ASSISTED LIVING FACILITIES

www.nj.gov/health/ltc/cgi/facilitysearch.shtml

“Assisted Living” means a coordinated array of supportive personal and health services, available 24 hours per day, to residents who have been assessed to need these services, including residents who require formal long-term care.

“Assisted Living Residence” (ALR) means a facility which is licensed by the Department of Health & Senior Services to provide apartment-style housing and congregate dining and to assure that assisted living services are available when needed, for four or more adult persons unrelated to the proprietor. Apartment units offer, at a minimum, one unfurnished room, a private bathroom, a kitchenette, and a lockable door on the unit entrance.

“Comprehensive Personal Care Homes” (CPOCHs) provide room and board and provide assisted living services when needed. Residential units in CPOCHs can house no more than two residents and have a lockable door on the unit entrance. CPOCHs are licensed by the Department of Health and Senior Services.

CONTINUING CARE RETIREMENT COMMUNITIES

A continuing care retirement community (CCRC) provides housing, services and health care (including long-term care) to people of retirement age. The community must provide increasing levels of care beginning with independent living. CCRCs offer a contract that is signed when the person first enters the community. The type of services provided depends upon this contract. There is generally a substantial entrance fee. Monthly fees are also charged. CCRCs are regulated by the NJ Department of Community Affairs. The nursing home facilities are licensed by the NJ Department of Health.

MULTI-LEVEL FACILITIES

Multi-Level Facility refers to residences which provide two or more levels of service. These levels range from independent living to forms of assisted living to intermediate and/or skilled nursing care. There is usually no entrance fee or contractual agreement. Priority to move to another level of care is usually given to residents already living in some part of the facility. Some multi-level facilities are called Homes for the Aged or Full-Service Retirement Communities.

Sheriff's Department **SENIOR & VETERAN SERVICES**

Free Home Security Inspections are performed by trained Sheriff's staff to make sure our seniors homes are safe and secure. Free window locks, peep holes, reflective house numbers, smoke & carbon monoxide detectors, security locks and power failure lights are provided when available.

Free Med-Info Packets are provided to seniors to have their complete medical history listed by their family physician. The packet of information is recommended to be placed in the home refrigerator and a program magnet is placed on the frig and sticker on the seniors front door, to alert first responders that this information is available.

Persons-At-Risk Program allows the Burlington County Sheriff's Department to input important emergency information for any senior who may suffer from Alzheimer's, Dementia, Autism or any other disability that may cause them to wander from their home and be unable to return home safely. The information and a photograph provided by the family is entered into the confidential law enforcement records system available to law enforcement & 911 dispatchers.

Project Lifesaver Program provides wristband worn radio transmitters to Persons-At-Risk clients who may wander. The Sheriff's Department is among the 21 Sheriff Depts. in New Jersey who are partners in this valuable program. Should a client be reported missing, the Sheriff or one of our local law enforcement partners in Burlington County will respond with emergency tracking equipment to help the client return home safely.

Senior Police Academy is a 6-week, 1-day per week program that provides seniors with valuable information on crime prevention, consumer fraud, public health issues, fire safety, information on court services and all other senior services provided by the Sheriff's Department. Site visits to the county 9-1-1 center and police range are included in this informational course.

Veteran ID Cards are provided to any military veteran who has been honorably discharged from any branch of the armed forces. Appointments may be scheduled by calling the Sheriff's Department or by going to the county store at the Moorestown Mall the last Wednesday morning of each month.

Defensive Driving Course is a free 6-hour instructional course to help make drivers safer on the roadway. Participants may be eligible to receive up to a 5% discount and/or a 2-point New Jersey Motor Vehicles reduction. A \$10 fee is required for the National Safety Council certificate.

SOCIAL, CULTURAL AND RECREATIONAL

BURLINGTON COUNTY PARKS SYSTEM

www.co.burlington.nj.us/parks

(609) 265-5858

Whether it's history or hiking, there is something for everyone to enjoy in the Burlington County Parks System! Created in 2000, the Park System continues to grow. With over 3,500 acres of parks and parkland and more to come, the residents of Burlington County are able to enjoy the trails, recreational water access, picnic facilities, and play areas that are close to home.

Preserving our county's heritage and making that history come alive is also a key mission of the Board of Chosen Freeholders through the Park System. Preservation and restoration work at Historic Smithville Park provides visitors with a window into the Industrial Revolution and the Historic Prison Museum tells the story of an intriguing and education-filled National Historic Landmark. Combine this with a variety of arts and cultural programming provided by our Cultural and Heritage Office, and you truly can't miss an opportunity to enjoy yourself.

If you are a nature lover, come to Tuesday Talks. Our Parks Naturalist offers guided nature walks and indoor talks focusing on a variety of subject matter such as birds, butterflies, wildflowers, etc. The "Talks" take place every Tuesday morning. Contact the Parks System Office number above for more information.

BURLINGTON COUNTY SURROGATE'S COURT (609) 265-5005

**Mary Ann C. O'Brien
Surrogate/Judge**

The many duties of the Surrogate's Court include the probating of wills, appointing of estate administrators, supervising the appointment of guardians and administering adoptions. My responsibility as Surrogate is to oversee the administration of the many services offered by this Surrogate's Court. My team and I will work to make the emotionally difficult experience that can be associated with the Surrogate's Court a professional and sensitive experience.

A Will is a legally enforceable written document that takes effect upon death, and directs the distribution of a person's personal property and real estate. The advantage of having a Will saves your heirs time and money during this emotional time. You may plan now for the orderly transfer of your property, both real and personal to assure that your plans will be carried out as you desire.

Guardianship of Incapacitated Individuals: You want to assist and protect your loved one in navigating the world around them, ensuring that they handle activities of daily living while exercising independence as safely as possible. We process the Guardianship of Incapacitated matters for the Superior Court, Chancery Division, Probate Part for both the person and the person and their property both personal and real estate.

Appoint Guardianship of Minors: There are several reasons that an appointment of a guardian of a minor is necessary. The most common is guardianship of the property when a minor is to receive assets, usually money, but also includes real estate, stocks and bonds, in amounts greater than \$5,000 per annum. We also appoint guardianship of the person of the minor.

Adoptions: The Burlington County Surrogate's Court serves as the Deputy Clerk of Superior Court, Chancery Division, Family Part for all adoptions. Our office processes the Complaints and supporting documents and schedules the hearings before the Superior Court. The Surrogate's Court also maintains the files under seal as required.

The Surrogate also acts as Deputy Clerk of the Superior Court, Chancery Division - Probate Part. In that capacity the Surrogate is responsible for estate accountings, insolvencies, actions to remove fiduciaries and similar actions brought in the probate part.

I am available for speaking engagements upon request. If interested, please contact my office.
