the following categories will be considered by HUD to provide insufficient public benefit, and therefore may under no circumstances be assisted with CDBG funds:

(i) The amount of CDBG assistance exceeds either of the following, as applicable:

(A) \$50,000 per full-time equivalent, permanent job created or retained; or

(B) \$1,000 per low- and moderate-income person to which goods or services are provided by the activity.

(ii) The activity consists of or includes any of the following:

(A) General promotion of the community as a whole (as opposed to the promotion of specific areas and programs);

(B) Assistance to professional sports teams;

(C) Assistance to privately-owned recreational facilities that serve a predominantly higher-income clientele, where the recreational benefit to users or members clearly outweighs employment or other benefits to low- and moderate-income persons;

(D) Acquisition of land for which the specific proposed use has not yet been identified; and

(E) Assistance to a for-profit business while that business or any other business owned by the same person(s) or entity(ies) is the subject of unresolved findings of noncompliance relating to previous CDBG assistance provided by the recipient.

**(4) *Applying the individual activity standards.***

(i) Where an activity is expected both to create or retain jobs and to provide goods or services to residents of an area, it will be disqualified only if the amount of CDBG assistance exceeds both of the amounts in paragraph (b)(3)(i) of this section.

(ii) The individual activity standards in paragraph (b)(3)(i) of this section shall be applied to the number of jobs to be created or retained, or to the number of persons residing in the area served (as applicable), as determined at the time funds are obligated to activities.

(iii) Where CDBG assistance for an activity is limited to job training and placement and/or other employment support services, the jobs assisted with CDBG funds shall be considered to be created or retained jobs for the purposes of applying the individual activity standards in paragraph (b)(3)(i) of this section.

**(c) *Amendments to economic development projects after review determinations.*** If, after the grantee enters into a contract to provide assistance to a project, the scope or financial elements of the project change to the extent that a significant contract amendment is appropriate, the project should be reevaluated under these and the recipient's guidelines. (This would include, for example, situations where the business requests a change in the amount or terms of assistance being provided, or an extension to the loan payment period required in the contract.) If a reevaluation of the project indicates that the financial elements and public benefit to be derived have also substantially changed, then the recipient should make appropriate adjustments in the amount, type, terms or conditions of CDBG assistance which has been offered, to reflect the impact of the substantial change. (For example, if a change in the project elements results in a substantial reduction of the total project costs, it may be appropriate for the recipient to reduce the amount of total CDBG assistance.) If the amount of CDBG assistance provided to the project is increased, the amended project must still comply with the public benefit standards under paragraph (b) of this section.

(d) **Documentation.** The grantee must maintain sufficient records to demonstrate the level of public benefit, based on the above standards, that is actually achieved upon completion of the CDBG-assisted economic development activity(ies) and how that compares to the level of such benefit anticipated when the CDBG assistance was obligated. If the grantee's actual results show a pattern of substantial variation from anticipated results, the grantee is expected to take all actions reasonably within its control to improve the accuracy of its projections. If the actual results demonstrate that the recipient has failed the public benefit standards, HUD may require the recipient to meet more stringent standards in future years as appropriate.

### **§ 570.210 Prohibition on use of assistance for employment relocation activities.**

(a) **Prohibition.** CDBG funds may not be used to directly assist a business, including a business expansion, in the relocation of a plant, facility, or operation from one LMA to another LMA if the relocation is likely to result in a significant loss of jobs in the LMA from which the relocation occurs.

(b) **Definitions.** The following definitions apply to this section:

(1) **Directly assist.** Directly assist means the provision of CDBG funds for activities pursuant to:

(i) § 570.203(b); or

(ii) §§ 570.201(a)-(d), 570.201(l), 570.203(a), or § 570.204 when the grantee, subrecipient, or, in the case of an activity carried out pursuant to § 570.204, a Community Based Development Organization (CDBO) enters into an agreement with a business to undertake one or more of these activities as a condition of the business relocating a facility, plant, or operation to the grantee's LMA. Provision of public facilities and indirect assistance that will provide benefit to multiple businesses does not fall under the definition of “directly assist,” unless it includes the provision of infrastructure to aid a specific business that is the subject of an agreement with the specific assisted business.

(2) **Labor market area (LMA).** For metropolitan areas, an LMA is an area defined as such by the BLS. An LMA is an economically integrated geographic area within which individuals can live and find employment within a reasonable distance or can readily change employment without changing their place of residence. In addition, LMAs are nonoverlapping and geographically exhaustive. For metropolitan areas, grantees must use employment data, as defined by the BLS, for the LMA in which the affected business is currently located and from which current jobs may be lost. For non-metropolitan areas, an LMA is either an area defined by the BLS as an LMA, or a state may choose to combine non-metropolitan LMAs. States are required to define or reaffirm prior definitions of their LMAs on an annual basis and retain records to substantiate such areas prior to any business relocation that would be impacted by this rule. Metropolitan LMAs cannot

be combined, nor can a non-metropolitan LMA be combined with a metropolitan LMA. For the HUD-administered Small Cities Program, each of the three participating counties in Hawaii will be considered to be its own LMA. Recipients of Fiscal Year 1999 Small Cities Program funding in New York will follow the requirements for State CDBG recipients.

(3) **Operation.** A business operation includes, but is not limited to, any equipment, employment opportunity, production capacity or product line of the business.

(4) **Significant loss of jobs.**

(i) A loss of jobs is significant if: The number of jobs to be lost in the LMA in which the affected business is currently located is equal to or greater than one-tenth of one percent of the total number of persons in the labor force of that LMA; or in all cases, a loss of 500 or more jobs. Notwithstanding the aforementioned, a loss of 25 jobs or fewer does not constitute a significant loss of jobs.

(ii) A job is considered to be lost due to the provision of CDBG assistance if the job is relocated within three years of the provision of assistance to the business; or the time period within which jobs are to be created as specified by the agreement between the business and the recipient if it is longer than three years.

(c) **Written agreement.** Before directly assisting a business with CDBG funds, the recipient, subrecipient, or a CDBO (in the case of an activity carried out pursuant to § 570.204) shall sign a written agreement with the assisted business. The written agreement shall include:

(1) **Statement.** A statement from the assisted business as to whether the assisted activity will result in the relocation of any industrial or commercial plant, facility, or operation from one LMA to another, and, if so, the number of jobs that will be relocated from each LMA;

(2) **Required information.** If the assistance will not result in a relocation covered by this section, a certification from the assisted business that neither it, nor any of its subsidiaries, has plans to relocate jobs at the time the agreement is signed that would result in a significant job loss as defined in this rule; and

(3) **Reimbursement of assistance.** The agreement shall provide for reimbursement of any assistance provided to, or expended on behalf of, the business in the event that assistance results in a relocation prohibited under this section.

(d) **Assistance not covered by this section.** This section does not apply to:

(1) **Relocation assistance.** Relocation assistance required by the Uniform Assistance and Real Property Acquisition Policies Act of 1970, (URA) (42 U.S.C. 4601-4655);

(2) **Microenterprises.** Assistance to microenterprises as defined by Section 102(a)(22) of the Housing and Community Development Act of 1974; and

(3) **Arms-length transactions.** Assistance to a business that purchases business equipment, inventory, or other physical assets in an arms-length transaction, including the assets of an existing business, provided that the purchase does not result in the relocation of the sellers' business operation (including customer base or list, goodwill, product lines, or trade names) from one LMA to another LMA and does not produce a significant loss of jobs in the LMA from which the relocation occurs.

### **§ 570.500 Definitions.**

For the purposes of this subpart, the following terms shall apply:

(a) **Program income** means gross income received by the recipient or a subrecipient directly generated from the use of CDBG funds, except as provided in paragraph (a)(4) of this section.

(1) Program income includes, but is not limited to, the following:

(i) Proceeds from the disposition by sale or long-term lease of real property purchased or improved with CDBG funds;

(ii) Proceeds from the disposition of equipment purchased with CDBG funds;

(iii) Gross income from the use or rental of real or personal property acquired by the recipient or by a subrecipient with CDBG funds, less costs incidental to generation of the income;

(iv) Gross income from the use or rental of real property, owned by the recipient or by a subrecipient, that was constructed or improved with CDBG funds, less costs incidental to generation of the income;

(v) Payments of principal and interest on loans made using CDBG funds, except as provided in paragraph (a)(3) of this section;

(vi) Proceeds from the sale of loans made with CDBG funds;

(vii) Proceeds from sale of obligations secured by loans made with CDBG funds;

(viii) [Reserved]

(ix) Interest earned on program income pending its disposition; and

(x) Funds collected through special assessments made against properties owned and occupied by households *not* of low and moderate income, where the assessments are used to recover all or part of the CDBG portion of a public improvement.

(2) Program income does not include income earned (except for interest described in § 570.513) on grant advances from the U.S. Treasury. The following items of income earned on grant advances must be remitted to HUD for transmittal to the U.S. Treasury, and will not be reallocated under section 106(c) or (d) of the Act:

(i) Interest earned from the investment of the initial proceeds of a grant advance by the U.S. Treasury;

(ii) Interest earned on loans or other forms of assistance provided with CDBG funds that are used for activities determined by HUD either to be ineligible or to fail to meet a national objective in accordance with the requirements of subpart C of this part, or that fail substantially to meet any other requirement of this part; and

(iii) Interest earned on the investment of amounts reimbursed to the CDBG program account prior to the use of the reimbursed funds for eligible purposes.

(3) The calculation of the amount of program income for the recipient's CDBG program as a whole (i.e., comprising activities carried out by a grantee and its subrecipients) shall exclude payments made by subrecipients of principal and/or interest on CDBG-funded loans received from grantees if such payments are made using program income received by the subrecipient. (By making such payments, the subrecipient shall be deemed to have transferred program income to the grantee.) The amount of program income derived from this calculation shall be used for reporting purposes, for purposes of applying the requirement under § 570.504(b)(2)(iii), and in determining limitations on planning and administration and public services activities to be paid for with CDBG funds.

(4) Program income does not include:

(i) Any income received in a single program year by the recipient and all its subrecipients if the total amount of such income does not exceed \$25,000; and

(ii) Amounts generated by activities that are financed by a loan guaranteed under section 108 of the Act and meet one or more of the public benefit criteria specified at § 570.209(b)(2)(v) or are carried out in conjunction with a grant under section 108(q) in an area determined by HUD to meet the eligibility requirements for designation as an Urban Empowerment Zone pursuant to 24 CFR part 597, subpart B. Such exclusion shall not apply if CDBG funds are used to repay the guaranteed loan. When such a guaranteed loan is partially repaid with CDBG funds, the amount generated shall be prorated to reflect the percentage of CDBG funds used. Amounts generated by activities financed with loans guaranteed under section 108 which are not defined as program income shall be treated as miscellaneous revenue and shall not be subject to any of the

requirements of this part, except that the use of such funds shall be limited to activities that are located in a revitalization strategy area and implement a HUD approved area revitalization strategy pursuant to § 91.215(e) of this title. However, such treatment shall not affect the right of the Secretary to require the section 108 borrower to pledge such amounts as security for the guaranteed loan. The determination whether such amounts shall constitute program income shall be governed by the provisions of the contract required at § 570.705(b)(1).

(5) Examples of other receipts that are not considered program income are proceeds from fund raising activities carried out by subrecipients receiving CDBG assistance (the costs of fundraising are generally unallowable under the applicable OMB circulars referenced in 24 CFR 84.27), funds collected through special assessments used to recover the non-CDBG portion of a public improvement, and proceeds from the disposition of real property acquired or improved with CDBG funds when the disposition occurs after the applicable time period specified in § 570.503(b)(8) for subrecipient-controlled property, or in § 570.505 for recipient-controlled property.

(b) ***Revolving fund*** means a separate fund (with a set of accounts that are independent of other program accounts) established for the purpose of carrying out specific activities which, in turn, generate payments to the fund for use in carrying out the same activities. Each revolving loan fund's cash balance must be held in an interest-bearing account, and any interest paid on CDBG funds held in this account shall be considered interest earned on grant advances and must be remitted to HUD for transmittal to the U.S. Treasury no less frequently than annually. (Interest paid by borrowers on eligible loans made from the revolving loan fund shall be program income and treated accordingly.)

(c) ***Subrecipient*** means a public or private nonprofit agency, authority, or organization, or a for-profit entity authorized under § 570.201(o), receiving CDBG funds from the recipient or another subrecipient to undertake activities eligible for such assistance under subpart C of this part. The term excludes an entity receiving CDBG funds from the recipient under the authority of § 570.204, unless the grantee explicitly designates it as a subrecipient. The term includes a public agency designated by a unit of general local government to receive a loan guarantee under subpart M of this part, but does not include contractors providing supplies, equipment, construction, or services subject to the procurement requirements in 2 CFR part 200, subpart D.

#### **§ 570.501 Responsibility for grant administration.**

(a) One or more public agencies, including existing local public agencies, may be designated by the chief executive officer of the recipient to undertake activities assisted by this part. A public agency so designated shall be subject to the same requirements as are applicable to subrecipients.

(b) The recipient is responsible for ensuring that CDBG funds are used in accordance with all program requirements. The use of designated public agencies, subrecipients, or contractors does not relieve the recipient of this responsibility. The recipient is also responsible for determining the adequacy of performance under subrecipient agreements and procurement contracts, and for taking appropriate action when performance problems arise, such as the actions described in § 570.910. Where a unit of general local government is participating with, or as part of, an urban county, or as part of a metropolitan city, the recipient is responsible for applying to the unit of general local government the same requirements as are applicable to subrecipients, except that the five-year period identified under § 570.503(b)(8)(i) shall begin with the date that the unit of general local government is no longer considered by HUD to be a part of the metropolitan city or urban county, as applicable, instead of the date that the subrecipient agreement expires.

[53 FR 8058, Mar. 11, 1988, as amended at 57 FR 27120, June 17, 1992]

**§ 570.502 Applicability of uniform administrative requirements.**

(a) Grantees and subrecipients shall comply with 2 CFR part 200, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards”, except that:

(1) Section 200.305 “Payment” is modified for lump sum drawdown for financing of property rehabilitation activities, in accordance with § 570.513.

(2) Section 200.306 “Cost sharing or matching” does not apply.

(3) Section 200.307 “Program income” does not apply. Program income is governed by § 570.504.

(4) Section 200.308 “Revisions of budget and program plans” does not apply.

(5) Section 200.311 “Real property” does not apply, except as provided in § 570.200(j). Real property is governed by § 570.505.

(6) Section 200.313 “Equipment” applies, except that when the equipment is sold, the proceeds shall be program income. Equipment not needed by the subrecipient for CDBG activities shall be transferred to the recipient for the CDBG program or shall be retained after compensating the recipient.

(7) Section 200.333 “Retention requirements for records” applies except that:

(i) For recipients:

(A) The period shall be 4 years from the date of execution of the closeout agreement for a grant, as further described in this part;

(B) Records for individual activities subject to the reversion of assets provisions at § 570.503(b)(7) or the change of use provisions at § 570.505 must be maintained for 3 years after those provisions no longer apply to the activity;

(C) Records for individual activities for which there are outstanding loan balances, other receivables, or contingent liabilities must be retained for 3 years after the receivables or liabilities have been satisfied.

(ii) For subrecipients:

(A) The retention period for individual CDBG activities shall be the longer of 3 years after the expiration or termination of the subrecipient agreement under § 570.503, or 3 years after the submission of the annual performance and evaluation report, as prescribed in § 91.520 of this title, in which the specific activity is reported on for the final time;

(B) Records for individual activities subject to the reversion of assets provisions at § 570.503(b)(7) or change of use provisions at § 570.505 must be maintained for as long as those provisions continue to apply to the activity; and

(C) Records for individual activities for which there are outstanding loan balances, other receivables, or contingent liabilities must be retained until such receivables or liabilities have been satisfied.

(8) Section 200.343 “Closeout” applies to closeout of subrecipients.

(b) [Reserved]

[80 FR 75937, Dec. 7, 2015]

### **§ 570.503 Agreements with subrecipients.**

(a) Before disbursing any CDBG funds to a subrecipient, the recipient shall sign a written agreement with the subrecipient. The agreement shall remain in effect during any period that the subrecipient has control over CDBG funds, including program income.

(b) At a minimum, the written agreement with the subrecipient shall include provisions concerning the following items:

(1) **Statement of work.** The agreement shall include a description of the work to be performed, a schedule for completing the work, and a budget. These items shall be in sufficient detail to provide a sound basis for the recipient effectively to monitor performance under the agreement.

(2) **Records and reports.** The recipient shall specify in the agreement the particular records the subrecipient must maintain and the particular reports the subrecipient must submit in order to assist the recipient in meeting its recordkeeping and reporting requirements.

(3) **Program income.** The agreement shall include the program income requirements set forth in § 570.504(c). The agreement shall also specify that, at the end of the program year, the grantee may require remittance of all or part of any program income balances (including investments thereof) held by the subrecipient (except those needed for immediate cash needs, cash balances

of a revolving loan fund, cash balances from a lump sum drawdown, or cash or investments held for section 108 security needs).

(4) ***Uniform requirements.*** The agreement shall require the subrecipient to comply with applicable uniform requirements, as described in § 570.502.

(5) ***Other program requirements.*** The agreement shall require the subrecipient to carry out each activity in compliance with all Federal laws and regulations described in subpart K of these regulations, except that:

(i) The subrecipient does not assume the recipient's environmental responsibilities described at § 570.604; and

(ii) The subrecipient does not assume the recipient's responsibility for initiating the review process under the provisions of 24 CFR part 52.

(6) ***Suspension and termination.*** The agreement shall set forth remedies for noncompliance and provisions on termination in accordance with 2 CFR part 200, subpart D.

(7) ***Reversion of assets.*** The agreement shall specify that upon its expiration the subrecipient shall transfer to the recipient any CDBG funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds. It shall also include provisions designed to ensure that any real property under the subrecipient's control that was acquired or improved in whole or in part with CDBG funds (including CDBG funds provided to the subrecipient in the form of a loan) in excess of \$25,000 is either:

(i) Used to meet one of the national objectives in § 570.208 (formerly § 570.901) until five years after expiration of the agreement, or for such longer period of time as determined to be appropriate by the recipient; or

(ii) Not used in accordance with paragraph (b)(7)(i) of this section, in which event the subrecipient shall pay to the recipient an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvement to, the property. The payment is program income to the recipient. (No payment is required after the period of time specified in paragraph (b)(7)(i) of this section.)

#### **§ 570.504 Program income.**

(a) ***Recording program income.*** The receipt and expenditure of program income as defined in § 570.500(a) shall be recorded as part of the financial transactions of the grant program.

(b) ***Disposition of program income received by recipients.***

(1) Program income received before grant closeout may be retained by the recipient if the income is treated as additional CDBG funds subject to all applicable requirements governing the use of CDBG funds.

(2) If the recipient chooses to retain program income, that program income shall be disposed of as follows:

(i) Program income in the form of repayments to, or interest earned on, a revolving fund as defined in § 570.500(b) shall be substantially disbursed from the fund before additional cash withdrawals are made from the U.S. Treasury for the same activity. (This rule does not prevent a lump sum disbursement to finance the rehabilitation of privately owned properties as provided for in § 570.513.)

(ii) Substantially all other program income shall be disbursed for eligible activities before additional cash withdrawals are made from the U.S. Treasury.

(iii) At the end of each program year, the aggregate amount of program income cash balances and any investment thereof (except those needed for immediate cash needs, cash balances of a revolving loan fund, cash balances from a lump-sum drawdown, or cash or investments held for section 108 loan guarantee security needs) that, as of the last day of the program year, exceeds one-twelfth of the most recent grant made pursuant to § 570.304 shall be remitted to HUD as soon as practicable thereafter, to be placed in the recipient's line of credit. This provision applies to program income cash balances and investments thereof held by the grantee and its subrecipients. (This provision shall be applied for the first time at the end of the program year for which Federal Fiscal Year 1996 funds are provided.)

(3) Program income on hand at the time of closeout shall continue to be subject to the eligibility requirements in subpart C and all other applicable provisions of this part until it is expended.

(4) Unless otherwise provided in any grant closeout agreement, and subject to the requirements of paragraph (b)(5) of this section, income received after closeout shall not be governed by the provisions of this part, except that, if at the time of closeout the recipient has another ongoing CDBG grant received directly from HUD, funds received after closeout shall be treated as program income of the ongoing grant program.

(5) If the recipient does not have another ongoing grant received directly from HUD at the time of closeout, income received after closeout from the disposition of real property or from loans outstanding at the time of closeout shall not be governed by the provisions of this part, except that such income shall be used for activities that meet one of the national objectives in § 570.901 and the eligibility requirements described in section 105 of the Act.

(c) ***Disposition of program income received by subrecipients.*** The written agreement between the recipient and the subrecipient, as required by § 570.503, shall specify whether program income received is to be returned to the recipient or retained by the subrecipient. Where program

income is to be retained by the subrecipient, the agreement shall specify the activities that will be undertaken with the program income and that all provisions of the written agreement shall apply to the specified activities. When the subrecipient retains program income, transfers of grant funds by the recipient to the subrecipient shall be adjusted according to the principles described in paragraphs (b)(2) (i) and (ii) of this section. Any program income on hand when the agreement expires, or received after the agreement's expiration, shall be paid to the recipient as required by § 570.503(b)(8).

(d) ***Disposition of certain program income received by urban counties.*** Program income derived from urban county program activities undertaken by or within the jurisdiction of a unit of general local government which thereafter terminates its participation in the urban county shall continue to be program income of the urban county. The urban county may transfer the program income to the unit of general local government, upon its termination of urban county participation, provided that the unit of general local government has become an entitlement grantee and agrees to use the program income in its own CDBG entitlement program.

(e)

(1) ***Transfer of program income to Entitlement program.*** A unit of general local government that becomes eligible to be an Entitlement grantee may request the state's approval to transfer State CDBG grant-generated program income to the unit of general local government's Entitlement program. A state may approve the transfer, provided that the unit of general local government:

(i) Has officially elected to participate in the Entitlement grant program;

(ii) Agrees to use such program income in accordance with Entitlement program requirements; and

(iii) Has set up Integrated Disbursement and Information System (IDIS) access and agrees to enter receipt of program income into IDIS.

(2) ***Transfer of program income of grantees losing Entitlement status.*** Upon entry into the State CDBG program, a unit of general local government that has lost or relinquished its Entitlement status must, with respect to program income that a unit of general local government would otherwise be permitted to retain, either:

(i) Retain the program income generated under Entitlement grants and continue to comply with Entitlement program requirements for program income; or

(ii) Retain the program income and transfer it to the State CDBG program, in which case the unit of general local government must comply with the state's rules for program income and the requirements of § 570.489(e).

[53 FR 8058, Mar. 11, 1988, as amended at 60 FR 56915, Nov. 9, 1995; 77 FR 24146, Apr. 23, 2012]

**§ 570.505 Use of real property.**

The standards described in this section apply to real property within the recipient's control which was acquired or improved in whole or in part using CDBG funds in excess of \$25,000. These standards shall apply from the date CDBG funds are first spent for the property until five years after closeout of an entitlement recipient's participation in the entitlement CDBG program or, with respect to other recipients, until five years after the closeout of the grant from which the assistance to the property was provided.

(a) A recipient may not change the use or planned use of any such property (including the beneficiaries of such use) from that for which the acquisition or improvement was made unless the recipient provides affected citizens with reasonable notice of, and opportunity to comment on, any proposed change, and either:

(1) The new use of such property qualifies as meeting one of the national objectives in § 570.208 (formerly § 570.901) and is not a building for the general conduct of government; or

(2) The requirements in paragraph (b) of this section are met.

(b) If the recipient determines, after consultation with affected citizens, that it is appropriate to change the use of the property to a use which does not qualify under paragraph (a)(1) of this section, it may retain or dispose of the property for the changed use if the recipient's CDBG program is reimbursed in the amount of the current fair market value of the property, less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, and improvements to, the property.

(c) If the change of use occurs after closeout, the provisions governing income from the disposition of the real property in § 570.504(b)(4) or (5), as applicable, shall apply to the use of funds reimbursed.

(d) Following the reimbursement of the CDBG program in accordance with paragraph (b) of this section, the property no longer will be subject to any CDBG requirements.

[53 FR 8058, Mar. 11, 1988, as amended at 53 FR 41331, Oct. 21, 1988]

**§ 570.506 Records to be maintained.**

Each recipient shall establish and maintain sufficient records to enable the Secretary to determine whether the recipient has met the requirements of this part. At a minimum, the following records are needed:

(a) Records providing a full description of each activity assisted (or being assisted) with CDBG funds, including its location (if the activity has a geographical locus), the amount of CDBG

funds budgeted, obligated and expended for the activity, and the provision in subpart C under which it is eligible.

(b) Records demonstrating that each activity undertaken meets one of the criteria set forth in § 570.208. (Where information on income by family size is required, the recipient may substitute evidence establishing that the person assisted qualifies under another program having income qualification criteria at least as restrictive as that used in the definitions of “low and moderate income person” and “low and moderate income household” (as applicable) at § 570.3, such as Job Training Partnership Act (JTPA) and welfare programs; or the recipient may substitute evidence that the assisted person is homeless; or the recipient may substitute a copy of a verifiable certification from the assisted person that his or her family income does not exceed the applicable income limit established in accordance with § 570.3; or the recipient may substitute a notice that the assisted person is a referral from a state, county or local employment agency or other entity that agrees to refer individuals it determines to be low and moderate income persons based on HUD's criteria and agrees to maintain documentation supporting these determinations.) Such records shall include the following information:

(1) For each activity determined to benefit low and moderate income persons, the income limits applied and the point in time when the benefit was determined.

(2) For each activity determined to benefit low and moderate income persons based on the area served by the activity:

(i) The boundaries of the service area;

(ii) The income characteristics of families and unrelated individuals in the service area; and

(iii) If the percent of low and moderate income persons in the service area is less than 51 percent, data showing that the area qualifies under the exception criteria set forth at § 570.208(a)(1)(ii).

(3) For each activity determined to benefit low and moderate income persons because the activity involves a facility or service designed for use by a limited clientele consisting exclusively or predominantly of low and moderate income persons:

(i) Documentation establishing that the facility or service is designed for the particular needs of or used exclusively by senior citizens, adults meeting the Bureau of the Census' Current Population Reports definition of “severely disabled,” persons living with AIDS, battered spouses, abused children, the homeless, illiterate adults, or migrant farm workers, for which the regulations provide a presumption concerning the extent to which low- and moderate-income persons benefit; or

(ii) Documentation describing how the nature and, if applicable, the location of the facility or service establishes that it is used predominantly by low and moderate income persons; or

(iii) Data showing the size and annual income of the family of each person receiving the benefit.

- (4) For each activity carried out for the purpose of providing or improving housing which is determined to benefit low and moderate income persons:
- (i) A copy of a written agreement with each landlord or developer receiving CDBG assistance indicating the total number of dwelling units in each multifamily structure assisted and the number of those units which will be occupied by low and moderate income households after assistance;
  - (ii) The total cost of the activity, including both CDBG and non-CDBG funds.
  - (iii) For each unit occupied by a low and moderate income household, the size and income of the household;
  - (iv) For rental housing only:
    - (A) The rent charged (or to be charged) after assistance for each dwelling unit in each structure assisted; and
    - (B) Such information as necessary to show the affordability of units occupied (or to be occupied) by low and moderate income households pursuant to criteria established and made public by the recipient;
  - (v) For each property acquired on which there are no structures, evidence of commitments ensuring that the criteria in § 570.208(a)(3) will be met when the structures are built;
  - (vi) Where applicable, records demonstrating that the activity qualifies under the special conditions at § 570.208(a)(3)(i);
  - (vii) For any homebuyer assistance activity qualifying under § 570.201(e), 570.201(n), or 570.204, identification of the applicable eligibility paragraph and evidence that the activity meets the eligibility criteria for that provision; for any such activity qualifying under § 570.208(a), the size and income of each homebuyer's household; and
  - (viii) For a § 570.201(k) housing services activity, identification of the HOME project(s) or assistance that the housing services activity supports, and evidence that project(s) or assistance meet the HOME program income targeting requirements at 24 CFR 92.252 or 92.254.
- (5) For each activity determined to benefit low and moderate income persons based on the creation of jobs, the recipient shall provide the documentation described in either paragraph (b)(5)(i) or (ii) of this section.
- (i) Where the recipient chooses to document that at least 51 percent of the jobs will be available to low and moderate income persons, documentation for each assisted business shall include:
    - (A) A copy of a written agreement containing:

(1) A commitment by the business that it will make at least 51 percent of the jobs available to low and moderate income persons and will provide training for any of those jobs requiring special skills or education;

(2) A listing by job title of the permanent jobs to be created indicating which jobs will be available to low and moderate income persons, which jobs require special skills or education, and which jobs are part-time, if any; and

(3) A description of actions to be taken by the recipient and business to ensure that low and moderate income persons receive first consideration for those jobs; and

(B) A listing by job title of the permanent jobs filled, and which jobs of those were available to low and moderate income persons, and a description of how first consideration was given to such persons for those jobs. The description shall include what hiring process was used; which low and moderate income persons were interviewed for a particular job; and which low and moderate income persons were hired.

(ii) Where the recipient chooses to document that at least 51 percent of the jobs will be held by low and moderate income persons, documentation for each assisted business shall include:

(A) A copy of a written agreement containing:

(1) A commitment by the business that at least 51 percent of the jobs, on a full-time equivalent basis, will be held by low and moderate income persons; and

(2) A listing by job title of the permanent jobs to be created, identifying which are part-time, if any;

(B) A listing by job title of the permanent jobs filled and which jobs were initially held by low and moderate income persons; and

(C) For each such low and moderate income person hired, the size and annual income of the person's family prior to the person being hired for the job.

(6) For each activity determined to benefit low and moderate income persons based on the retention of jobs:

(i) Evidence that in the absence of CDBG assistance jobs would be lost;

(ii) For each business assisted, a listing by job title of permanent jobs retained, indicating which of those jobs are part-time and (where it is known) which are held by low and moderate income persons at the time the CDBG assistance is provided. Where applicable, identification of any of the retained jobs (other than those known to be held by low and moderate income persons) which are projected to become available to low and moderate income persons through job turnover within two years of the time CDBG assistance is provided. Information upon which the job turnover projections were based shall also be included in the record;

(iii) For each retained job claimed to be held by a low and moderate income person, information on the size and annual income of the person's family;

(iv) For jobs claimed to be available to low and moderate income persons based on job turnover, a description covering the items required for “available to” jobs in paragraph (b)(5) of this section; and

(v) Where jobs were claimed to be available to low and moderate income persons through turnover, a listing of each job which has turned over to date, indicating which of those jobs were either taken by, or available to, low and moderate income persons. For jobs made available, a description of how first consideration was given to such persons for those jobs shall also be included in the record.

(7) For purposes of documenting, pursuant to paragraph (b)(5)(i)(B), (b)(5)(ii)(C), (b)(6)(iii) or (b)(6)(v) of this section, that the person for whom a job was either filled by or made available to a low- or moderate-income person based upon the census tract where the person resides or in which the business is located, the recipient, in lieu of maintaining records showing the person's family size and income, may substitute records showing either the person's address at the time the determination of income status was made or the address of the business providing the job, as applicable, the census tract in which that address was located, the percent of persons residing in that tract who either are in poverty or who are low- and moderate-income, as applicable, the data source used for determining the percentage, and a description of the pervasive poverty and general distress in the census tract in sufficient detail to demonstrate how the census tract met the criteria in § 570.208(a)(4)(v), as applicable.

(8) For each activity determined to aid in the prevention or elimination of slums or blight based on addressing one or more of the conditions which qualified an area as a slum or blighted area:

(i) The boundaries of the area; and

(ii) A description of the conditions which qualified the area at the time of its designation in sufficient detail to demonstrate how the area met the criteria in § 570.208(b)(1).

(9) For each residential rehabilitation activity determined to aid in the prevention or elimination of slums or blight in a slum or blighted area:

(i) The local definition of “substandard”;

(ii) A pre-rehabilitation inspection report describing the deficiencies in each structure to be rehabilitated; and

(iii) Details and scope of CDBG assisted rehabilitation, by structure.

(10) For each activity determined to aid in the prevention or elimination of slums or blight based on the elimination of specific conditions of blight or physical decay not located in a slum or blighted area:

- (i) A description of the specific condition of blight or physical decay treated; and
  - (ii) For rehabilitation carried out under this category, a description of the specific conditions detrimental to public health and safety which were identified and the details and scope of the CDBG assisted rehabilitation by structure.
- (11) For each activity determined to aid in the prevention or elimination of slums or blight based on addressing slums or blight in an urban renewal area, a copy of the Urban Renewal Plan, as in effect at the time the activity is carried out, including maps and supporting documentation.
- (12) For each activity determined to meet a community development need having a particular urgency:
- (i) Documentation concerning the nature and degree of seriousness of the condition requiring assistance;
  - (ii) Evidence that the recipient certified that the CDBG activity was designed to address the urgent need;
  - (iii) Information on the timing of the development of the serious condition; and
  - (iv) Evidence confirming that other financial resources to alleviate the need were not available.
- (c)
- (1) Records that demonstrate that the recipient has made the determinations required as a condition of eligibility of certain activities, as prescribed in §§ 570.201(f), 570.201(i)(2), 570.201(p), 570.201(q), 570.202(b)(3), 570.206(f), 570.209, 570.210, and 570.309.
  - (2) Where applicable, records which either demonstrate compliance with the requirements of § 570.202(g) or § 570.204(a)(5) or document the State's or State's grant recipient's basis for an exception to the requirements of those paragraphs.
  - (d) Records which demonstrate compliance with § 570.503(b)(7) or § 570.505 regarding any change of use of real property acquired or improved with CDBG assistance.
  - (e) Records that demonstrate compliance with the citizen participation requirements prescribed in 24 CFR part 91, subpart B, for entitlement recipients, or in 24 CFR part 91, subpart C, for HUD-administered small cities recipients.
  - (f) Records which demonstrate compliance with the requirements in § 570.606 regarding acquisition, displacement, relocation, and replacement housing.
  - (g) Fair housing and equal opportunity records containing:
    - (1) Documentation of the actions the participating jurisdiction has taken to affirmatively further fair housing pursuant to §§ 5.151, 5.152, 91.225, 91.325, and 91.425 of this title.

(2) Data on the extent to which each racial and ethnic group and single-headed households (by gender of household head) have applied for, participated in, or benefited from, any program or activity funded in whole or in part with CDBG funds. Such information shall be used only as a basis for further investigation as to compliance with nondiscrimination requirements. No recipient is required to attain or maintain any particular statistical measure by race, ethnicity, or gender in covered programs.

(3) Data on employment in each of the recipient's operating units funded in whole or in part with CDBG funds, with such data maintained in the categories prescribed on the Equal Employment Opportunity Commission's EEO-4 form; and documentation of any actions undertaken to assure equal employment opportunities to all persons regardless of race, color, national origin, sex or handicap in operating units funded in whole or in part under this part.

(4) Data indicating the race and ethnicity of households (and gender of single heads of households) displaced as a result of CDBG funded activities, together with the address and census tract of the housing units to which each displaced household relocated. Such information shall be used only as a basis for further investigation as to compliance with nondiscrimination requirements. No recipient is required to attain or maintain any particular statistical measure by race, ethnicity, or gender in covered programs.

(5) Documentation of actions undertaken to meet the requirements of § 570.607(b) which implements section 3 of the Housing Development Act of 1968, as amended (12 U.S.C. 1701U) relative to the hiring and training of low and moderate income persons and the use of local businesses.

(6) Data indicating the racial/ethnic character of each business entity receiving a contract or subcontract of \$25,000 or more paid, or to be paid, with CDBG funds, data indicating which of those entities are women's business enterprises as defined in Executive Order 12138, the amount of the contract or subcontract, and documentation of recipient's affirmative steps to assure that minority business and women's business enterprises have an equal opportunity to obtain or compete for contracts and subcontracts as sources of supplies, equipment, construction and services. Such affirmative steps may include, but are not limited to, technical assistance open to all businesses but designed to enhance opportunities for these enterprises and special outreach efforts to inform them of contract opportunities. Such steps shall not include preferring any business in the award of any contract or subcontract solely or in part on the basis of race or gender.

(7) Documentation of the affirmative action measures the recipient has taken to overcome prior discrimination, where the courts or HUD have found that the recipient has previously discriminated against persons on the ground of race, color, national origin or sex in administering a program or activity funded in whole or in part with CDBG funds.

(h) Financial records, in accordance with the applicable requirements listed in § 570.502, including source documentation for entities not subject to 2 CFR part 200. Grantees shall maintain evidence to support how the CDBG funds provided to such entities are expended. Such documentation must include, to the extent applicable, invoices, schedules containing comparisons of budgeted amounts and actual expenditures, construction progress schedules signed by appropriate parties (e.g., general contractor and/or a project architect), and/or other documentation appropriate to the nature of the activity. Grantee records pertaining to obligations, expenditures, and drawdowns must be able to relate financial transactions to either a specific origin year grant or to program income received during a specific program year.

(i) Agreements and other records related to lump sum disbursements to private financial institutions for financing rehabilitation as prescribed in § 570.513; and

(j) Records required to be maintained in accordance with other applicable laws and regulations set forth in subpart K of this part.

### **§ 570.507 Reports.**

(a) *Performance and evaluation report* —

(1) *Entitlement grant recipients and HUD-administered small cities recipients in Hawaii*. The annual performance and evaluation report shall be submitted in accordance with 24 CFR part 91.

(2) *HUD-administered Small Cities recipients in New York, and Hawaii recipients for pre-FY 1995 grants* —

(i) **Content**. Each performance and evaluation report must contain completed copies of all forms and narratives prescribed by HUD, including a summary of the citizen comments received on the report.

(ii) **Timing**. The performance and evaluation report on each grant shall be submitted:

(A) No later than October 31 for all grants executed before April 1 of the same calendar year. The first report should cover the period from the execution of the grant until September 30. Reports on grants made after March 31 of a calendar year will be due October 31 of the following calendar year, and the reports will cover the period of time from the execution of the grant until September 30 of the calendar year following grant execution. After the initial submission, the performance and evaluation report will be submitted annually on October 31 until completion of the activities funded under the grant;

(B) Hawaii grantees will submit their small cities performance and evaluation report for each pre-FY 1995 grant no later than 90 days after the completion of their most recent program year. After the initial submission, the performance and evaluation report will be submitted annually until completion of the activities funded under the grant; and

(C) No later than 90 days after the criteria for grant closeout, as described in § 570.509(a), have been met.

(iii) ***Citizen comments on the report.*** Each recipient shall make copies of the performance and evaluation report available to its citizens in sufficient time to permit the citizens to comment on the report before its submission to HUD. Each recipient may determine the specific manner and times the report will be made available to citizens consistent with the preceding sentence.

(b) ***Equal employment opportunity reports.*** Recipients of entitlement grants or HUD-administered small cities grants shall submit to HUD each year a report (HUD/EEO-4) on recipient employment containing data as of June 30.

(c) ***Minority business enterprise reports.*** Recipients of entitlement grants, HUD-administered small cities grants or Urban Development Action Grants shall submit to HUD, by April 30, a report on contracts and subcontract activity during the first half of the fiscal year and by October 31 a report on such activity during the second half of the year.

(d) ***Other reports.*** Recipients may be required to submit such other reports and information as HUD determines are necessary to carry out its responsibilities under the Act or other applicable laws.

(Approved by the Office of Management and Budget under control numbers 2506-0077 for paragraph (a) and 2529-0008 for paragraph (b) and 2506-0066 for paragraph (c))

#### **§ 570.508 Public access to program records.**

Notwithstanding 2 CFR 200.337, recipients shall provide citizens with reasonable access to records regarding the past use of CDBG funds, consistent with applicable State and local laws regarding privacy and obligations of confidentiality.

[53 FR 8058, Mar. 11, 1988, as amended at 80 FR 75938, Dec. 7, 2015]

#### **§ 570.509 Grant closeout procedures.**

(a) ***Criteria for closeout.*** HUD may make grant closeout determinations for individual grants or multiple grants simultaneously. A grant will be closed out when HUD determines, in consultation with the recipient, that the following criteria have been met:

(1) All costs to be paid with CDBG funds from a given origin year's grant have been expended and drawn down, with the exception of closeout costs (e.g., audit costs) and costs resulting from contingent liabilities described in the closeout agreement pursuant to paragraph (c) of this section. Contingent liabilities include, but are not limited to, third-party claims against the recipient, as well as related administrative costs.

(2) All activities for which funds were expended from the origin year grant are physically completed, are eligible, have met a national objective under § 570.208, and the grantee has reported on all accomplishments resulting from the activity.

(3) A final performance and expenditure report for completed activities has been submitted to HUD pursuant to 24 CFR 91.520, and HUD has determined the plan is satisfactory.

(4) All program income received by the grantee during the grantee program year associated with the origin year grant has been expended, or identified in a more recent program year's Action Plan, pursuant to 24 CFR 91.220(l).

(5) For origin year 2015 grants and subsequent grants, the grantee has expended no more than 20 percent of the origin year grant for planning and program administrative costs, under § 570.200(g)(1).

(6) Other responsibilities of the recipient under the grant agreement and applicable laws and regulations appear to have been carried out satisfactorily or there is no further Federal interest in keeping the grant agreement open for the purpose of securing performance.

**(b) *Closeout actions.***

(1) Based on the information provided in the performance report and other relevant information, HUD, in consultation with the recipient, will prepare a closeout agreement in accordance with paragraph (c) of this section.

(2) HUD will cancel any unused portion of the awarded grant, as shown in the signed grant closeout agreement. Any unused grant funds disbursed from the U.S. Treasury which are in the possession of the recipient shall be refunded to HUD. Any funds which have exceeded the statutory time limit on the use of funds will be recaptured by the U.S. Treasury pursuant to 24 CFR 570.200(k).

(3) Any costs paid with CDBG funds which were not audited previously shall be subject to coverage in the recipient's next single audit performed in accordance with HUD regulations implementing the Single Audit Act requirements at 2 CFR part 200. The recipient may be required to repay HUD any disallowed costs based on the results of the audit, or on additional HUD reviews provided for in the closeout agreement.

**(c) *Closeout agreement.*** Any obligations remaining as of the date of the closeout shall be covered by the terms of a closeout agreement. The agreement shall be prepared by the HUD field

office in consultation with the recipient. The agreement shall identify the grant being closed out, and include provisions with respect to the following:

(1) Identification of any closeout costs or contingent liabilities subject to payment with CDBG funds after the closeout agreement is signed;

(2) Identification of any unused grant funds to be canceled by HUD;

(3) Description of the recipient's responsibility after closeout for:

(i) Compliance with all program requirements, certifications, and assurances in using any remaining CDBG funds available for closeout costs and contingent liabilities;

(ii) Use of real property assisted with CDBG funds in accordance with the principles described in §§ 570.503(b)(7) and 570.505;

(iii) Compliance with requirements governing future program income or receivables generated from activities funded from the origin year grant, as described in § 570.504(b)(4) and (5);

(iv) Ensuring that flood insurance coverage for affected property owners is maintained for the mandatory period; and

(4) Other provisions appropriate to any special circumstances of the grant closeout, in modification of or in addition to the obligations in paragraphs (c)(1) through (4) of this section. The agreement shall authorize monitoring by HUD, and shall provide that findings of noncompliance may be taken into account by HUD, as unsatisfactory performance of the recipient, in the consideration of any future grant award under this part.

(d) ***Status of consolidated plan after closeout.*** Unless otherwise provided in a closeout agreement, the Consolidated Plan will remain in effect after closeout until the expiration of the program year covered by the last approved consolidated plan.

(e) ***Termination of grant for convenience.*** Grant assistance provided under this part may be terminated for convenience in whole or in part before the completion of the assisted activities, in accordance with the provisions of 2 CFR 200.339. The recipient shall not incur new obligations for the terminated portions after the effective date, and shall cancel as many outstanding obligations as possible. HUD shall allow full credit to the recipient for those portions of obligations which could not be canceled and which had been properly incurred by the recipient in carrying out the activities before the termination. The closeout policies contained in this section shall apply in such cases, except where the approved grant is terminated in its entirety. Responsibility for the environmental review to be performed under 24 CFR part 50 or 24 CFR part 58, as applicable, shall be determined as part of the closeout process.

(f) ***Termination for cause.*** In cases in which the Secretary terminates the recipient's grant under the authority of subpart O of this part, or under the terms of the grant agreement, the closeout policies contained in this section shall apply, except where the approved grant is cancelled in its

entirety. The provisions in 2 CFR 200.342) on the effects of termination shall also apply. HUD shall determine whether an environmental assessment or finding of inapplicability is required, and if such review is required, HUD shall perform it in accordance with 24 CFR part 50.

### **§ 570.510 Transferring projects from urban counties to metropolitan cities.**

Section 106(c)(3) of the Act authorizes the Secretary to transfer unobligated grant funds from an urban county to a new metropolitan city, provided: the city was an included unit of general local government in the urban county immediately before its qualification as a metropolitan city; the funds to be transferred were received by the county before the qualification of the city as a metropolitan city; the funds to be transferred had been programmed by the urban county for use in the city before such qualification; and the city and county agree to transfer responsibility for the administration of the funds being transferred from the county's letter of credit to the city's letter of credit. The following rules apply to the transfer of responsibility for an activity from an urban county to the new metropolitan city.

(a) The urban county and the metropolitan city must execute a legally binding agreement which shall specify:

- (1) The amount of funds to be transferred from the urban county's letter of credit to the metropolitan city's letter of credit;
- (2) The activities to be carried out by the city with the funds being transferred;
- (3) The county's responsibility for all expenditures and unliquidated obligations associated with the activities before the time of transfer, including a statement that responsibility for all audit and monitoring findings associated with those expenditures and obligations shall remain with the county;
- (4) The responsibility of the metropolitan city for all other audit and monitoring findings;
- (5) How program income (if any) from the activities specified shall be divided between the metropolitan city and the urban county; and
- (6) Such other provisions as may be required by HUD.

(b) Upon receipt of a request for the transfer of funds from an urban county to a metropolitan city and a copy of the executed agreement, HUD, in consultation with the Department of the Treasury, shall establish a date upon which the funds shall be transferred from the letter of credit of the urban county to the letter of credit of the metropolitan city, and shall take all necessary actions to effect the requested transfer of funds.

(c) HUD shall notify the metropolitan city and urban county of any special audit and monitoring rules which apply to the transferred funds when the date of the transfer is communicated to the city and the county.

**§ 570.511 Use of escrow accounts for rehabilitation of privately owned residential property.**

(a) **Limitations.** A recipient may withdraw funds from its letter of credit for immediate deposit into an escrow account for use in funding loans and grants for the rehabilitation of privately owned residential property under § 570.202(a)(1). The following additional limitations apply to the use of escrow accounts for residential rehabilitation loans and grants closed after September 7, 1990:

(1) The use of escrow accounts under this section is limited to loans and grants for the rehabilitation of primarily residential properties containing no more than four dwelling units (and accessory neighborhood-scale non-residential space within the same structure, if any, *e.g.*, a store front below a dwelling unit).

(2) An escrow account shall not be used unless the contract between the property owner and the contractor selected to do the rehabilitation work specifically provides that payment to the contractor shall be made through an escrow account maintained by the recipient, by a subrecipient as defined in § 570.500(c), by a public agency designated under § 570.501(a), or by an agent under a procurement contract governed by the requirements of 2 CFR part 200, subpart D. No deposit to the escrow account shall be made until after the contract has been executed between the property owner and the rehabilitation contractor.

(3) All funds withdrawn under this section shall be deposited into one interest earning account with a financial institution. Separate bank accounts shall not be established for individual loans and grants.

(4) The amount of funds deposited into an escrow account shall be limited to the amount expected to be disbursed within 10 working days from the date of deposit. If the escrow account, for whatever reason, at any time contains funds exceeding 10 days cash needs, the grantee immediately shall transfer the excess funds to its program account. In the program account, the excess funds shall be treated as funds erroneously drawn in accordance with the requirements of U.S. Treasury Financial Manual, paragraph 6-2075.30.

(5) Funds deposited into an escrow account shall be used only to pay the actual costs of rehabilitation incurred by the owner under the contract with a private contractor. Other eligible costs related to the rehabilitation loan or grant, *e.g.*, the recipient's administrative costs under § 570.206 or rehabilitation services costs under § 570.202(b)(9), are not permissible uses of escrowed funds. Such other eligible rehabilitation costs shall be paid under normal CDBG payment procedures (*e.g.*, from withdrawals of grant funds under the recipient's letter of credit with the Treasury).

(b) **Interest.** Interest earned on escrow accounts established in accordance with this section, less any service charges for the account, shall be remitted to HUD at least quarterly but not more frequently than monthly. Interest earned on escrow accounts is not required to be remitted to HUD to the extent the interest is attributable to the investment of program income.

(c) **Remedies for noncompliance.** If HUD determines that a recipient has failed to use an escrow account in accordance with this section, HUD may, in addition to imposing any other sanctions provided for under this part, require the recipient to discontinue the use of escrow accounts, in whole or in part.

[55 FR 32369, Aug. 8, 1990, as amended at 80 FR 75938, Dec. 7, 2015]

#### § 570.512 [Reserved]

#### § 570.513 Lump sum drawdown for financing of property rehabilitation activities.

Subject to the conditions prescribed in this section, recipients may draw funds from the letter of credit in a lump sum to establish a rehabilitation fund in one or more private financial institutions for the purpose of financing the rehabilitation of privately owned properties. The fund may be used in conjunction with various rehabilitation financing techniques, including loans, interest subsidies, loan guarantees, loan reserves, or such other uses as may be approved by HUD consistent with the objectives of this section. The fund may also be used for making grants, but only for the purpose of leveraging non-CDBG funds for the rehabilitation of the same property.

##### (a) **Limitation on drawdown of grant funds.**

(1) The funds that a recipient deposits to a rehabilitation fund shall not exceed the grant amount that the recipient reasonably expects will be required, together with anticipated program income from interest and loan repayments, for the rehabilitation activities during the period specified in the agreement to undertake activities, based on either:

(i) Prior level of rehabilitation activity; or

(ii) Rehabilitation staffing and management capacity during the period specified in the agreement to undertake activities.

(2) No grant funds may be deposited under this section solely for the purpose of investment, notwithstanding that the interest or other income is to be used for the rehabilitation activities.

(3) The recipient's rehabilitation program administrative costs and the administrative costs of the financial institution may not be funded through lump sum drawdown. Such costs must be paid from periodic letter of credit withdrawals in accordance with standard procedures or from program income, other than program income generated by the lump sum distribution.

(b) **Standards to be met.** The following standards shall apply to all lump sum drawdowns of CDBG funds for rehabilitation:

(1) **Eligible rehabilitation activities.** The rehabilitation fund shall be used to finance the rehabilitation of privately owned properties eligible under the general policies in § 570.200 and the specific provisions of either § 570.202, including the acquisition of properties for rehabilitation, or § 570.203.

(2) **Requirements for agreement.** The recipient shall execute a written agreement with one or more private financial institutions for the operation of the rehabilitation fund. The agreement shall specify the obligations and responsibilities of the parties, the terms and conditions on which CDBG funds are to be deposited and used or returned, the anticipated level of rehabilitation activities by the financial institution, the rate of interest and other benefits to be provided by the financial institution in return for the lump sum deposit, and such other terms as are necessary for compliance with the provisions of this section. Upon execution of the agreement, a copy must be provided to the HUD field office for its record and use in monitoring. Any modifications made during the term of the agreement must also be provided to HUD.

(3) **Period to undertake activities.** The agreement must provide that the rehabilitation fund may only be used for authorized activities during a period of no more than two years. The lump sum deposit shall be made only after the agreement is fully executed.

(4) **Time limit on use of deposited funds.** Use of the deposited funds for rehabilitation financing assistance must start (e.g., first loan must be made, subsidized or guaranteed) within 45 days of the deposit. In addition, substantial disbursements from the fund must occur within 180 days of the receipt of the deposit. (Where CDBG funds are used as a guarantee, the funds that must be substantially disbursed are the guaranteed funds.) For a recipient with an agreement specifying two years to undertake activities, the disbursement of 25 percent of the fund (deposit plus any interest earned) within 180 days will be regarded as meeting this requirement. If a recipient with an agreement specifying two years to undertake activities determines that it has had substantial disbursement from the fund within the 180 days although it had not met this 25 percent threshold, the justification for the recipient's determination shall be included in the program file. Should use of deposited funds not start within 45 days, or substantial disbursement from such fund not occur within 180 days, the recipient may be required by HUD to return all or part of the deposited funds to the recipient's letter of credit.

(5) **Program activity.** Recipients shall review the level of program activity on a yearly basis. Where activity is substantially below that anticipated, program funds shall be returned to the recipient's letter of credit.

(6) **Termination of agreement.** In the case of substantial failure by a private financial institution to comply with the terms of a lump sum drawdown agreement, the recipient shall terminate its agreement, provide written justification for the action, withdraw all unobligated deposited funds from the private financial institution, and return the funds to the recipient's letter of credit.

(7) ***Return of unused deposits.*** At the end of the period specified in the agreement for undertaking activities, all unobligated deposited funds shall be returned to the recipient's letter of credit unless the recipient enters into a new agreement conforming to the requirements of this section. Any program income which will be governed by a new agreement must be identified in the current program year Action Plan, pursuant to 24 CFR 91.220(1). In addition, the recipient shall reserve the right to withdraw any unobligated deposited funds required by HUD in the exercise of corrective or remedial actions authorized under § 570.910(b), § 570.911, § 570.912 or § 570.913.

(8) ***Rehabilitation loans made with non-CDBG funds.*** If the deposited funds or program income derived from deposited funds are used to subsidize or guarantee repayment of rehabilitation loans made with non-CDBG funds, or to provide a supplemental loan or grant to the borrower of the non-CDBG funds, the rehabilitation activities are considered to be CDBG-assisted activities subject to the requirements applicable to such activities, except that repayment of non-CDBG funds shall not be treated as program income.

(9) ***Provision of consideration.*** In consideration for the lump sum deposit by the recipient in a private financial institution, the deposit must result in appropriate benefits in support of the recipient's local rehabilitation program. Minimum requirements for such benefits are:

(i) Grantees shall require the financial institution to pay interest on the lump sum deposit.

(A) The interest rate paid by the financial institution shall be no more than three points below the rate on one year Treasury obligations at constant maturity.

(B) When an agreement sets a fixed interest rate for the entire term of the agreement, the rate should be based on the rate at the time the agreement is executed.

(C) The agreement may provide for an interest rate that would fluctuate periodically during the term of the agreement, but at no time shall the rate be established at more than three points below the rate on one year Treasury obligations at constant maturity.

(ii) In addition to the payment of interest, at least one of the following benefits must be provided by the financial institution:

(A) Leverage of the deposited funds so that the financial institution commits private funds for loans in the rehabilitation program in an amount substantially in excess of the amount of the lump sum deposit;

(B) Commitment of private funds by the financial institution for rehabilitation loans at below market interest rates, at higher than normal risk, or with longer than normal repayment periods;  
or

(C) Provision of administrative services in support of the rehabilitation program by the participating financial institution at no cost or at lower than actual cost.

(c) **Program income.** Interest earned on lump sum deposits and payments on loans made from such deposits are program income and, during the period of the agreement, shall be used for rehabilitation activities under the provisions of this section.

(d) **Outstanding findings.** Notwithstanding any other provision of this section, no recipient shall enter into a new agreement during any period of time in which an audit or monitoring finding on a previous lump sum drawdown agreement remains unresolved.

(e) **Prior notification.** The recipient shall provide the HUD field office with written notification of the amount of funds to be distributed to a private financial institution before distribution under the provisions of this section.

(f) **Recordkeeping requirements.** The recipient shall maintain in its files a copy of the written agreement and related documents establishing conformance with this section and concerning performance by a financial institution in accordance with the agreement.

### **Subpart K—Other Program Requirements**

**Source:** 53 FR 34456, Sept. 6, 1988, unless otherwise noted.

#### **§ 570.600 General.**

(a) This subpart K enumerates laws that the Secretary will treat as applicable to grants made under section 106 of the Act, other than grants to states made pursuant to section 106(d) of the Act, for purposes of the Secretary's determinations under section 104(e)(1) of the Act, including statutes expressly made applicable by the Act and certain other statutes and Executive Orders for which the Secretary has enforcement responsibility. This subpart K applies to grants made under the Insular Areas Program in § 570.405 and § 570.440 with the exception of § 570.612. The absence of mention herein of any other statute for which the Secretary does not have direct enforcement responsibility is not intended to be taken as an indication that, in the Secretary's opinion, such statute or Executive Order is not applicable to activities assisted under the Act. For laws that the Secretary will treat as applicable to grants made to states under section 106(d) of the Act for purposes of the determination required to be made by the Secretary pursuant to section 104(e)(2) of the Act, see § 570.487.

(b) This subpart also sets forth certain additional program requirements which the Secretary has determined to be applicable to grants provided under the Act as a matter of administrative discretion.

(c) In addition to grants made pursuant to section 106(b) and 106(d)(2)(B) of the Act (subparts D and F, respectively), the requirements of this subpart K are applicable to grants made pursuant to sections 107 and 119 of the Act (subparts E and G, respectively), and to loans guaranteed pursuant to subpart M.

**§ 570.601 Public Law 88-352 and Public Law 90-284; affirmatively furthering fair housing; Executive Order 11063.**

(a) The following requirements apply according to sections 104(b) and 107 of the Act:

(1) Public Law 88-352, which is title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), and implementing regulations in 24 CFR part 1.

(2) Public Law 90-284, which is the Fair Housing Act (42 U.S.C. 3601-3620). In accordance with the Fair Housing Act, the Secretary requires that grantees administer all programs and activities related to housing and community development in a manner to affirmatively further the policies of the Fair Housing Act.

(b) Executive Order 11063, as amended by Executive Order 12259 (3 CFR, 1959-1963 Comp., p. 652; 3 CFR, 1980 Comp., p. 307) (Equal Opportunity in Housing), and implementing regulations in 24 CFR part 107, also apply.

[61 FR 11477, Mar. 20, 1996, as amended at 80 FR 42368, July 16, 2015; 85 FR 47911, Aug. 7, 2020; 86 FR 30792, June 10, 2021]

**§ 570.602 Section 109 of the Act.**

Section 109 of the Act requires that no person in the United States shall on the grounds of race, color, national origin, religion, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance made available pursuant to the Act. Section 109 also directs that the prohibitions against discrimination on the basis of age under the Age Discrimination Act and the prohibitions against discrimination on the basis of disability under Section 504 shall apply to programs or activities receiving Federal financial assistance under Title I programs. The policies and procedures necessary to ensure enforcement of section 109 are codified in 24 CFR part 6.

[64 FR 3802, Jan. 25, 1999]

**§ 570.603 Labor standards.**

(a) Section 110(a) of the Act contains labor standards that apply to nonvolunteer labor financed in whole or in part with assistance received under the Act. In accordance with section 110(a) of the Act, the Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.) also applies. However, these requirements apply to the rehabilitation of residential property only if such property contains not less than 8 units.

(b) The regulations in 24 CFR part 70 apply to the use of volunteers.

[61 FR 11477, Mar. 20, 1996]

#### **§ 570.604 Environmental standards.**

For purposes of section 104(g) of the Act, the regulations in 24 CFR part 58 specify the other provisions of law which further the purposes of the National Environmental Policy Act of 1969, and the procedures by which grantees must fulfill their environmental responsibilities. In certain cases, grantees assume these environmental review, decisionmaking, and action responsibilities by execution of grant agreements with the Secretary.

[61 FR 11477, Mar. 20, 1996]

#### **§ 570.605 National Flood Insurance Program.**

Notwithstanding the date of HUD approval of the recipient's application (or, in the case of grants made under subpart D of this part or HUD-administered small cities recipients in Hawaii, the date of submission of the grantee's consolidated plan, in accordance with 24 CFR part 91), section 202(a) of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4106) and the regulations in 44 CFR parts 59 through 79 apply to funds provided under this part 570.

[61 FR 11477, Mar. 20, 1996]

#### **§ 570.606 Displacement, relocation, acquisition, and replacement of housing.**

(a) ***General policy for minimizing displacement.*** Consistent with the other goals and objectives of this part, grantees (or States or state recipients, as applicable) shall assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of activities assisted under this part.

(b) ***Relocation assistance for displaced persons at URA levels.***

(1) A displaced person shall be provided with relocation assistance at the levels described in, and in accordance with the requirements of 49 CFR part 24, which contains the government-wide regulations implementing the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601-4655).

(2) ***Displaced person.***

(i) For purposes of paragraph (b) of this section, the term “*displaced person*” means any person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves his or her personal property from real property, permanently and involuntarily, as a direct result of rehabilitation, demolition, or acquisition for an activity assisted under this part. A permanent, involuntary move for an assisted activity includes a permanent move from real property that is made:

(A) After notice by the grantee (or the state recipient, if applicable) to move permanently from the property, if the move occurs after the initial official submission to HUD (or the State, as

applicable) for grant, loan, or loan guarantee funds under this part that are later provided or granted.

(B) After notice by the property owner to move permanently from the property, if the move occurs after the date of the submission of a request for financial assistance by the property owner (or person in control of the site) that is later approved for the requested activity.

(C) Before the date described in paragraph (b)(2)(i)(A) or (B) of this section, if either HUD or the grantee (or State, as applicable) determines that the displacement directly resulted from acquisition, rehabilitation, or demolition for the requested activity.

(D) After the “initiation of negotiations” if the person is the tenant-occupant of a dwelling unit and any one of the following three situations occurs:

(1) The tenant has not been provided with a reasonable opportunity to lease and occupy a suitable decent, safe, and sanitary dwelling in the same building/complex upon the completion of the project, including a monthly rent that does not exceed the greater of the tenant's monthly rent and estimated average utility costs before the initiation of negotiations or 30 percent of the household's average monthly gross income; or

(2) The tenant is required to relocate temporarily for the activity but the tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporary location and any increased housing costs, or other conditions of the temporary relocation are not reasonable; and the tenant does not return to the building/complex; or

(3) The tenant is required to move to another unit in the building/complex, but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move.

(ii) Notwithstanding the provisions of paragraph (b)(2)(i) of this section, the term “*displaced person*” does not include:

(A) A person who is evicted for cause based upon serious or repeated violations of material terms of the lease or occupancy agreement. To exclude a person on this basis, the grantee (or State or state recipient, as applicable) must determine that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance under this section;

(B) A person who moves into the property after the date of the notice described in paragraph (b)(2)(i)(A) or (B) of this section, but who received a written notice of the expected displacement before occupancy.

(C) A person who is not displaced as described in 49 CFR 24.2(g)(2).

(D) A person who the grantee (or State, as applicable) determines is not displaced as a direct result of the acquisition, rehabilitation, or demolition for an assisted activity. To exclude a person on this basis, HUD must concur in that determination.

(iii) A grantee (or State or state recipient, as applicable) may, at any time, request HUD to determine whether a person is a displaced person under this section.

(3) **Initiation of negotiations.** For purposes of determining the type of replacement housing assistance to be provided under paragraph (b) of this section, if the displacement is the direct result of privately undertaken rehabilitation, demolition, or acquisition of real property, the term “*initiation of negotiations*” means the execution of the grant or loan agreement between the grantee (or State or state recipient, as applicable) and the person owning or controlling the real property.

(c) **Residential antidisplacement and relocation assistance plan.** The grantee shall comply with the requirements of 24 CFR part 42, subpart B.

(d) **Optional relocation assistance.** Under section 105(a)(11) of the Act, the grantee may provide (or the State may permit the state recipient to provide, as applicable) relocation payments and other relocation assistance to persons displaced by activities that are not subject to paragraph (b) or (c) of this section. The grantee may also provide (or the State may also permit the state recipient to provide, as applicable) relocation assistance to persons receiving assistance under paragraphs (b) or (c) of this section at levels in excess of those required by these paragraphs. Unless such assistance is provided under State or local law, the grantee (or state recipient, as applicable) shall provide such assistance only upon the basis of a written determination that the assistance is appropriate (see, e.g., 24 CFR 570.201(i), as applicable). The grantee (or state recipient, as applicable) must adopt a written policy available to the public that describes the relocation assistance that the grantee (or state recipient, as applicable) has elected to provide and that provides for equal relocation assistance within each class of displaced persons.

(e) **Acquisition of real property.** The acquisition of real property for an assisted activity is subject to 49 CFR part 24, subpart B.

(f) **Appeals.** If a person disagrees with the determination of the grantee (or the state recipient, as applicable) concerning the person's eligibility for, or the amount of, a relocation payment under this section, the person may file a written appeal of that determination with the grantee (or state recipient, as applicable). The appeal procedures to be followed are described in 49 CFR 24.10. In addition, a low- or moderate-income household that has been displaced from a dwelling may file a written request for review of the grantee's decision to the HUD Field Office. For purposes of the State CDBG program, a low- or moderate-income household may file a written request for review of the state recipient's decision with the State.

(g) **Responsibility of grantee or State.**

(1) The grantee (or State, if applicable) is responsible for ensuring compliance with the requirements of this section, notwithstanding any third party's contractual obligation to the grantee to comply with the provisions of this section. For purposes of the State CDBG program,

the State shall require state recipients to certify that they will comply with the requirements of this section.

(2) The cost of assistance required under this section may be paid from local public funds, funds provided under this part, or funds available from other sources.

(3) The grantee (or State and state recipient, as applicable) must maintain records in sufficient detail to demonstrate compliance with the provisions of this section.

#### **§ 570.607 Employment and contracting opportunities.**

To the extent that they are otherwise applicable, grantees shall comply with:

(a) Executive Order 11246, as amended by Executive Orders 11375, 11478, *12086*, and 12107 (3 CFR 1964-1965 Comp. p. 339; 3 CFR, 1966-1970 Comp., p. 684; 3 CFR, 1966-1970., p. 803; 3 CFR, 1978 Comp., p. 230; 3 CFR, 1978 Comp., p. 264 (Equal Employment Opportunity), and Executive Order 13279 (Equal Protection of the Laws for Faith-Based and Community Organizations), 67 FR 77141, 3 CFR, 2002 Comp., p. 258; and the implementing regulations at 41 CFR chapter 60; and

(b) Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR part 75.

#### **§ 570.608 Lead-based paint.**

The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at part 35, subparts A, B, J, K, and R of this part apply to activities under this program.

[64 FR 50226, Sept. 15, 1999]

#### **§ 570.609 Use of debarred, suspended or ineligible contractors or subrecipients.**

The requirements set forth in 24 CFR part 5 apply to this program.

[61 FR 5209, Feb. 9, 1996]

#### **§ 570.610 Uniform administrative requirements, cost principles, and audit requirements for Federal awards.**

The recipient, its agencies or instrumentalities, and subrecipients shall comply with 2 CFR part 200, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards”, as set forth at § 570.502.

[80 FR 75938, Dec. 7, 2015]

**§ 570.611 Conflict of interest.**

(a) ***Applicability.***

(1) In the procurement of supplies, equipment, construction, and services by recipients and by subrecipients, the conflict of interest provisions in 2 CFR 200.317 and 200.318 shall apply.

(2) In all cases not governed by 2 CFR 200.317 and 200.318, the provisions of this section shall apply. Such cases include the acquisition and disposition of real property and the provision of assistance by the recipient or by its subrecipients to individuals, businesses, and other private entities under eligible activities that authorize such assistance (e.g., rehabilitation, preservation, and other improvements of private properties or facilities pursuant to § 570.202; or grants, loans, and other assistance to businesses, individuals, and other private entities pursuant to § 570.203, 570.204, 570.455, or 570.703(i)).

(b) ***Conflicts prohibited.*** The general rule is that no persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this part, or who are in a position to participate in a decisionmaking process or gain inside information with regard to such activities, may obtain a financial interest or benefit from a CDBG-assisted activity, or have a financial interest in any contract, subcontract, or agreement with respect to a CDBG-assisted activity, or with respect to the proceeds of the CDBG-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter. For the UDAG program, the above restrictions shall apply to all activities that are a part of the UDAG project, and shall cover any such financial interest or benefit during, or at any time after, such person's tenure.

(c) ***Persons covered.*** The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the recipient, or of any designated public agencies, or of subrecipients that are receiving funds under this part.

(d) ***Exceptions.*** Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it has satisfactorily met the threshold requirements of (d)(1) of this section, taking into account the cumulative effects of paragraph (d)(2) of this section.

(1) ***Threshold requirements.*** HUD will consider an exception only after the recipient has provided the following documentation:

- (i) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and
- (ii) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(2) ***Factors to be considered for exceptions.*** In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (d)(1) of this section, HUD shall conclude that such an exception will serve to further the purposes of the Act and the effective and efficient administration of the recipient's program or project, taking into account the cumulative effect of the following factors, as applicable:

- (i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;
- (ii) Whether an opportunity was provided for open competitive bidding or negotiation;
- (iii) Whether the person affected is a member of a group or class of low- or moderate-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
- (iv) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;
- (v) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (b) of this section;
- (vi) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
- (vii) Any other relevant considerations.

#### **§ 570.612 Executive Order 12372.**

(a) ***General.*** Executive Order 12372, Intergovernmental Review of Federal Programs, and the Department's implementing regulations at 24 CFR part 52, allow each State to establish its own process for review and comment on proposed Federal financial assistance programs.

(b) ***Applicability.*** Executive Order 12372 applies to the CDBG Entitlement program and the UDAG program. The Executive Order applies to all activities proposed to be assisted under UDAG, but it applies to the Entitlement program only where a grantee proposes to use funds for the planning or construction (reconstruction or installation) of water or sewer facilities. Such facilities include storm sewers as well as all sanitary sewers, but do not include water and sewer lines connecting a structure to the lines in the public right-of-way or easement. It is the

responsibility of the grantee to initiate the Executive Order review process if it proposes to use its CDBG or UDAG funds for activities subject to review.

### **§ 570.613 Eligibility restrictions for certain resident aliens.**

(a) **Restriction.** Certain newly legalized aliens, as described in 24 CFR part 49, are not eligible to apply for benefits under covered activities funded by the programs listed in paragraph (e) of this section. “Benefits” under this section means financial assistance, public services, jobs and access to new or rehabilitated housing and other facilities made available under covered activities funded by programs listed in paragraph (e) of this section. “Benefits” do not include relocation services and payments to which displacees are entitled by law.

(b) **Covered activities.** “Covered activities” under this section means activities meeting the requirements of § 570.208(a) that either:

(1) Have income eligibility requirements limiting the benefits exclusively to low and moderate income persons; or

(2) Are targeted geographically or otherwise to primarily benefit low and moderate income persons (excluding activities serving the public at large, such as sewers, roads, sidewalks, and parks), and that provide benefits to persons on the basis of an application.

(c) **Limitation on coverage.** The restrictions under this section apply only to applicants for new benefits not being received by covered resident aliens as of the effective date of this section.

(d) **Compliance.** Compliance can be accomplished by obtaining certification as provided in 24 CFR 49.20.

(e) **Programs affected.**

(1) The Community Development Block Grant program for small cities, administered under subpart F of part 570 of this title until closeout of the recipient's grant.

(2) The Community Development Block Grant program for entitlement grants, administered under subpart D of part 570 of this title.

(3) The Community Development Block Grant program for States, administered under subpart I of part 570 of this title until closeout of the unit of general local government's grant by the State.

(4) The Urban Development Action Grants program, administered under subpart G of part 570 of this title until closeout of the recipient's grant.

### **§ 570.614 Architectural Barriers Act and the Americans with Disabilities Act.**

(a) The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in

accordance with standards that insure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of “residential structure” as defined in 24 CFR 40.2 or the definition of “building” as defined in 41 CFR 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 CFR part 40 for residential structures, and appendix A to 41 CFR part 101-19, subpart 101-19.6, for general type buildings).

(b) The Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

#### **Subpart O—Performance Reviews**

**Source:** 53 FR 34466, Sept. 6, 1988, unless otherwise noted.

#### **§ 570.900 General.**

(a) *Performance review authorities* —

(1) *Entitlement, Insular Areas, and HUD-administered Small Cities performance reviews.*

Section 104(e)(1) of the Act requires that the Secretary shall, at least on an annual basis, make such reviews and audits as may be necessary or appropriate to determine whether the recipient has carried out its activities in a timely manner, whether the recipient has carried out those activities and its certifications in accordance with the requirements and the primary objectives of the Act and with other applicable laws, and whether the recipient has a continuing capacity to carry out those activities in a timely manner.

(2) *Urban Development Action Grant (UDAG) performance reviews.* Section 119(g) of the Act requires the Secretary, at least on an annual basis, to make such reviews and audits of recipients

of Urban Development Action Grants as necessary to determine whether the recipient's progress in carrying out the approved activities is substantially in accordance with the recipient's approved plans and timetables.

(b) ***Performance review procedures.*** This paragraph describes the review procedures the Department will use in conducting the performance reviews required by sections 104(e) and 119(g) of the Act:

(1) The Department will determine the performance of each entitlement, Insular Areas, and HUD-administered small cities recipient in accordance with section 104(e)(1) of the Act by reviewing for compliance with the requirements described in § 570.901 and by applying the performance criteria described in §§ 570.902 and 570.903 relative to carrying out activities in a timely manner. The review criteria in § 570.904 will be used to assist in determining if the recipient's program is being carried out in compliance with civil rights requirements.

(2) The Department will review UDAG projects and activities to determine whether such projects and activities are being carried out substantially in accordance with the recipient's approved plans and schedules. The Department will also review to determine if the recipient has carried out its UDAG program in accordance with all other requirements of the Grant Agreement and with all applicable requirements of this part.

(3) In conducting performance reviews, HUD will primarily rely on information obtained from the recipient's performance report, records maintained, findings from monitoring, grantee and subrecipient audits, audits and surveys conducted by the HUD Inspector General, and financial data regarding the amount of funds remaining in the line of credit plus program income. HUD may also consider relevant information pertaining to a recipient's performance gained from other sources, including litigation, citizen comments, and other information provided by or concerning the recipient. A recipient's failure to maintain records in the prescribed manner may result in a finding that the recipient has failed to meet the applicable requirement to which the record pertains.

(4) If HUD determines that a recipient has not met a civil rights review criterion in § 570.904, the recipient will be provided an opportunity to demonstrate that it has nonetheless met the applicable civil rights requirement.

(5) If HUD finds that a recipient has failed to comply with a program requirement or has failed to meet a performance criterion in § 570.902 or § 570.903, HUD will give the recipient an opportunity to provide additional information concerning the finding.

(6) If, after considering any additional information submitted by a recipient, HUD determines to uphold the finding, HUD may advise the recipient to undertake appropriate corrective or remedial actions as specified in § 570.910. HUD will consider the recipient's capacity as described in § 570.905 prior to selecting the corrective or remedial actions.

(7) If the recipient fails to undertake appropriate corrective or remedial actions which resolve the deficiency to the satisfaction of the Secretary, the Secretary may impose a sanction pursuant to § 570.911, 570.912, or 570.913, as applicable.

[53 FR 34466, Sept. 6, 1988, as amended at 60 FR 56917, Nov. 9, 1995; 72 FR 12536, Mar. 15, 2007]

**§ 570.901 Review for compliance with the primary and national objectives and other program requirements.**

HUD will review each entitlement, Insular Areas, and HUD-administered small cities recipient's program to determine if the recipient has carried out its activities and certifications in compliance with:

(a) The requirement described at § 570.200(a)(3) that, consistent with the primary objective of the Act, not less than 70 percent of the aggregate amount of CDBG funds received by the recipient shall be used over the period specified in its certification for activities that benefit low and moderate income persons;

(b) The requirement described at § 570.200(a)(2) that each CDBG assisted activity meets the criteria for one or more of the national objectives described at § 570.208;

(c) All other activity eligibility requirements defined in subpart C of this part;

(d) For entitlement grants and non-entitlement CDBG grants in Hawaii, the submission requirements of 24 CFR part 91 and the displacement policy requirements at § 570.606;

(e) For HUD-administered Small Cities grants in New York, the citizen participation requirements at § 570.431, the amendment requirements at § 570.427, and the displacement policy requirements of § 570.606;

(f) For Insular Areas Program grants only, the application and amendment requirements at § 570.440, the citizen participation requirements at § 570.441, the displacement policy requirements of § 570.606, and the lead-based paint requirements of 24 CFR 35.940;

(g) The grant administration requirements described in subpart J;

(h) Other applicable laws and program requirements described in subpart K; and

(i) Where applicable, the requirements pertaining to loan guarantees (subpart M) and urban renewal completions (subpart N).

[53 FR 34466, Sept. 6, 1988, as amended at 60 FR 1917, Jan. 5, 1995; 60 FR 56917, Nov. 9, 1995; 72 FR 12536, Mar. 15, 2007; 72 FR 46371, Aug. 17, 2007]

**§ 570.902 Review to determine if CDBG-funded activities are being carried out in a timely manner.**

HUD will review the performance of each entitlement, HUD-administered small cities, and Insular Areas recipient to determine whether each recipient is carrying out its CDBG-assisted activities in a timely manner.

**(a) *Entitlement recipients and Non-entitlement CDBG grantees in Hawaii.***

(1) Before the funding of the next annual grant and absent contrary evidence satisfactory to HUD, HUD will consider an entitlement recipient or a non-entitlement CDBG grantee in Hawaii to be failing to carry out its CDBG activities in a timely manner if:

- (i) Sixty days prior to the end of the grantee's current program year, the amount of entitlement grant funds available to the recipient under grant agreements but undisbursed by the U.S. Treasury is more than 1.5 times the entitlement grant amount for its current program year; and
- (ii) The grantee fails to demonstrate to HUD's satisfaction that the lack of timeliness has resulted from factors beyond the grantee's reasonable control.

(2) Notwithstanding that the amount of funds in the line of credit indicates that the recipient is carrying out its activities in a timely manner pursuant to paragraph (a)(1) of this section, HUD may determine that the recipient is not carrying out its activities in a timely manner if:

- (i) The amount of CDBG program income the recipient has on hand 60 days prior to the end of its current program year, together with the amount of funds in its CDBG line of credit, exceeds 1.5 times the entitlement grant amount for its current program year; and
- (ii) The grantee fails to demonstrate to HUD's satisfaction that the lack of timeliness has resulted from factors beyond the grantee's reasonable control.

(3) In determining the appropriate corrective action to take with respect to a HUD determination that a recipient is not carrying out its activities in a timely manner pursuant to paragraphs (a)(1) or (a)(2) of this section, HUD will consider the likelihood that the recipient will expend a sufficient amount of funds over the next program year to reduce the amount of unexpended funds to a level that will fall within the standard described in paragraph (a)(1) of this section when HUD next measures the grantee's timeliness performance. For these purposes, HUD will take into account the extent to which funds on hand have been obligated by the recipient and its subrecipients for specific activities at the time the finding is made and other relevant information.

**(b) *HUD-administered Small Cities program in New York.*** The Department will, absent substantial evidence to the contrary, deem a HUD-administered Small Cities recipient in New York to be carrying out its CDBG-funded activities in a timely manner if the schedule for carrying out its activities, as contained in the approved application (including any subsequent amendment(s)), is being substantially met.

**(c) *Insular Areas recipients.***

(1) Before the funding of the next annual grant and absent contrary evidence satisfactory to HUD, HUD will consider an Insular Areas recipient to be failing to carry out its CDBG activities in a timely manner if:

- (i) Sixty days prior to the end of the grantee's current program year, the amount of Insular Area grant funds available to the recipient under grant agreements but undisbursed by the U.S. Treasury is more than 2.0 times the Insular Area's grant amount for its current program year; and
- (ii) The grantee fails to demonstrate to HUD's satisfaction that the lack of timeliness has resulted from factors beyond the grantee's reasonable control.

(2) Notwithstanding that the amount of funds in the line of credit indicates that the Insular Area recipient is carrying out its activities in a timely manner pursuant to paragraph (c)(1) of this section, HUD may determine that the recipient is not carrying out its activities in a timely manner if:

- (i) The amount of CDBG program income the recipient has on hand 60 days prior to the end of its current program year, together with the amount of funds in its CDBG line of credit, exceeds 2.0 times the Insular Area's grant amount for its current program year; and
- (ii) The grantee fails to demonstrate to HUD's satisfaction that the lack of timeliness has resulted from factors beyond the grantee's reasonable control.

(3) In determining the appropriate corrective action to take with respect to a HUD determination that a recipient is not carrying out its activities in a timely manner pursuant to paragraphs (c)(1) or (c)(2) of this section, HUD will consider the likelihood that the recipient will expend a sufficient amount of funds over the next program year to reduce the amount of unexpended funds to a level that will fall within the standards described in paragraphs (c)(1) and (2) of this section when HUD next measures the grantee's timeliness performance. For these purposes, HUD will take into account the extent to which funds on hand have been obligated by the recipient and its sub-recipients for specific activities at the time the finding is made and other relevant information.

(4) If a recipient is determined to be untimely pursuant to paragraphs (c)(1) or (c)(2) of this section in one year, and the recipient is again determined to be untimely in the following year, HUD may reduce the recipient's next grant by 100 percent of the amount in excess of twice the Insular Area's most recent CDBG grant, unless HUD determines that the untimeliness resulted from factors outside of the grantee's reasonable control.

(5) The first review under paragraphs (c)(1) and (c)(2) of this section will take place 60 days prior to the conclusion of the Fiscal Year 2006 program year.

[53 FR 34466, Sept. 6, 1988, as amended at 60 FR 56917, Nov. 9, 1995; 72 FR 12536, Mar. 15, 2007; 72 FR 46371, Aug. 17, 2007]

**§ 570.903 Review to determine if the recipient is meeting its consolidated plan responsibilities.**

The consolidated plan, action plan, and amendment submission requirements referred to in this section are in 24 CFR part 91. For the purpose of this section, the term consolidated plan includes an abbreviated consolidated plan that is submitted pursuant to 24 CFR 91.235.

(a) **Review timing and purpose.** HUD will review the consolidated plan performance of each entitlement, Insular Areas, and Hawaii HUD-administered Small Cities grant recipient prior to acceptance of a grant recipient's annual certification under 24 CFR 91.225(b)(3) to determine whether the recipient followed its HUD-approved consolidated plan for the most recently completed program year, and whether activities assisted with CDBG funds during that period were consistent with that consolidated plan, except that grantees are not bound by the consolidated plan with respect to the use or distribution of CDBG funds to meet non-housing community development needs.

(b) **Following a consolidated plan.** The recipient will be considered to be following its consolidated plan if it has taken all of the planned actions described in its action plan. This includes, but is not limited to:

- (1) Pursuing all resources that the grantee indicated it would pursue;
- (2) Providing certifications of consistency, when requested to do so by applicants for HUD programs for which the grantee indicated that it would support application by other entities, in a fair and impartial manner; and
- (3) Not hindering implementation of the consolidated plan by action or willful inaction.

(c) **Disapproval.** If HUD determines that a recipient has not met the criteria outlined in paragraph (b) of this section, HUD will notify the recipient and provide the recipient up to 45 days to demonstrate to the satisfaction of the Secretary that it has followed its consolidated plan. HUD will consider all relevant circumstances and the recipient's actions and lack of actions affecting the provision of assistance covered by the consolidated plan within its jurisdiction. Failure to so demonstrate in a timely manner will be cause for HUD to find that the recipient has failed to meet its certification. A complete and specific response by the recipient shall describe:

- (1) Any factors beyond the control of the recipient that prevented it from following its consolidated plan, and any actions the recipient has taken or plans to take to alleviate such factors; and
- (2) Actions taken by the recipient, if any, beyond those described in the consolidated plan performance report to facilitate following the consolidated plan, including the effects of such actions.

(d) ***New York HUD-administered Small Cities.*** New York HUD-administered grantees shall follow the provisions of paragraph (b) of this section for their abbreviated or full consolidated plan to the extent that the provisions of paragraph (b) of this section are applicable. If the grantee does not comply with the requirements of paragraph (b) of this section, and does not provide HUD with an acceptable explanation, HUD may decide, in accordance with the requirements of the notice of fund availability, that the grantee does not meet threshold requirements to apply for a new small cities grant.

**§ 570.904 Equal opportunity and fair housing review criteria.**

(a) ***General.***

(1) Where the criteria in this section are met, the Department will presume that the recipient has carried out its CDBG-funded program in accordance with civil rights certifications and civil rights requirements of the Act relating to equal employment opportunity, equal opportunity in services, benefits and participation, and is affirmatively furthering fair housing unless:

(i) There is evidence which shows, or from which it is reasonable to infer, that the recipient, motivated by considerations of race, color, religion where applicable, sex, national origin, age or handicap, has treated some persons less favorably than others, or

(ii) There is evidence that a policy, practice, standard or method of administration, although neutral on its face, operates to deny or affect adversely in a significantly disparate way the provision of employment or services, benefits or participation to persons of a particular race, color, religion where applicable, sex, national origin, age or handicap, or fair housing to persons of a particular race, color, religion, sex, or national origin, or

(iii) Where the Secretary required a further assurance pursuant to § 570.304 in order to accept the recipient's prior civil rights certification, the recipient has failed to meet any such assurance.

(2) In such instances, or where the review criteria in this section are not met, the recipient will be afforded an opportunity to present evidence that it has not failed to carry out the civil rights certifications and fair housing requirements of the Act. The Secretary's determination of whether there has been compliance with the applicable requirements will be made based on a review of the recipient's performance, evidence submitted by the recipient, and all other available evidence. The Department may also initiate separate compliance reviews under title VI of the Civil Rights Act of 1964 or section 109 of the Act.

(b) ***Review for equal opportunity.*** Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), and implementing regulations in 24 CFR part 1, together with section 109 of the Act (see § 570.602), prohibit discrimination in any program or activity funded in whole or in part with funds made available under this part.

(1) ***Review for equal employment opportunity.*** The Department will presume that a recipient's hiring and employment practices have been carried out in compliance with its equal opportunity certifications and requirements of the Act. This presumption may be rebutted where, based on the totality of circumstances, there has been a deprivation of employment, promotion, or training opportunities by a recipient to any person within the meaning of section 109. The extent to which persons of a particular race, gender, or ethnic background are represented in the workforce may in certain circumstances be considered, together with complaints, performance reviews, and other information.

(2) ***Review of equal opportunity in services, benefits and participation.*** The Department will presume a recipient is carrying out its programs and activities in accordance with the civil rights certifications and requirements of the Act. This presumption may be rebutted where, based on the totality of circumstances, there has been a deprivation of services, benefits, or participation in any program or activity funded in whole or in part with block grant funds by a recipient to any person within the meaning of section 109. The extent to which persons of a particular race, gender, or ethnic background participate in a program or activity may in certain circumstances be considered, together with complaints, performance reviews, and other information.

(c) ***Review for fair housing*** —

(1) ***General.*** See the requirements in the Fair Housing Act (42 U.S.C. 3601-20), as well as § 570.601(a).

(2) ***Affirmatively furthering fair housing.*** HUD will review a recipient's performance to determine if it has administered all programs and activities related to housing and urban development in accordance with § 570.601(a)(2), which sets forth the grantee's responsibility to affirmatively further fair housing.

(d) ***Actions to use minority and women's business firms.*** The Department will review a recipient's performance to determine if it has administered its activities funded with assistance under this part in a manner to encourage use of minority and women's business enterprises described in Executive Orders 11625, 12432 and 12138, and 2 CFR 200.321. In making this review, the Department will determine if the grantee has taken actions required under 2 CFR 200.321, and will review the effectiveness of those actions in accomplishing the objectives of 2 CFR 200.321 and the Executive Orders. No recipient is required by this part to attain or maintain any particular statistical level of participation in its contracting activities by race, ethnicity, or gender of the contractor's owners or managers.

[53 FR 34466, Sept. 6, 1988; 53 FR 41330, Oct. 21, 1988, as amended at 54 FR 37411, Sept. 9, 1989; 60 FR 1917, Jan. 5, 1995; 61 FR 11482, Mar. 20, 1996; 80 FR 42368, July 16, 2015; 80 FR 75938, Dec. 7, 2015]

**§ 570.905 Review of continuing capacity to carry out CDBG funded activities in a timely manner.**

If HUD determines that the recipient has not carried out its CDBG activities and certifications in accordance with the requirements and criteria described in § 570.901 or 570.902, HUD will undertake a further review to determine whether or not the recipient has the continuing capacity to carry out its activities in a timely manner. In making the determination, the Department will consider the nature and extent of the recipient's performance deficiencies, types of corrective actions the recipient has undertaken and the success or likely success of such actions.

#### **§ 570.906 Review of urban counties.**

In reviewing the performance of an urban county, HUD will hold the county accountable for the actions or failures to act of any of the units of general local government participating in the urban county. Where the Department finds that a participating unit of government has failed to cooperate with the county to undertake or assist in undertaking an essential community development or assisted housing activity and that such failure results, or is likely to result, in a failure of the urban county to meet any requirement of the program or other applicable laws, the Department may prohibit the county's use of funds made available under this part for that unit of government. HUD will also consider any such failure to cooperate in its review of a future cooperation agreement between the county and such included unit of government described at § 570.307(b)(2).

#### **§§ 570.907-570.909 [Reserved]**

#### **§ 570.910 Corrective and remedial actions.**

(a) **General.** Consistent with the procedures described in § 570.900(b), the Secretary may take one or more of the actions described in paragraph (b) of this section. Such actions shall be designed to prevent a continuation of the performance deficiency; mitigate, to the extent possible, the adverse effects or consequences of the deficiency; and prevent a recurrence of the deficiency.

(b) **Actions authorized.** The following lists the actions that HUD may take in response to a deficiency identified during the review of a recipient's performance:

(1) Issue a letter of warning advising the recipient of the deficiency and putting the recipient on notice that additional action will be taken if the deficiency is not corrected or is repeated;

(2) Recommend, or request the recipient to submit, proposals for corrective actions, including the correction or removal of the causes of the deficiency, through such actions as:

(i) Preparing and following a schedule of actions for carrying out the affected CDBG activities, consisting of schedules, timetables and milestones necessary to implement the affected CDBG activities;

(ii) Establishing and following a management plan which assigns responsibilities for carrying out the actions identified in paragraph (b)(2)(i) of this section;

(iii) For entitlement and Insular Areas recipients, canceling or revising affected activities that are no longer feasible to implement due to the deficiency and re-programming funds from such affected activities to other eligible activities (pursuant to the citizen participation requirements in 24 CFR part 91); or

(iv) Other actions which will serve to prevent a continuation of the deficiency, mitigate (to the extent possible) the adverse effects or consequences of the deficiency, and prevent a recurrence of the deficiency;

(3) Advise the recipient that a certification will no longer be acceptable and that additional assurances will be required;

(4) Advise the recipient to suspend disbursement of funds for the deficient activity;

(5) Advise the recipient to reimburse its program account or letter of credit in any amounts improperly expended and reprogram the use of the funds in accordance with applicable requirements;

(6) Change the method of payment to the recipient from a letter of credit basis to a reimbursement basis;

(7) In the case of claims payable to HUD or the U.S. Treasury, institute collection procedures pursuant to subpart B of 24 CFR part 17; and

(8) In the case of an entitlement or Insular Areas recipient, condition the use of funds from a succeeding fiscal year's allocation upon appropriate corrective action by the recipient. The failure of the recipient to undertake the actions specified in the condition may result in a reduction, pursuant to § 570.911, of the entitlement or Insular Areas recipient's annual grant by up to the amount conditionally granted.

[53 FR 34466, Sept. 6, 1988, as amended at 60 FR 1917, Jan. 5, 1995; 72 FR 12537, Mar. 15, 2007]

**§ 570.911 Reduction, withdrawal, or adjustment of a grant or other appropriate action.**

(a) ***Opportunity for an informal consultation.*** Prior to a reduction, withdrawal, or adjustment of a grant or other appropriate action, taken pursuant to paragraph (b), (c), or (d) of this section, the recipient shall be notified of such proposed action and given an opportunity within a prescribed time period for an informal consultation.

(b) ***Entitlement grants, Non-entitlement CDBG grants in Hawaii, and Insular Areas grants.*** Consistent with the procedures described in § 570.900(b), the Secretary may make a reduction in the entitlement, non-entitlement CDBG grants in Hawaii, or Insular Areas grant amount either for the succeeding program year or, if the grant had been conditioned, up to the amount that had been conditioned. The amount of the reduction shall be based on the severity of the deficiency and may be for the entire grant amount.

(c) ***HUD-administered small cities grants.*** Consistent with the procedures described in § 570.900(b), the Secretary may adjust, reduce or withdraw the grant or take other actions as appropriate, except that funds already expended on eligible approved activities shall not be recaptured or deducted from future grants.

(d) ***Urban Development Action Grants.*** Consistent with the procedures described in § 570.900(b), the Secretary may adjust, reduce or withdraw the grant or take other actions as appropriate, except that funds already expended on eligible approved activities shall not be recaptured or deducted from future grants made to the recipient.

[61 FR 11481, Mar. 20, 1996, as amended at 72 FR 12537, Mar. 15, 2007; 72 FR 46371, Aug. 17, 2007]

### **§ 570.912 Nondiscrimination compliance.**

(a) Whenever the Secretary determines that a unit of general local government which is a recipient of assistance under this part has failed to comply with § 570.602, the Secretary shall notify the governor of such State or chief executive officer of such unit of general local government of the noncompliance and shall request the governor or the chief executive officer to secure compliance. If within a reasonable period of time, not to exceed sixty days, the governor or chief executive officer fails or refuses to secure compliance, the Secretary is authorized to:

- (1) Refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted;
- (2) Exercise the powers and functions provided by title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d);
- (3) Exercise the powers and functions provided for in § 570.913; or
- (4) Take such other action as may be provided by law.

(b) When a matter is referred to the Attorney General pursuant to paragraph (a)(1) of this section, or whenever the Secretary has reason to believe that a State or a unit of general local government is engaged in a pattern or practice in violation of the provisions of § 570.602, the Attorney General may bring a civil action in any appropriate United States district court for such relief as may be appropriate, including injunctive relief.

### **§ 570.913 Other remedies for noncompliance.**

(a) ***Action to enforce compliance.*** When the Secretary acts to enforce the civil rights provisions of Section 109, as described in § 570.602 and 24 CFR part 6, the procedures described in 24 CFR parts 6 and 180 apply. If the Secretary finds, after reasonable notice and opportunity for hearing, that a recipient has failed to comply substantially with any other provisions of this part, the provisions of this section apply. The Secretary, until he/she is satisfied that there is no longer any such failure to comply, shall:

- (1) Terminate payments to the recipient;
- (2) Reduce payments to the recipient by an amount equal to the amount of such payments which were not expended in accordance with this part; or
- (3) Limit the availability of payments to programs or activities not affected by such failure to comply.

***Provided, however,*** that the Secretary may on due notice suspend payments at any time after the issuance of a notice of opportunity for hearing pursuant to paragraph (c)(1) of this section, pending such hearing and a final decision, to the extent the Secretary determines such action necessary to preclude the further expenditure of funds for activities affected by such failure to comply.

(b) In lieu of, or in addition to, any action authorized by paragraph (a) of this section, the Secretary may, if he/she has reason to believe that a recipient has failed to comply substantially with any provision of this part;

(1) Refer the matter to the Attorney General of the United States with a recommendation that an appropriate civil action be instituted; and

(2) Upon such a referral, the Attorney General may bring a civil action in any United States district court having venue thereof for such relief as may be appropriate, including an action to recover the amount of the assistance furnished under this part which was not expended in accordance with it, or for mandatory or injunctive relief;

(c) ***Proceedings.*** When the Secretary proposes to take action pursuant to this section, the respondent is the unit of general local government or State receiving assistance under this part. These procedures are to be followed prior to imposition of a sanction described in paragraph (a) of this section:

(1) ***Notice of opportunity for hearing:*** The Secretary shall notify the respondent in writing of the proposed action and of the opportunity for a hearing. The notice shall:

(i) Specify, in a manner which is adequate to allow the respondent to prepare its response, allegations with respect to a failure to comply substantially with a provision of this part;

(ii) State that the hearing procedures are governed by these rules;

(iii) State that a hearing may be requested within 10 days from receipt of the notice and the name, address and telephone number of the person to whom any request for hearing is to be addressed:

(iv) Specify the action which the Secretary proposes to take and that the authority for this action is section 111(a) of the Act;

(v) State that if the respondent fails to request a hearing within the time specified a decision by default will be rendered against the respondent; and

(vi) Be sent to the respondent by certified mail, return receipt requested.

(2) **Initiation of hearing.** The respondent shall be allowed at least 10 days from receipt of the notice within which to notify HUD of its request for a hearing. If no request is received within the time specified, the Secretary may proceed to make a finding on the issue of compliance with this part and to take the proposed action.

(3) **Administrative Law Judge.** Proceedings conducted under these rules shall be presided over by an Administrative Law Judge (ALJ), appointed as provided by section 11 of the Administrative Procedures Act (5 U.S.C. 3105). The case shall be referred to the ALJ by the Secretary at the time a hearing is requested. The ALJ shall promptly notify the parties of the time and place at which the hearing will be held. The ALJ shall conduct a fair and impartial hearing and take all action necessary to avoid delay in the disposition of proceedings and to maintain order. The ALJ shall have all powers necessary to those ends, including but not limited to the power to:

(i) Administer oaths and affirmations;

(ii) Issue subpoenas as authorized by law;

(iii) Rule upon offers of proof and receive relevant evidence;

(iv) Order or limit discovery prior to the hearing as the interests of justice may require;

(v) Regulate the course of the hearing and the conduct of the parties and their counsel;

(vi) Hold conferences for the settlement or simplification of the issues by consent of the parties;

(vii) Consider and rule upon all procedural and other motions appropriate in adjudicative proceedings; and

(viii) Make and file initial determinations.

(4) **Ex parte communications.** An ex parte communication is any communication with an ALJ, direct or indirect, oral or written, concerning the merits or procedures of any pending proceeding which is made by a party in the absence of any other party. Ex parte communications are prohibited except where the purpose and content of the communication have been disclosed in advance or simultaneously to all parties, or the communication is a request for information concerning the status of the case. Any ALJ who receives an ex parte communication which the ALJ knows or has reason to believe is unauthorized shall promptly place the communication, or its substance, in all files and shall furnish copies to all parties. Unauthorized ex parte communications shall not be taken into consideration in deciding any matter in issue.

(5) ***The hearing.*** All parties shall have the right to be represented at the hearing by counsel. The ALJ shall conduct the proceedings in an expeditious manner while allowing the parties to present all oral and written evidence which tends to support their respective positions, but the ALJ shall exclude irrelevant, immaterial or unduly repetitious evidence. The Department has the burden of proof in showing by a preponderance of the evidence that the respondent failed to comply substantially with a provision of this part. Each party shall be allowed to cross-examine adverse witnesses and to rebut and comment upon evidence presented by the other party. Hearings shall be open to the public. So far as the orderly conduct of the hearing permits, interested persons other than the parties may appear and participate in the hearing.

(6) ***Transcripts.*** Hearing shall be recorded and transcribed only by a reporter under the supervision of the ALJ. The original transcript shall be a part of the record and shall constitute the sole official transcript. Respondents and the public, at their own expense, may obtain copies of the transcript.

(7) ***The ALJ's decision.*** At the conclusion of the hearing, the ALJ shall give the parties a reasonable opportunity to submit proposed findings and conclusions and supporting reasons therefor. Within 25 days after the conclusion of the hearing, the ALJ shall prepare a written decision which includes a statement of findings and conclusions, and the reasons or basis therefor, on all the material issues of fact, law or discretion presented on the record and the appropriate sanction or denial thereof. The decision shall be based on consideration of the whole record or those parts thereof cited by a party and supported by and in accordance with the reliable, probative, and substantial evidence. A copy of the decision shall be furnished to the parties immediately by certified mail, return receipt requested, and shall include a notice that any requests for review by the Secretary must be made in writing to the Secretary within 30 days of the receipt of the decision.

(8) ***The record.*** The transcript of testimony and exhibits, together with the decision of the ALJ and all papers and requests filed in the proceeding, constitutes the exclusive record for decision and, on payment of its reasonable cost, shall be made available to the parties. After reaching his/her initial decision, the ALJ shall certify to the complete record and forward the record to the Secretary.

(9) ***Review by the Secretary.*** The decision by the ALJ shall constitute the final decision of the Secretary unless, within 30 days after the receipt of the decision, either the respondent or the Assistant Secretary for Community Planning and Development files an exception and request for review by the Secretary. The excepting party must transmit simultaneously to the Secretary and the other party the request for review and the basis of the party's exceptions to the findings of the ALJ. The other party shall be allowed 30 days from receipt of the exception to provide the Secretary and the excepting party with a written reply. The Secretary shall then review the record of the case, including the exceptions and the reply. On the basis of such review, the Secretary shall issue a written determination, including a statement of the reasons or basis therefor,

affirming, modifying or revoking the decision of the ALJ. The Secretary's decision shall be made and transmitted to the parties within 80 days after the decision of the ALJ was furnished to the parties.

(10) **Judicial review.** The respondent may seek judicial review of the Secretary's decision pursuant to section 111(c) of the Act.

## **Appendix A to Part 570—Guidelines and Objectives for Evaluating Project Costs and Financial Requirements**

I. **Guidelines and Objectives for Evaluating Project Costs and Financial Requirements.** HUD has developed the following guidelines that are designed to provide the recipient with a framework for financially underwriting and selecting CDBG-assisted economic development projects which are financially viable and will make the most effective use of the CDBG funds. *The use of these underwriting guidelines as published by HUD is not mandatory.* However, grantees electing not to use these underwriting guidelines would be expected to conduct basic financial underwriting prior to the provision of CDBG financial assistance to a for-profit business. States electing not to use these underwriting guidelines would be expected to ensure that the state or units of general local government conduct basic financial underwriting prior to the provision of CDBG financial assistance to a for-profit business.

II. Where appropriate, HUD's underwriting guidelines recognize that different levels of review are appropriate to take into account differences in the size and scope of a proposed project, and in the case of a microenterprise or other small business to take into account the differences in the capacity and level of sophistication among businesses of differing sizes.

III. Recipients are encouraged, when they develop their own programs and underwriting criteria, to also take these factors into account. For example, a recipient administering a program providing only technical assistance to small businesses might choose to apply underwriting guidelines to the technical assistance program as a whole, rather than to each instance of assistance to a business. Given the nature and dollar value of such a program, a recipient might choose to limit its evaluation to factors such as the extent of need for this type of assistance by the target group of businesses and the extent to which this type of assistance is already available.

IV. The objectives of the underwriting guidelines are to ensure:

- (1) that project costs are reasonable;
- (2) that all sources of project financing are committed;
- (3) that to the extent practicable, CDBG funds are not substituted for non-Federal financial support;
- (4) that the project is financially feasible;

(5) that to the extent practicable, the return on the owner's equity investment will not be unreasonably high; and

(6) that to the extent practicable, CDBG funds are disbursed on a pro rata basis with other finances provided to the project.

*i. Project costs are reasonable.*

i. Reviewing costs for reasonableness is important. It will help the recipient avoid providing either too much or too little CDBG assistance for the proposed project. Therefore, it is suggested that the grantee obtain a breakdown of all project costs and that each cost element making up the project be reviewed for reasonableness. The amount of time and resources the recipient expends evaluating the reasonableness of a cost element should be commensurate with its cost. For example, it would be appropriate for an experienced reviewer looking at a cost element of less than \$10,000 to judge the reasonableness of that cost based upon his or her knowledge and common sense. For a cost element in excess of \$10,000, it would be more appropriate for the reviewer to compare the cost element with a third-party, fair-market price quotation for that cost element. Third-party price quotations may also be used by a reviewer to help determine the reasonableness of cost elements below \$10,000 when the reviewer evaluates projects infrequently or if the reviewer is less experienced in cost estimations. If a recipient does not use third-party price quotations to verify cost elements, then the recipient would need to conduct its own cost analysis using appropriate cost estimating manuals or services.

ii. The recipient should pay particular attention to any cost element of the project that will be carried out through a non-arms-length transaction. A non-arms-length transaction occurs when the entity implementing the CDBG assisted activity procures goods or services from itself or from another party with whom there is a financial interest or family relationship. If abused, non-arms-length transactions misrepresent the true cost of the project.

**2. *Commitment of all project sources of financing.*** The recipient should review all projected sources of financing necessary to carry out the economic development project. This is to ensure that time and effort is not wasted on assessing a proposal that is not able to proceed. To the extent practicable, prior to the commitment of CDBG funds to the project, the recipient should verify that: sufficient sources of funds have been identified to finance the project; all participating parties providing those funds have affirmed their intention to make the funds available; and the participating parties have the financial capacity to provide the funds.

**3. *Avoid substitution of CDBG funds for non-Federal financial support.***

i. The recipient should review the economic development project to ensure that, to the extent practicable, CDBG funds will not be used to substantially reduce the amount of non-Federal financial support for the activity. This will help the recipient to make the most efficient use of its CDBG funds for economic development. To reach this determination, the recipient's reviewer would conduct a financial underwriting analysis of the project, including reviews of appropriate

projections of revenues, expenses, debt service and returns on equity investments in the project. The extent of this review should be appropriate for the size and complexity of the project and should use industry standards for similar projects, taking into account the unique factors of the project such as risk and location.

ii. Because of the high cost of underwriting and processing loans, many private financial lenders do not finance commercial projects that are less than \$100,000. A recipient should familiarize itself with the lending practices of the financial institutions in its community. If the project's total cost is one that would normally fall within the range that financial institutions participate, then the recipient should normally determine the following:

A. **Private debt financing** —whether or not the participating private, for-profit business (or other entity having an equity interest) has applied for private debt financing from a commercial lending institution and whether that institution has completed all of its financial underwriting and loan approval actions resulting in either a firm commitment of its funds or a decision not to participate in the project; and

B. **Equity participation** —whether or not the degree of equity participation is reasonable given general industry standards for rates of return on equity for similar projects with similar risks and given the financial capacity of the entrepreneur(s) to make additional financial investments.

iii. If the recipient is assisting a microenterprise owned by a low- or moderate-income person(s), in conducting its review under this paragraph, the recipient might only need to determine that non-Federal sources of financing are not available (at terms appropriate for such financing) in the community to serve the low- or moderate-income entrepreneur.

#### 4. **Financial feasibility of the project.**

i. The public benefit a grantee expects to derive from the CDBG assisted project (the subject of separate regulatory standards) will not materialize if the project is not financially feasible. To determine if there is a reasonable chance for the project's success, the recipient should evaluate the financial viability of the project. A project would be considered financially viable if all of the assumptions about the project's market share, sales levels, growth potential, projections of revenue, project expenses and debt service (including repayment of the CDBG assistance if appropriate) were determined to be realistic and met the project's break-even point (which is generally the point at which all revenues are equal to all expenses). Generally speaking, an economic development project that does not reach this break-even point over time is not financially feasible. The following should be noted in this regard:

A. some projects make provisions for a negative cash flow in the early years of the project while space is being leased up or sales volume built up, but the project's projections should take these factors into account and provide sources of financing for such negative cash flow; and

B. it is expected that a financially viable project will also project sufficient revenues to provide a reasonable return on equity investment. The recipient should carefully examine any project that is not economically able to provide a reasonable return on equity investment. Under such circumstances, a business may be overstating its real equity investment (actual costs of the project may be overstated as well), or it may be overstating some of the project's operating expenses in the expectation that the difference will be taken out as profits, or the business may be overly pessimistic in its market share and revenue projections and has downplayed its profits.

ii. In addition to the financial underwriting reviews carried out earlier, the recipient should evaluate the experience and capacity of the assisted business owners to manage an assisted business to achieve the projections. Based upon its analysis of these factors, the recipient should identify those elements, if any, that pose the greatest risks contributing to the project's lack of financial feasibility.

**5. Return on equity investment.** To the extent practicable, the CDBG assisted activity should provide not more than a reasonable return on investment to the owner of the assisted activity. This will help ensure that the grantee is able to maximize the use of its CDBG funds for its economic development objectives. However, care should also be taken to avoid the situation where the owner is likely to receive too small a return on his/her investment, so that his/her motivation remains high to pursue the business with vigor. The amount, type and terms of the CDBG assistance should be adjusted to allow the owner a reasonable return on his/her investment given industry rates of return for that investment, local conditions and the risk of the project.

**6. Disbursement of CDBG funds on a pro rata basis.** To the extent practicable, CDBG funds used to finance economic development activities should be disbursed on a pro rata basis with other funding sources. Recipients should be guided by the principle of not placing CDBG funds at significantly greater risk than non-CDBG funds. This will help avoid the situation where it is learned that a problem has developed that will block the completion of the project, even though all or most of the CDBG funds going in to the project have already been expended. When this happens, a recipient may be put in a position of having to provide additional financing to complete the project or watch the potential loss of its funds if the project is not able to be completed. When the recipient determines that it is not practicable to disburse CDBG funds on a pro rata basis, the recipient should consider taking other steps to safeguard CDBG funds in the event of a default, such as insisting on securitizing assets of the project.
